

Assembly Bill No. 1131

CHAPTER 747

An act to amend Sections 8100, 8102, 8103, 8104, and 8105 of the Welfare and Institutions Code, relating to firearms.

[Approved by Governor October 11, 2013. Filed with
Secretary of State October 11, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1131, Skinner. Firearms.

(1) Existing law prohibits a person from possessing a firearm or deadly weapon for a period of 6 months whenever he or she communicates to a licensed psychotherapist a serious threat of physical violence against a reasonably identifiable victim or victims. Under existing law, a violation of this provision is a crime. Existing law allows a person subject to these provisions to petition the superior court of his or her county for an order that he or she may possess a firearm, as provided.

This bill would increase the prohibitory period from 6 months to 5 years. By increasing the scope of an existing crime, this bill would impose a state-mandated local program. This bill would revise the provisions allowing a person to petition the court for an order that would allow him or her to possess a firearm to conform with other provisions of existing law.

(2) Existing law requires that if a person who has been detained or apprehended for examination of his or her mental condition, or who is a mentally ill individual prohibited from possessing firearms, is found to own or possess a firearm, a law enforcement agency or peace officer is required to confiscate the firearm. Existing law requires the peace officer or law enforcement agency, upon confiscation of that firearm from a person who has been detained or apprehended for examination of his or her mental condition, to notify the person of the procedure for the return of the firearm.

Existing law prescribes specified requirements that govern the return of confiscated firearms in the custody or control of a court or law enforcement agency. Under these provisions of law, a person who wishes to have the firearm returned is required to submit a specified application and fee to the Department of Justice, and to meet specified criteria.

This bill would apply these requirements to persons who have been detained or apprehended for examination and mentally ill individuals who are prohibited from possessing firearms who have had their firearms confiscated. The bill would provide additional procedures for the disposition of a firearm that is not returned to the person, as specified. By creating new notification duties for peace officers and law enforcement agencies, this bill would impose a state-mandated local program.

(3) Existing law requires reports to be submitted immediately to the Department of Justice in connection with mentally ill individuals who are prohibited from possessing firearms and dangerous weapons.

This bill would revise those provisions to require a court to provide specified notices to the department as soon as possible, but not exceeding 2 court days, and would require submission of reports by specified facilities to the department within 24 hours. The bill would require notices and reports submitted to the Department of Justice in connection with these provisions to be submitted in an electronic format, in a manner prescribed by the Department of Justice.

(4) Existing law prohibits a person from possessing a firearm or deadly weapon for a period of 6 months when the person has communicated a serious threat of physical violence against a reasonably identifiable victim or victims to a licensed psychotherapist. Existing law requires the licensed psychotherapist to immediately report the identity of the person to a local law enforcement agency, and requires the local law enforcement agency to immediately notify the Department of Justice.

This bill would instead require the licensed psychotherapist to make the report to local law enforcement within 24 hours, in a manner prescribed by the department. The bill would require the local law enforcement agency receiving the report to notify the department electronically within 24 hours, in a manner prescribed by the department.

(5) This bill would incorporate changes to Section 8103 of the Welfare and Institutions Code proposed by SB 755, that would become operative on the date this bill becomes operative only if SB 755 and this bill are both chaptered and become effective on or before January 1, 2014, and this bill is chaptered last.

(6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

SECTION 1. Section 8100 of the Welfare and Institutions Code is amended to read:

8100. (a) A person shall not have in his or her possession or under his or her custody or control, or purchase or receive, or attempt to purchase or receive, any firearms whatsoever or any other deadly weapon, if on or after January 1, 1992, he or she has been admitted to a facility and is receiving inpatient treatment and, in the opinion of the attending health professional

who is primarily responsible for the patient's treatment of a mental disorder, is a danger to self or others, as specified by Section 5150, 5250, or 5300, even though the patient has consented to that treatment. A person is not subject to the prohibition in this subdivision after he or she is discharged from the facility.

(b) (1) A person shall not have in his or her possession or under his or her custody or control, or purchase or receive, or attempt to purchase or receive, any firearms whatsoever or any other deadly weapon for a period of five years if, on or after January 1, 2014, he or she communicates to a licensed psychotherapist, as defined in subdivisions (a) to (e), inclusive, of Section 1010 of the Evidence Code, a serious threat of physical violence against a reasonably identifiable victim or victims. The five-year period shall commence from the date that the licensed psychotherapist reports to the local law enforcement agency the identity of the person making the communication. The prohibition provided for in this subdivision shall not apply unless the licensed psychotherapist notifies a local law enforcement agency of the threat by that person. The person, however, may own, possess, have custody or control over, or receive or purchase any firearm if a superior court, pursuant to paragraph (3) and upon petition of the person, has found, by a preponderance of the evidence, that the person is likely to use firearms or other deadly weapons in a safe and lawful manner.

(2) Upon receipt of the report from the local law enforcement agency pursuant to subdivision (c) of Section 8105, the Department of Justice shall notify by certified mail, return receipt requested, a person subject to this subdivision of the following:

(A) That he or she is prohibited from possessing, having custody or control over, receiving, or purchasing any firearm or other deadly weapon for a period of five years commencing from the date that the licensed psychotherapist reports to the local law enforcement agency the identity of the person making the communication. The notice shall state the date when the prohibition commences and ends.

(B) That he or she may petition a court, as provided in this subdivision, for an order permitting the person to own, possess, control, receive, or purchase a firearm.

(3) (A) Any person who is subject to paragraph (1) may petition the superior court of his or her county of residence for an order that he or she may own, possess, have custody or control over, receive, or purchase firearms. At the time the petition is filed, the clerk of the court shall set a hearing date and notify the person, the Department of Justice, and the district attorney. The people of the State of California shall be the respondent in the proceeding and shall be represented by the district attorney. Upon motion of the district attorney, or upon its own motion, the superior court may transfer the petition to the county in which the person resided at the time of the statements, or the county in which the person made the statements. Within seven days after receiving notice of the petition, the Department of Justice shall file copies of the reports described in Section 8105 with the superior court. The reports shall be disclosed upon request to the person

and to the district attorney. The district attorney shall be entitled to a continuance of the hearing to a date of not less than 14 days after the district attorney is notified of the hearing date by the clerk of the court. The court, upon motion of the petitioner establishing that confidential information is likely to be discussed during the hearing that would cause harm to the person, shall conduct the hearing in camera with only the relevant parties present, unless the court finds that the public interest would be better served by conducting the hearing in public. Notwithstanding any other provision of law, declarations, police reports, including criminal history information, and any other material and relevant evidence that is not excluded under Section 352 of the Evidence Code, shall be admissible at the hearing under this paragraph.

(B) The people shall bear the burden of showing by a preponderance of the evidence that the person would not be likely to use firearms in a safe and lawful manner.

(C) If the court finds at the hearing that the people have not met their burden as set forth in subparagraph (B), the court shall order that the person shall not be subject to the five-year prohibition in this section on the ownership, control, receipt, possession, or purchase of firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(D) If the district attorney declines or fails to go forward in the hearing, the court shall order that the person shall not be subject to the five-year prohibition required by this subdivision on the ownership, control, receipt, possession, or purchase of firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall, within 15 days, delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(E) Nothing in this subdivision shall prohibit the use of reports filed pursuant to this section to determine the eligibility of a person to own, possess, control, receive, or purchase a firearm if the person is the subject of a criminal investigation, a part of which involves the ownership, possession, control, receipt, or purchase of a firearm.

(c) "Discharge," for the purposes of this section, does not include a leave of absence from a facility.

(d) "Attending health care professional," as used in this section, means the licensed health care professional primarily responsible for the person's treatment who is qualified to make the decision that the person has a mental disorder and has probable cause to believe that the person is a danger to self or others.

(e) “Deadly weapon,” as used in this section and in Sections 8101, 8102, and 8103, means any weapon, the possession or concealed carrying of which is prohibited by any provision listed in Section 16590 of the Penal Code.

(f) “Danger to self,” as used in subdivision (a), means a voluntary person who has made a serious threat of, or attempted, suicide with the use of a firearm or other deadly weapon.

(g) A violation of subdivision (a) of, or paragraph (1) of subdivision (b) of, this section shall be a public offense, punishable by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code, or in a county jail for not more than one year, by a fine not exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine.

(h) The prohibitions set forth in this section shall be in addition to those set forth in Section 8103.

(i) Any person admitted and receiving treatment prior to January 1, 1992, shall be governed by this section, as amended by Chapter 1090 of the Statutes of 1990, until discharged from the facility.

SEC. 2. Section 8102 of the Welfare and Institutions Code is amended to read:

8102. (a) Whenever a person, who has been detained or apprehended for examination of his or her mental condition or who is a person described in Section 8100 or 8103, is found to own, have in his or her possession or under his or her control, any firearm whatsoever, or any other deadly weapon, the firearm or other deadly weapon shall be confiscated by any law enforcement agency or peace officer, who shall retain custody of the firearm or other deadly weapon.

“Deadly weapon,” as used in this section, has the meaning prescribed by Section 8100.

(b) (1) Upon confiscation of any firearm or other deadly weapon from a person who has been detained or apprehended for examination of his or her mental condition, the peace officer or law enforcement agency shall issue a receipt describing the deadly weapon or any firearm and listing any serial number or other identification on the firearm and shall notify the person of the procedure for the return, sale, transfer, or destruction of any firearm or other deadly weapon which has been confiscated. A peace officer or law enforcement agency that provides the receipt and notification described in Section 33800 of the Penal Code satisfies the receipt and notice requirements.

(2) If the person is released, the professional person in charge of the facility, or his or her designee, shall notify the person of the procedure for the return of any firearm or other deadly weapon which may have been confiscated.

(3) Health facility personnel shall notify the confiscating law enforcement agency upon release of the detained person, and shall make a notation to the effect that the facility provided the required notice to the person regarding the procedure to obtain return of any confiscated firearm.

(4) For purposes of this subdivision, the procedure for the return, sale, or transfer of confiscated firearms includes the procedures described in this

section and the procedures described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code.

(5) In lieu of destroying a firearm that has been confiscated pursuant to this section that is a nuisance, unclaimed, abandoned, or otherwise subject to destruction, a law enforcement agency may retain or transfer the firearm as provided in Section 34005 of the Penal Code.

(c) Upon the release of a person as described in subdivision (b), the confiscating law enforcement agency shall have 30 days to initiate a petition in the superior court for a hearing to determine whether the return of a firearm or other deadly weapon would be likely to result in endangering the person or others, and to send a notice advising the person of his or her right to a hearing on this issue. The law enforcement agency may make an ex parte application stating good cause for an order extending the time to file a petition. Including any extension of time granted in response to an ex parte request, a petition shall be filed within 60 days of the release of the person from a health facility.

(d) If the law enforcement agency does not initiate proceedings within the 30-day period, or the period of time authorized by the court in an ex parte order issued pursuant to subdivision (c), it shall make the weapon available for return upon compliance with all applicable requirements, including the requirements specified in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code.

(e) The law enforcement agency shall inform the person that he or she has 30 days to respond to the court clerk to confirm his or her desire for a hearing, and that the failure to respond will result in a default order forfeiting the confiscated firearm or weapon. For a confiscated firearm, the period of forfeiture is 180 days pursuant to Section 33875 of the Penal Code, unless the person contacts the law enforcement agency to facilitate the sale or transfer of the firearm to a licensed dealer pursuant to Section 33870 of the Penal Code. For the purpose of this subdivision, the person's last known address shall be the address provided to the law enforcement officer by the person at the time of the person's detention or apprehension.

(f) If the person responds and requests a hearing, the court clerk shall set a hearing, no later than 30 days from receipt of the request. The court clerk shall notify the person and the district attorney of the date, time, and place of the hearing.

(g) If the person does not respond within 30 days of the notice, the law enforcement agency may file a petition for order of default, allowing the law enforcement agency to destroy the firearm in 180 days from the date the court enters default unless the person contacts the law enforcement agency to facilitate the sale or transfer of the firearm to a licensed dealer pursuant to Section 33870 of the Penal Code.

(h) If, after a hearing, the court determines that the return of the firearm or other deadly weapon would likely endanger the person or others, the law enforcement agency may destroy the firearm within 180 days from the date that the court makes that determination, unless the person contacts the law

enforcement agency to facilitate the sale or transfer of the firearm to a licensed dealer pursuant to Section 33870 of the Penal Code.

SEC. 3. Section 8103 of the Welfare and Institutions Code is amended to read:

8103. (a) (1) No person who after October 1, 1955, has been adjudicated by a court of any state to be a danger to others as a result of a mental disorder or mental illness, or who has been adjudicated to be a mentally disordered sex offender, shall purchase or receive, or attempt to purchase or receive, or have in his or her possession, custody, or control any firearm or any other deadly weapon unless there has been issued to the person a certificate by the court of adjudication upon release from treatment or at a later date stating that the person may possess a firearm or any other deadly weapon without endangering others, and the person has not, subsequent to the issuance of the certificate, again been adjudicated by a court to be a danger to others as a result of a mental disorder or mental illness.

(2) The court shall notify the Department of Justice of the court order finding the individual to be a person described in paragraph (1) as soon as possible, but not later than two court days after issuing the order. The court shall also notify the Department of Justice of any certificate issued as described in paragraph (1) as soon as possible, but not later than two court days after issuing the certificate.

(b) (1) No person who has been found, pursuant to Section 1026 of the Penal Code or the law of any other state or the United States, not guilty by reason of insanity of murder, mayhem, a violation of Section 207, 209, or 209.5 of the Penal Code in which the victim suffers intentionally inflicted great bodily injury, carjacking or robbery in which the victim suffers great bodily injury, a violation of Section 451 or 452 of the Penal Code involving a trailer coach, as defined in Section 635 of the Vehicle Code, or any dwelling house, a violation of paragraph (1) or (2) of subdivision (a) of Section 262 or paragraph (2) or (3) of subdivision (a) of Section 261 of the Penal Code, a violation of Section 459 of the Penal Code in the first degree, assault with intent to commit murder, a violation of Section 220 of the Penal Code in which the victim suffers great bodily injury, a violation of Section 18715, 18725, 18740, 18745, 18750, or 18755 of the Penal Code, or of a felony involving death, great bodily injury, or an act which poses a serious threat of bodily harm to another person, or a violation of the law of any other state or the United States that includes all the elements of any of the above felonies as defined under California law, shall purchase or receive, or attempt to purchase or receive, or have in his or her possession or under his or her custody or control any firearm or any other deadly weapon.

(2) The court shall notify the Department of Justice of the court order finding the person to be a person described in paragraph (1) as soon as possible, but not later than two court days after issuing the order.

(c) (1) No person who has been found, pursuant to Section 1026 of the Penal Code or the law of any other state or the United States, not guilty by reason of insanity of any crime other than those described in subdivision (b) shall purchase or receive, or attempt to purchase or receive, or shall have

in his or her possession, custody, or control any firearm or any other deadly weapon unless the court of commitment has found the person to have recovered sanity, pursuant to Section 1026.2 of the Penal Code or the law of any other state or the United States.

(2) The court shall notify the Department of Justice of the court order finding the person to be a person described in paragraph (1) as soon as possible, but not later than two court days after issuing the order. The court shall also notify the Department of Justice when it finds that the person has recovered his or her sanity as soon as possible, but not later than two court days after making the finding.

(d) (1) No person found by a court to be mentally incompetent to stand trial, pursuant to Section 1370 or 1370.1 of the Penal Code or the law of any other state or the United States, shall purchase or receive, or attempt to purchase or receive, or shall have in his or her possession, custody, or control, any firearm or any other deadly weapon, unless there has been a finding with respect to the person of restoration to competence to stand trial by the committing court, pursuant to Section 1372 of the Penal Code or the law of any other state or the United States.

(2) The court shall notify the Department of Justice of the court order finding the person to be mentally incompetent as described in paragraph (1) as soon as possible, but not later than two court days after issuing the order. The court shall also notify the Department of Justice when it finds that the person has recovered his or her competence as soon as possible, but not later than two court days after making the finding.

(e) (1) No person who has been placed under conservatorship by a court, pursuant to Section 5350 or the law of any other state or the United States, because the person is gravely disabled as a result of a mental disorder or impairment by chronic alcoholism, shall purchase or receive, or attempt to purchase or receive, or shall have in his or her possession, custody, or control, any firearm or any other deadly weapon while under the conservatorship if, at the time the conservatorship was ordered or thereafter, the court which imposed the conservatorship found that possession of a firearm or any other deadly weapon by the person would present a danger to the safety of the person or to others. Upon placing any person under conservatorship, and prohibiting firearm or any other deadly weapon possession by the person, the court shall notify the person of this prohibition.

(2) The court shall notify the Department of Justice of the court order placing the person under conservatorship and prohibiting firearm or any other deadly weapon possession by the person as described in paragraph (1) as soon as possible, but not later than two court days after placing the person under conservatorship. The notice shall include the date the conservatorship was imposed and the date the conservatorship is to be terminated. If the conservatorship is subsequently terminated before the date listed in the notice to the Department of Justice or the court subsequently finds that possession of a firearm or any other deadly weapon by the person would no longer present a danger to the safety of the person or others, the

court shall notify the Department of Justice as soon as possible, but not later than two court days after terminating the conservatorship.

(3) All information provided to the Department of Justice pursuant to paragraph (2) shall be kept confidential, separate, and apart from all other records maintained by the Department of Justice, and shall be used only to determine eligibility to purchase or possess firearms or other deadly weapons. Any person who knowingly furnishes that information for any other purpose is guilty of a misdemeanor. All the information concerning any person shall be destroyed upon receipt by the Department of Justice of notice of the termination of conservatorship as to that person pursuant to paragraph (2).

(f) (1) No person who has been (A) taken into custody as provided in Section 5150 because that person is a danger to himself, herself, or to others, (B) assessed within the meaning of Section 5151, and (C) admitted to a designated facility within the meaning of Sections 5151 and 5152 because that person is a danger to himself, herself, or others, shall own, possess, control, receive, or purchase, or attempt to own, possess, control, receive, or purchase any firearm for a period of five years after the person is released from the facility. A person described in the preceding sentence, however, may own, possess, control, receive, or purchase, or attempt to own, possess, control, receive, or purchase any firearm if the superior court has, pursuant to paragraph (5), found that the people of the State of California have not met their burden pursuant to paragraph (6).

(2) (A) For each person subject to this subdivision, the facility shall, within 24 hours of the time of admission, submit a report to the Department of Justice, on a form prescribed by the Department of Justice, containing information that includes, but is not limited to, the identity of the person and the legal grounds upon which the person was admitted to the facility.

Any report submitted pursuant to this paragraph shall be confidential, except for purposes of the court proceedings described in this subdivision and for determining the eligibility of the person to own, possess, control, receive, or purchase a firearm.

(B) Commencing July 1, 2012, facilities shall submit reports pursuant to this paragraph exclusively by electronic means, in a manner prescribed by the Department of Justice.

(3) Prior to, or concurrent with, the discharge, the facility shall inform a person subject to this subdivision that he or she is prohibited from owning, possessing, controlling, receiving, or purchasing any firearm for a period of five years. Simultaneously, the facility shall inform the person that he or she may request a hearing from a court, as provided in this subdivision, for an order permitting the person to own, possess, control, receive, or purchase a firearm. The facility shall provide the person with a form for a request for a hearing. The Department of Justice shall prescribe the form. Where the person requests a hearing at the time of discharge, the facility shall forward the form to the superior court unless the person states that he or she will submit the form to the superior court.

(4) The Department of Justice shall provide the form upon request to any person described in paragraph (1). The Department of Justice shall also

provide the form to the superior court in each county. A person described in paragraph (1) may make a single request for a hearing at any time during the five-year period. The request for hearing shall be made on the form prescribed by the department or in a document that includes equivalent language.

(5) Any person who is subject to paragraph (1) who has requested a hearing from the superior court of his or her county of residence for an order that he or she may own, possess, control, receive, or purchase firearms shall be given a hearing. The clerk of the court shall set a hearing date and notify the person, the Department of Justice, and the district attorney. The people of the State of California shall be the plaintiff in the proceeding and shall be represented by the district attorney. Upon motion of the district attorney, or on its own motion, the superior court may transfer the hearing to the county in which the person resided at the time of his or her detention, the county in which the person was detained, or the county in which the person was evaluated or treated. Within seven days after the request for a hearing, the Department of Justice shall file copies of the reports described in this section with the superior court. The reports shall be disclosed upon request to the person and to the district attorney. The court shall set the hearing within 30 days of receipt of the request for a hearing. Upon showing good cause, the district attorney shall be entitled to a continuance not to exceed 14 days after the district attorney was notified of the hearing date by the clerk of the court. If additional continuances are granted, the total length of time for continuances shall not exceed 60 days. The district attorney may notify the county mental health director of the hearing who shall provide information about the detention of the person that may be relevant to the court and shall file that information with the superior court. That information shall be disclosed to the person and to the district attorney. The court, upon motion of the person subject to paragraph (1) establishing that confidential information is likely to be discussed during the hearing that would cause harm to the person, shall conduct the hearing in camera with only the relevant parties present, unless the court finds that the public interest would be better served by conducting the hearing in public. Notwithstanding any other law, declarations, police reports, including criminal history information, and any other material and relevant evidence that is not excluded under Section 352 of the Evidence Code shall be admissible at the hearing under this section.

(6) The people shall bear the burden of showing by a preponderance of the evidence that the person would not be likely to use firearms in a safe and lawful manner.

(7) If the court finds at the hearing set forth in paragraph (5) that the people have not met their burden as set forth in paragraph (6), the court shall order that the person shall not be subject to the five-year prohibition in this section on the ownership, control, receipt, possession, or purchase of firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order,

the Department of Justice shall delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(8) Where the district attorney declines or fails to go forward in the hearing, the court shall order that the person shall not be subject to the five-year prohibition required by this subdivision on the ownership, control, receipt, possession, or purchase of firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall, within 15 days, delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms.

(9) Nothing in this subdivision shall prohibit the use of reports filed pursuant to this section to determine the eligibility of persons to own, possess, control, receive, or purchase a firearm if the person is the subject of a criminal investigation, a part of which involves the ownership, possession, control, receipt, or purchase of a firearm.

(g) (1) No person who has been certified for intensive treatment under Section 5250, 5260, or 5270.15 shall own, possess, control, receive, or purchase, or attempt to own, possess, control, receive, or purchase, any firearm for a period of five years.

Any person who meets the criteria contained in subdivision (e) or (f) who is released from intensive treatment shall nevertheless, if applicable, remain subject to the prohibition contained in subdivision (e) or (f).

(2) (A) For each person certified for intensive treatment under paragraph (1), the facility shall, within 24 hours of the certification, submit a report to the Department of Justice, on a form prescribed by the department, containing information regarding the person, including, but not limited to, the legal identity of the person and the legal grounds upon which the person was certified. Any report submitted pursuant to this paragraph shall only be used for the purposes specified in paragraph (2) of subdivision (f).

(B) Commencing July 1, 2012, facilities shall submit reports pursuant to this paragraph exclusively by electronic means, in a manner prescribed by the Department of Justice.

(3) Prior to, or concurrent with, the discharge of each person certified for intensive treatment under paragraph (1), the facility shall inform the person of that information specified in paragraph (3) of subdivision (f).

(4) Any person who is subject to paragraph (1) may petition the superior court of his or her county of residence for an order that he or she may own, possess, control, receive, or purchase firearms. At the time the petition is filed, the clerk of the court shall set a hearing date and notify the person, the Department of Justice, and the district attorney. The people of the State of California shall be the respondent in the proceeding and shall be represented by the district attorney. Upon motion of the district attorney, or on its own motion, the superior court may transfer the petition to the

county in which the person resided at the time of his or her detention, the county in which the person was detained, or the county in which the person was evaluated or treated. Within seven days after receiving notice of the petition, the Department of Justice shall file copies of the reports described in this section with the superior court. The reports shall be disclosed upon request to the person and to the district attorney. The district attorney shall be entitled to a continuance of the hearing to a date of not less than 14 days after the district attorney was notified of the hearing date by the clerk of the court. The district attorney may notify the county mental health director of the petition, and the county mental health director shall provide information about the detention of the person that may be relevant to the court and shall file that information with the superior court. That information shall be disclosed to the person and to the district attorney. The court, upon motion of the person subject to paragraph (1) establishing that confidential information is likely to be discussed during the hearing that would cause harm to the person, shall conduct the hearing in camera with only the relevant parties present, unless the court finds that the public interest would be better served by conducting the hearing in public. Notwithstanding any other provision of law, any declaration, police reports, including criminal history information, and any other material and relevant evidence that is not excluded under Section 352 of the Evidence Code, shall be admissible at the hearing under this section. If the court finds by a preponderance of the evidence that the person would be likely to use firearms in a safe and lawful manner, the court may order that the person may own, control, receive, possess, or purchase firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(h) (1) For all persons identified in subdivisions (f) and (g), facilities shall report to the Department of Justice as specified in those subdivisions, except facilities shall not report persons under subdivision (g) if the same persons previously have been reported under subdivision (f).

(2) Additionally, all facilities shall report to the Department of Justice upon the discharge of persons from whom reports have been submitted pursuant to subdivision (f) or (g). However, a report shall not be filed for persons who are discharged within 31 days after the date of admission.

(2) The court shall notify the Department of Justice of the court order placing the person under conservatorship and prohibiting firearm or any other deadly weapon possession by the person as described in paragraph (1) as soon as possible, but not later than two court days after placing the person under conservatorship. court shall notify the Department of Justice as soon as possible, but not later than two court days after terminating the conservatorship.

(3) All information provided to the Department of Justice pursuant to paragraph (2) shall be kept confidential, separate, and apart from all other records maintained by the Department of Justice, and shall be used only to determine eligibility to purchase or possess firearms or other deadly weapons. Any person who knowingly furnishes that information for any other purpose is guilty of a misdemeanor. All the information concerning any person shall be destroyed upon receipt by the Department of Justice of notice of the termination of conservatorship as to that person pursuant to paragraph (2).

A person described in the preceding sentence, however, may own, possess, control, receive, or purchase, or attempt to own, possess, control, receive, or purchase any firearm if the superior court has, pursuant to paragraph (5), found that the people of the State of California have not met their burden pursuant to paragraph (6).

(2) (A) For each person subject to this subdivision, the facility shall, within 24 hours of the time of admission, submit a report to the Department of Justice, on a form prescribed by the Department of Justice, containing information that includes, but is not limited to, the identity of the person and the legal grounds upon which the person was admitted to the facility.

Any report submitted pursuant to this paragraph shall be confidential, except for purposes of the court proceedings described in this subdivision and for determining the eligibility of the person to own, possess, control, receive, or purchase a firearm.

(B) Commencing July 1, 2012, facilities shall submit reports pursuant to this paragraph exclusively by electronic means, in a manner prescribed by the Department of Justice.

(3) Prior to, or concurrent with, the discharge, the facility shall inform a person subject to this subdivision that he or she is prohibited from owning, possessing, controlling, receiving, or purchasing any firearm for a period of five years. Simultaneously, the facility shall inform the person that he or she may request a hearing from a court, as provided in this subdivision, for an order permitting the person to own, possess, control, receive, or purchase a firearm. The facility shall provide the person with a form for a request for a hearing. The Department of Justice shall prescribe the form. Where the person requests a hearing at the time of discharge, the facility shall forward the form to the superior court unless the person states that he or she will submit the form to the superior court.

(4) The Department of Justice shall provide the form upon request to any person described in paragraph (1). The Department of Justice shall also

provide the form to the superior court in each county. A person described in paragraph (1) may make a single request for a hearing at any time during the five-year period. The request for hearing shall be made on the form prescribed by the department or in a document that includes equivalent language.

(5) Any person who is subject to paragraph (1) who has requested a hearing from the superior court of his or her county of residence for an order that he or she may own, possess, control, receive, or purchase firearms shall be given a hearing. The clerk of the court shall set a hearing date and notify the person, the Department of Justice, and the district attorney. The people of the State of California shall be the plaintiff in the proceeding and shall be represented by the district attorney. Upon motion of the district attorney, or on its own motion, the superior court may transfer the hearing to the county in which the person resided at the time of his or her detention, the county in which the person was detained, or the county in which the person was evaluated or treated. Within seven days after the request for a hearing, the Department of Justice shall file copies of the reports described in this section with the superior court. The reports shall be disclosed upon request to the person and to the district attorney. The court shall set the hearing within 30 days of receipt of the request for a hearing. Upon showing good cause, the district attorney shall be entitled to a continuance not to exceed 14 days after the district attorney was notified of the hearing date by the clerk of the court. If additional continuances are granted, the total length of time for continuances shall not exceed 60 days. The district attorney may notify the county mental health director of the hearing who shall provide information about the detention of the person that may be relevant to the court and shall file that information with the superior court. That information shall be disclosed to the person and to the district attorney. The court, upon motion of the person subject to paragraph (1) establishing that confidential information is likely to be discussed during the hearing that would cause harm to the person, shall conduct the hearing in camera with only the relevant parties present, unless the court finds that the public interest would be better served by conducting the hearing in public. Notwithstanding any other law, declarations, police reports, including criminal history information, and any other material and relevant evidence that is not excluded under Section 352 of the Evidence Code shall be admissible at the hearing under this section.

(6) The people shall bear the burden of showing by a preponderance of the evidence that the person would not be likely to use firearms in a safe and lawful manner.

(7) If the court finds at the hearing set forth in paragraph (5) that the people have not met their burden as set forth in paragraph (6), the court shall order that the person shall not be subject to the five-year prohibition in this section on the ownership, control, receipt, possession, or purchase of firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order,

the Department of Justice shall delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(8) Where the district attorney declines or fails to go forward in the hearing, the court shall order that the person shall not be subject to the five-year prohibition required by this subdivision on the ownership, control, receipt, possession, or purchase of firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall, within 15 days, delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms.

(9) Nothing in this subdivision shall prohibit the use of reports filed pursuant to this section to determine the eligibility of persons to own, possess, control, receive, or purchase a firearm if the person is the subject of a criminal investigation, a part of which involves the ownership, possession, control, receipt, or purchase of a firearm.

(g) (1) No person who has been certified for intensive treatment under Section 5250, 5260, or 5270.15 shall own, possess, control, receive, or purchase, or attempt to own, possess, control, receive, or purchase, any firearm for a period of five years.

Any person who meets the criteria contained in subdivision (e) or (f) who is released from intensive treatment shall nevertheless, if applicable, remain subject to the prohibition contained in subdivision (e) or (f).

(2) (A) For each person certified for intensive treatment under paragraph (1), the facility shall, within 24 hours of the certification, submit a report to the Department of Justice, on a form prescribed by the department, containing information regarding the person, including, but not limited to, the legal identity of the person and the legal grounds upon which the person was certified. Any report submitted pursuant to this paragraph shall only be used for the purposes specified in paragraph (2) of subdivision (f).

(B) Commencing July 1, 2012, facilities shall submit reports pursuant to this paragraph exclusively by electronic means, in a manner prescribed by the Department of Justice.

(3) Prior to, or concurrent with, the discharge of each person certified for intensive treatment under paragraph (1), the facility shall inform the person of that information specified in paragraph (3) of subdivision (f).

(4) Any person who is subject to paragraph (1) may petition the superior court of his or her county of residence for an order that he or she may own, possess, control, receive, or purchase firearms. At the time the petition is filed, the clerk of the court shall set a hearing date and notify the person, the Department of Justice, and the district attorney. The people of the State of California shall be the respondent in the proceeding and shall be represented by the district attorney. Upon motion of the district attorney, or on its own motion, the superior court may transfer the petition to the

county in which the person resided at the time of his or her detention, the county in which the person was detained, or the county in which the person was evaluated or treated. Within seven days after receiving notice of the petition, the Department of Justice shall file copies of the reports described in this section with the superior court. The reports shall be disclosed upon request to the person and to the district attorney. The district attorney shall be entitled to a continuance of the hearing to a date of not less than 14 days after the district attorney was notified of the hearing date by the clerk of the court. The district attorney may notify the county mental health director of the petition, and the county mental health director shall provide information about the detention of the person that may be relevant to the court and shall file that information with the superior court. That information shall be disclosed to the person and to the district attorney. The court, upon motion of the person subject to paragraph (1) establishing that confidential information is likely to be discussed during the hearing that would cause harm to the person, shall conduct the hearing in camera with only the relevant parties present, unless the court finds that the public interest would be better served by conducting the hearing in public. Notwithstanding any other provision of law, any declaration, police reports, including criminal history information, and any other material and relevant evidence that is not excluded under Section 352 of the Evidence Code, shall be admissible at the hearing under this section. If the court finds by a preponderance of the evidence that the person would be likely to use firearms in a safe and lawful manner, the court may order that the person may own, control, receive, possess, or purchase firearms, and that person shall comply with the procedure described in Chapter 2 (commencing with Section 33850) of Division 11 of Title 4 of Part 6 of the Penal Code for the return of any firearms. A copy of the order shall be submitted to the Department of Justice. Upon receipt of the order, the Department of Justice shall delete any reference to the prohibition against firearms from the person's state mental health firearms prohibition system information.

(h) (1) For all persons identified in subdivisions (f) and (g), facilities shall report to the Department of Justice as specified in those subdivisions, except facilities shall not report persons under subdivision (g) if the same persons previously have been reported under subdivision (f).

(2) Additionally, all facilities shall report to the Department of Justice upon the discharge of persons from whom reports have been submitted pursuant to subdivision (f) or (g). However, a report shall not be filed for persons who are discharged within 31 days after the date of admission.

(i) (1) No person who has been ordered by a court to obtain assisted outpatient treatment pursuant to Article 9 (commencing with Section 5345) of Chapter 2 of Part 1 of Division 5 shall purchase or receive, or attempt to purchase or receive, or shall have in his or her possession, custody, or control, any firearm or any other deadly weapon while subject to assisted outpatient treatment. Upon placing any person under assisted outpatient treatment, the court shall notify the person of this prohibition.

(2) The court shall notify the Department of Justice of the court order placing the person in assisted outpatient treatment and prohibiting firearm or any other deadly weapon possession by the person described in paragraph (1) within two days of the order. The court shall also notify the Department of Justice when the person subject to paragraph (1) is no longer subject to assisted outpatient treatment. Any report submitted pursuant to this paragraph shall be confidential, except for purposes of the court proceedings specified in this subdivision and for purposes of determining the eligibility of the person to own, possess, control, receive, or purchase a firearm.

(j) Every person who owns or possesses or has under his or her custody or control, or purchases or receives, or attempts to purchase or receive, any firearm or any other deadly weapon in violation of this section shall be punished by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code or in a county jail for not more than one year.

(k) “Deadly weapon,” as used in this section, has the meaning prescribed by Section 8100.

(l) Any notice or report required to be submitted to the Department of Justice pursuant to this section shall be submitted in an electronic format, in a manner prescribed by the Department of Justice.
