An act to amend Section 17251.5 of the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1245, as introduced, V. Manuel Pérez. School facilities: construction.

Existing law states that, when exclusively using local funds for acquisition of a potential schoolsite, a school district is not required to receive final approval of a site by the State Department of Education prior to adopting a resolution of necessity in an eminent domain proceeding or prior to closing escrow on a site purchase through voluntary sale.

This bill would make nonsubstantive changes to that law.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

*The people of the State of California do enact as follows:*
