AMENDED IN ASSEMBLY APRIL 17, 2013

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 994

Introduced by Assembly Member Lowenthal

February 22, 2013

An act to amend Section 1001 of, to repeal Sections 1001.8 and 1001.9 of, and to repeal and add Sections 1001.1, 1001.2, 1001.3, 1001.4, 1001.6, ~~and 1001.7~~, *and 1001.50* of, the Penal Code, relating to diversion programs.

LEGISLATIVE COUNSEL'S DIGEST

AB 994, as amended, Lowenthal. Misdemeanor diversion programs.

Under existing law, prosecution of an offense filed as a misdemeanor may be postponed, either temporarily or permanently, at any point in the judicial process from the point at which the accused is charged until adjudication, for the person charged to participate in a diversion program for the treatment of problem drinking or alcoholism. Existing law requires the district attorney of each county annually to review any diversion program. Existing law prohibits a program from continuing without the approval of the district attorney and prohibits a person from participating in a diversion program without the authorization of the district attorney.

This bill would require each county to establish and maintain a pretrial diversion program, to be administered by the superior court of that county, and would remove the requirement for approval, both of the program and the participation by an individual, by the district attorney. The program would specify the administrative procedures and who

would be eligible for the pretrial diversion program. By requiring diversion programs in additional counties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
