ASSEMBLY BILL

No. 1097

Introduced by Assembly Member Nestande

February 22, 2013

An act to amend Section 1587 of the Fish and Game Code, relating to fish and wildlife.

LEGISLATIVE COUNSEL'S DIGEST

AB 1097, as amended, Nestande. Fish and Game Commission: Mirage Trail.

Existing law requires, until January 1, 2018, that the Mirage Trail within the Magnesia Spring Ecological Reserve be open 9 months of the year to recreational hiking if the Fish and Game Commission determines that specified conditions are met.

This bill *would require the commission to determine that an additional condition is met and* would specify the 9 months of the year that the trail would be open as May to January, inclusive, and the 3 months that the trail would be closed as February to April, inclusive. The bill would also require the commission to assess whether the 9-month schedule has any significant environmental impacts on the Peninsular bighorn sheep.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
