An act to amend Section 23363.1 of, and to add Section 23363.3 to, the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

AB 933, as amended, Skinner. Distilled spirits manufacturers: licenses: tastings.

Existing law, the Alcoholic Beverage Control Act, authorizes a licensed distilled spirits manufacturer to conduct tastings of distilled spirits produced or bottled by, or produced or bottled for, the licensee, on the licensed premises, under specified conditions. Existing law generally prohibits a manufacturer, winegrower, manufacturer's agent, California winegrower's agent, rectifier, distiller, bottler, importer, or wholesaler from, among other things, giving or lending any money or other thing of value, directly or indirectly, to any person engaged in operating, owning, or maintaining any off-sale licensed premises. Existing law excepts from this prohibition the listing of names, addresses, telephone numbers, and e-mail addresses, among other things, if specified conditions are met. Existing law provides that a violation of the act is a misdemeanor unless otherwise specified.

This bill would revise the conditions upon which a distilled spirits manufacturer may conduct tastings, authorize a licensed distilled spirits manufacturer to charge consumers for tastings on its licensed premises, and would impose additional conditions on the provision of tastings by the licensee on the licensed premises. The bill would include in these conditions that tastings of distilled spirits not exceed a specified amount and be limited to ~~4~~ 6 tastes to be provided to an individual per day.

The bill would also extend the authorization to conduct tastings, as described above, to brandy manufacturers.

By expanding the definition of a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. (a) The Legislature finds and declares that a  
 2 tasting of distilled spirits or brandy is a presentation of samples of  
 3 one or more distilled spirits or brandies, representing one or more  
 4 distilled spirits or brandy manufacturers, to a group of consumers  
 5 for the purpose of acquainting the tasters with the characteristics  
 6 of the distilled spirits or brandy tasted.

7 (b) The Legislature also finds and declares that it is necessary  
 8 and proper to require a separation between manufacturing interests,  
 9 wholesale interests, and retail interests in the production and  
 10 distribution of alcoholic beverages in order to prevent suppliers  
 11 from dominating local markets through vertical integration and to  
 12 prevent excessive sales of alcoholic beverages produced by overly  
 13 aggressive marketing techniques. The Legislature further finds  
 14 that the exceptions established by Sections 23363.1 and 23363.3  
 15 of the Business and Professions Code to the general prohibition  
 16 against tied interests must be limited to their express terms so as  
 17 not to undermine the general prohibition, and intends that these  
 18 sections be construed accordingly.

31 Section 6 of Article XIII B of the California Constitution because  
32 the only costs that may be incurred by a local agency or school  
33 district will be incurred because this act creates a new crime or  
34 infraction, eliminates a crime or infraction, or changes the penalty  
35 for a crime or infraction, within the meaning of Section 17556 of  
36 the Government Code, or changes the definition of a crime within
