CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1074

Introduced by Assembly Member Atkins

February 22, 2013

An act to amend Sections 19531, 19549.2, 19549.6, 19549.7, 19549.9, and 19605.73 of, and to repeal Sections 19532.1 and 19532.2 of, the Business and Professions Code, relating to horse racing.

LEGISLATIVE COUNSEL'S DIGEST

AB 1074, as amended, Atkins. Horse racing: thoroughbred racing.

Existing law, the Horse Racing Law, authorizes the California Horse Racing Board to make allocations of racing weeks, as it deems appropriate, and, for thoroughbred racing, establishes a maximum of 44 weeks per year of racing weeks in the northern zone, a maximum of 42 weeks per year in the central zone, and a maximum of 7 weeks per year in the southern zone. *Existing law also prohibits the board from allocating dates to a thoroughbred association in the central zone for conducting racing during daytime hours, if in the southern zone, a thoroughbred racing association is conducting racing on the same date during daytime hours.* A violation of the Horse Racing Law is a crime.

This bill would instead establish a maximum of 49 weeks per year in the combined central and southern zones. The bill would also require the board to allocate from those weeks a minimum number of weeks to certain racetracks in the central and southern zones that were used to conduct thoroughbred race meetings prior to 2012. *The bill would*

prohibit the board from allocating dates to a thoroughbred association in the southern zone for the purpose of conducting racing, regardless of the hours, if, on the same date and during daytime hours, a thoroughbred racing association is conducting racing in the central zone, and would reciprocally prohibit the allocation of racing dates to a thoroughbred association in the central zone when daytime racing is conducted by a thoroughbred association in the southern zone. Because a violation of those provisions would be a crime, this bill would impose a state-mandated local program.

Existing law provides that, except as specified, if a venue licensed to conduct thoroughbred racing in the central zone in 2008 is not available for racing in 2009 or thereafter, the dates formerly allocated to that venue shall be available for allocation by the board, and further provides that, if a racetrack located in the central zone is not available for use by a thoroughbred association that was licensed to conduct a live race meet at that racetrack in 2009, the board is authorized to allocate racing dates to that association to be operated at a racetrack in the central zone or southern zone for racing in 2010 or thereafter.

This bill would repeal those provisions.

Existing law, operative until January 1, 2014, authorizes thoroughbred racing associations, fairs, and the organization responsible for contracting with thoroughbred racing associations and fairs with respect to the conduct of racing meetings, to form a private, statewide marketing organization to market and promote thoroughbred and fair horse racing. If a marketing organization is formed, existing law requires an amount not to exceed 0.25% of the total amount handled by each satellite wagering facility to be distributed to the marketing organization, and imposes certain requirements on the marketing organization, including that the marketing organization annually submit certain information to the California Horse Racing Board. Violations of the Horse Racing Law are generally misdemeanors.

This bill would extend the operation of those provisions to January 1, 2015. By extending those provisions of the Horse Racing Law, a violation of which is a crime, the bill would create new crimes and would thereby impose a state-mandated local program.

This bill would make conforming changes to specified provisions in order to update ~~cross-references~~ *cross-references*.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

13 of an Internet Web site featuring California thoroughbred and fair
14 racing, the establishment and administration of players incentive
15 programs for those who wager on thoroughbred association and
16 fair races, and promotional activities at satellite wagering facilities
17 to increase their attendance and handle. While the promotional
18 activities at satellite wagering facilities shall be funded by the

37 report on the statewide marketing and promotion plan for the
38 upcoming calendar year. The plan shall be implemented as
39 determined by the organization. The organization shall receive

1 input from all interested industry participants and may utilize
2 outside consultants.

3 (c) In addition to the distributions specified in subdivisions (a)
4 and (b) of Section 19605.7, subdivisions (a) and (b) of Section

22 in the following year shall be reduced by the excess amount. The
23 marketing organization, on a quarterly basis, shall submit to the
24 board a written report that accounts for all receipts and expenditures
25 of the promotion funds for the previous three months.

26 (d) This section shall remain in effect only until January 1, 2015,

28 is enacted before January 1, 2015, deletes or extends that date.
29 Any moneys held by the organization shall, in the event this section
30 is repealed, be distributed to the organization formed pursuant to
31 Section 19608.2, for purposes of that section.

32 SEC. 9. No reimbursement is required by this act pursuant to
33 Section 6 of Article XIII B of the California Constitution because
34 the only costs that may be incurred by a local agency or school
35 district will be incurred because this act creates a new crime or
36 infraction, eliminates a crime or infraction, or changes the penalty
37 for a crime or infraction, within the meaning of Section 17556 of
