An act relating to state property, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 826, as amended, ~~Salas~~ *Jones-Sawyer*. State property: surplus.

(1) Existing law authorizes the Director of General Services to dispose of state surplus property, subject to specified conditions, including authorization by the Legislature.

This bill would authorize the director to dispose of 2 specified parcels of state property.

(2) The California Constitution provides that the proceeds from the sale of surplus state property be used to pay the principal and interest on bonds issued pursuant to the Economic Recovery Bond Act until the principal and interest on those bonds are fully paid, after which these proceeds are required to be deposited into the Special Fund for Economic Uncertainties. Existing statutory law similarly requires that the net proceeds received from any real property disposition be paid into the Deficit Recovery Bond Retirement Sinking Fund Subaccount, a continuously appropriated fund, until the bonds issued pursuant to the act are retired.

By increasing the amount transferred into a continuously appropriated fund, this bill would make an appropriation.

Vote: majority. Appropriation: yes. Fiscal committee: yes.  
State-mandated local program: no.
