Passed the Senate September 11, 2013

Secretary of the Senate

This bill was received by the Governor this _____ day
of _____, 2013, at _____ o'clock ____M.

Private Secretary of the Governor

CHAPTER _____

An act to amend Section 1587 of the Fish and Game Code, relating to fish and wildlife.

LEGISLATIVE COUNSEL'S DIGEST

AB 1097, Nestande. Fish and Game Commission: Mirage Trail.

Existing law requires, until January 1, 2018, that the Mirage Trail within the Magnesia Spring Ecological Reserve be open 9 months of the year to recreational hiking if the Fish and Game Commission determines that specified conditions are met.

This bill would require the commission to determine that an additional condition is met and would specify the 9 months of the year that the trail would be open as May to January, inclusive, and the 3 months that the trail would be closed as February to April, inclusive.

The people of the State of California do enact as follows:

SECTION 1. Section 1587 of the Fish and Game Code is amended to read:

1587. (a) The Mirage Trail within the Magnesia Spring Ecological Reserve shall be open nine months of the year during the months of May to January, inclusive, and closed for three months during the months of February to April, inclusive, to recreational hiking if the commission determines that all of the following conditions are met:

(1) Local public agencies or other nonstate entities will assume complete financial responsibility for the following as determined to be necessary by the commission:

(A) Fencing to dissuade hikers from traversing beyond the trail and into sensitive Peninsular bighorn sheep habitat.

(B) Signage and educational materials to educate hikers about Peninsular bighorn sheep.

(2) A single entity has been designated to fulfill the financial arrangements and other terms and conditions determined by the commission to be necessary pursuant to paragraph (1).

(3) The entity designated pursuant to paragraph (2) has committed to expend at least one hundred thousand dollars (\$100,000) by January 1, 2018, to monitor the Peninsular bighorn sheep, consistent with the Coachella Valley Multiple Species Habitat Conservation Plan.

(b) This section shall remain in effect only until January 1, 2018, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2018, deletes or extends that date.

Approved _____, 2013

Governor
