AMENDED IN ASSEMBLY APRIL 9, 2013

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1151

Introduced by Assembly Member Ting

February 22, 2013

An act to add Chapter 14.5 (commencing with Section 22260) to Division 8 of the Business and Professions Code, relating to business.

LEGISLATIVE COUNSEL'S DIGEST

AB 1151, as amended, Ting. Tax agent registration.

Existing law requires every assessor to assess all property subject to general property taxation at its full value and to prepare an assessment roll in which all property within the county which it is the assessor's duty to assess is required to be listed. Existing law requires a county board of equalization or an assessment appeals board to equalize the valuation of taxable property within the county for the purpose of taxation. Existing law authorizes a taxpayer, with respect to each assessment year, to file an application for a reduction in an assessment, as provided, with the county board, which is the county board of supervisors meeting as a county board of equalization of an assessment appeals board.

This bill would, commencing July 1, ~~2015~~, 2014, prohibit a tax agent, defined as any individual who is employed, is under contract, or otherwise receives compensation to communicate directly with any county official for the purpose of influencing official action relating to the establishment of a taxable value for any property subject to taxation, from representing a taxpayer before a county official without first being

registered and issued a registration number by the Secretary of State. The bill would require a tax agent to file with the Secretary of State an application for registration that includes specified information and an unspecified registration fee. The bill would make the registration subject to biennial renewal and require the payment of an unspecified renewal fee ~~and proof of the completion of 8 hours of continuing education classes from providers approved by the State Board of Equalization.~~

This bill would require the Secretary of State to semiannually develop a list of registered tax agents and to make that list publicly available on its Internet Web site. The bill would authorize the Secretary of State to send a tax agent and the represented taxpayer a notice of noncompliance for the failure to comply with these provisions, as specified. The bill would also authorize the Attorney General to pursue civil fines for the failure to comply with these provisions subject to specified procedures. The bill would authorize the Secretary of State to adopt rules and regulations for the purpose of carrying out these provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
