An act to add Section 30607.8 to the Public Resources Code, relating to coastal resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 1102, as amended, Allen. Beach fire rings: coastal development permit.

(1) Existing law, the California Coastal Act of 1976, provides for the planning and regulation of a development and requires any person undertaking development in the coastal zone to obtain a coastal

development permit issued by the California Coastal Commission in accordance with prescribed procedures.

This bill would require a city or county, *including a charter city or charter county*, to apply for a coastal development permit to remove or restrict the use of a beach fire ring, as defined, and would require that application to include specified information. The bill would ~~declare that these provisions do not override~~ *affect* the applicability of a specified provision relating to ambient air quality standards, emission standards, or air pollution control programs or facilities established by the State Air Resources Board or an air pollution control or air quality management district. The bill would ~~declare that these provisions do not prohibit~~ the City of Newport Beach from distributing charcoal free of charge for use in a beach fire ring within 700 feet of a residence. By increasing the duties of local officials with respect to the California Coastal Act, the bill would impose a state-mandated local program.

(2) The bill would declare these provisions to be declaratory of existing law.

~~(3) This bill would find and declare that these provisions relate to an issue of statewide concern and not a municipal affair, as specified.~~

~~(4)~~

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 30607.8 is added to the Public Resources
- 2 Code, to read:
- 3 30607.8. (a) For purposes of this section, “beach fire ring”
- 4 means a device in which recreational or ceremonial burning occurs
- 5 that is located on a beach in the coastal zone.
- 6 (b) Notwithstanding subdivision (b) of Section 30005, the
- 7 removal or restriction of the use of a beach fire ring by a city or
- 8 county, *including a charter city or charter county*, shall be subject

1 to the requirements of this division and any other applicable
2 regulatory requirements.

3 (c) (1) An application for a coastal development permit to
4 remove or restrict the use of a beach fire ring shall include an
5 analysis of alternatives and mitigation measures that would avoid
6 or minimize the need to remove or restrict the use of a beach fire
7 ring.

8 (2) An application for a coastal development permit submitted
9 pursuant to this section and that may be approved through a waiver
10 procedure shall not be unreasonably denied by the commission at
11 a public hearing. A decision on the application shall be expedited
12 to the maximum extent feasible.

13 (d) Nothing in this section affects the applicability of Section
14 30414.

15 (e) Nothing in this section prohibits the City of Newport Beach
16 from distributing charcoal free of charge for use in a beach fire
17 ring within 700 feet of a residence.

18 SEC. 2. The addition of Section 30607.8 to the Public
19 Resources Code made by this act does not constitute a change in,
20 but is declaratory of, existing law and clarifies potential conflicting
21 interpretations.

22 ~~SEC. 3. The Legislature finds and declares that the removal~~
23 ~~and restriction of the use of fire rings at coastal areas is a matter~~
24 ~~of statewide concern and not a municipal affair, as that term is~~
25 ~~used in Section 5 of Article XI of the California Constitution.~~
26 ~~Therefore, Section 1 of this act shall apply to a charter city or~~
27 ~~county.~~

28 ~~SEC. 4.~~

29 SEC. 3. If the Commission on State Mandates determines that
30 this act contains costs mandated by the state, reimbursement to
31 local agencies and school districts for those costs shall be made
32 pursuant to Part 7 (commencing with Section 17500) of Division
33 4 of Title 2 of the Government Code.
