LEGISLATIVE COUNSEL'S DIGEST

AB 955, as introduced, Williams. Community colleges: intersession extension programs.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Under existing law, community college districts are established throughout the state and authorized to maintain campuses and provide instruction to students.

The bill would provide that an extension program established under the bill may include any courses that are part of a course of study leading to a certificate, degree, or transfer to an institution that awards baccalaureate degrees.
