ASSEMBLY BILL

No. 1271

Introduced by Assembly Member Bonta

February 22, 2013

An act to amend Section 32282.1 of the Education Code, relating to school safety.

LEGISLATIVE COUNSEL'S DIGEST

AB 1271, as amended, Bonta. School safety plans: pupil mental health care: violent acts.

Existing law provides that school districts and county offices of education are responsible for the overall development of a comprehensive school safety plan for each of their constituent schools. Existing law requires the schoolsite council of a school to write and develop the comprehensive school safety plan relevant to the needs and resources of the particular school. Existing law requires schools to forward copies of their comprehensive school safety plans to the school district or county office of education for approval. Existing law encourages comprehensive school safety plans, as they are reviewed and updated, to include clear guidelines for the roles and responsibilities

of certain parties with school-related health and safety responsibilities and authorizes the inclusion in these plans of primary strategies for specified purposes.

~~This bill instead would require school districts and county offices of education to include in a school safety plan those guidelines for the roles and responsibilities of certain parties with school-related health and safety responsibilities. The bill also would require those guidelines to include protocols to address the mental health care of pupils who have witnessed a violent act at school, as specified. By adding to the duties of local educational agencies, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes-no~~. State-mandated local program: ~~yes-no~~.

The people of the State of California do enact as follows:
