

ASSEMBLY BILL

No. 1078

Introduced by Assembly Member Quirk

February 22, 2013

An act relating to water.

LEGISLATIVE COUNSEL'S DIGEST

AB 1078, as introduced, Quirk. Water: water recycling technology.

Existing law provides that the Department of Water Resources operates the State Water Project and exercises specified water planning functions. Existing law also requires the department to update The California Water Plan, which is a plan for the conservation, development, and use of the water resources of the state. Under existing law, various provisions regulate water recycling.

This bill would state the intent of the Legislature to enact legislation to encourage the creation of new technologies to further the use of recycled water in the state.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to encourage the creation of new technologies to further
- 3 the use of recycled water in the state.
