

ASSEMBLY BILL

No. 1149

Introduced by Assembly Member Campos

February 22, 2013

An act to amend Section 1798.29 of the Civil Code, relating to identity theft.

LEGISLATIVE COUNSEL'S DIGEST

AB 1149, as introduced, Campos. Identity theft: local agencies.

Existing law requires any state office, officer, or executive agency that owns or licenses computerized data that includes personal information to disclose any breach of the security of the system following discovery or notification of the breach in the security of the data to any resident of California whose unencrypted personal information was, or is reasonably believed to have been, acquired by an unauthorized person.

This bill would expand this disclosure requirement to apply to a breach of computerized data that is owned or licensed by a local agency. The bill would create a state-mandated local program by imposing new duties on local agencies.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1798.29 of the Civil Code is amended
2 to read:

3 1798.29. (a) Any agency that owns or licenses computerized
4 data that includes personal information shall disclose any breach
5 of the security of the system following discovery or notification
6 of the breach in the security of the data to any resident of California
7 whose unencrypted personal information was, or is reasonably
8 believed to have been, acquired by an unauthorized person. The
9 disclosure shall be made in the most expedient time possible and
10 without unreasonable delay, consistent with the legitimate needs
11 of law enforcement, as provided in subdivision (c), or any measures
12 necessary to determine the scope of the breach and restore the
13 reasonable integrity of the data system.

14 (b) Any agency that maintains computerized data that includes
15 personal information that the agency does not own shall notify the
16 owner or licensee of the information of any breach of the security
17 of the data immediately following discovery, if the personal
18 information was, or is reasonably believed to have been, acquired
19 by an unauthorized person.

20 (c) The notification required by this section may be delayed if
21 a law enforcement agency determines that the notification will
22 impede a criminal investigation. The notification required by this
23 section shall be made after the law enforcement agency determines
24 that it will not compromise the investigation.

25 (d) Any agency that is required to issue a security breach
26 notification pursuant to this section shall meet all of the following
27 requirements:

28 (1) The security breach notification shall be written in plain
29 language.

30 (2) The security breach notification shall include, at a minimum,
31 the following information:

32 (A) The name and contact information of the reporting agency
33 subject to this section.

34 (B) A list of the types of personal information that were or are
35 reasonably believed to have been the subject of a breach.

36 (C) If the information is possible to determine at the time the
37 notice is provided, then any of the following: (i) the date of the
38 breach, (ii) the estimated date of the breach, or (iii) the date range

1 within which the breach occurred. The notification shall also
2 include the date of the notice.

3 (D) Whether the notification was delayed as a result of a law
4 enforcement investigation, if that information is possible to
5 determine at the time the notice is provided.

6 (E) A general description of the breach incident, if that
7 information is possible to determine at the time the notice is
8 provided.

9 (F) The toll-free telephone numbers and addresses of the major
10 credit reporting agencies, if the breach exposed a social security
11 number or a driver's license or California identification card
12 number.

13 (3) At the discretion of the agency, the security breach
14 notification may also include any of the following:

15 (A) Information about what the agency has done to protect
16 individuals whose information has been breached.

17 (B) Advice on steps that the person whose information has been
18 breached may take to protect himself or herself.

19 (e) Any agency that is required to issue a security breach
20 notification pursuant to this section to more than 500 California
21 residents as a result of a single breach of the security system shall
22 electronically submit a single sample copy of that security breach
23 notification, excluding any personally identifiable information, to

27 (f) For purposes of this section, "breach of the security of the
28 system" means unauthorized acquisition of computerized data that
29 compromises the security, confidentiality, or integrity of personal
30 information maintained by the agency. Good faith acquisition of
31 personal information by an employee or agent of the agency for
32 the purposes of the agency is not a breach of the security of the
33 system, provided that the personal information is not used or
34 subject to further unauthorized disclosure.

35 (g) For purposes of this section, "personal information" means
