No. 1322

**Introduced by Assembly Member Patterson
(Coauthor: Assembly Member Levine)**

February 22, 2013

An act to amend Section 16213 of, and to repeal and add Section 16180 of, the Government Code, and to amend and repeal Section 20623 of the Revenue and Taxation Code, relating to state government, and making an appropriation therefor, to take effect immediately, bill related to the budget.

LEGISLATIVE COUNSEL'S DIGEST

AB 1322, as introduced, Patterson. State Controller: property tax postponement.

The Senior Citizens and Disabled Citizens Property Tax Postponement Law, until February 20, 2009, authorized a claimant, as defined, to file a claim with the Controller to postpone the payment of ad valorem property taxes, where household income, as defined, did not exceed specified amounts. Existing law authorized the Controller, upon approval of the claim, to either make payment directly to specified entities, or to issue the claimant a certificate of eligibility that constituted a written promise of the state to pay the amount specified on the certificate, as provided. Existing law required these payments to be made out of specified funds appropriated to the Controller, as specified, and also required repaid property tax postponement payments to be paid into an impound account and transferred, as specified, to the General Fund.

Existing law, on and after February 20, 2009, prohibits a person from filing a claim for postponement, and prohibits the Controller from

accepting applications for postponement, under the Senior Citizens and Disabled Citizens Property Tax Postponement Law.

This bill would repeal the prohibition against a person filing a claim for postponement and the Controller from accepting applications for postponement under the program as of July 1, 2014.

This bill would create in the State Treasury a Senior Citizens and Disabled Citizens Property Tax Postponement Fund. The bill would require that repaid property tax postponement payments be transferred from the impound account to, or be directly deposited into, the newly created fund. The bill would continuously appropriate these funds to the Controller for purposes of administering the property tax postponement program, as specified.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Vote: majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.
