No. 1326

Introduced by Assembly Members Gorell and Bradford

February 22, 2013

An act to add and repeal Sections 6376.6, 17053.83, and 23623.3 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

AB 1326, as amended, Gorell. Sales and use taxes: exemptions: unmanned aerial vehicle manufacturing: income taxes: credits: hiring.

The Sales and Use Tax Law imposes a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, and provides various exemptions from the taxes imposed by that law.

This bill ~~would~~ *would*, for taxable years beginning on or after January 1, 2014, and before January 1, 2024, provide an exemption from those taxes for the gross receipts from the sale of, and the storage, use, or other consumption of, tangible personal property, as defined, purchased for use in unmanned aerial vehicle manufacturing by a qualified person, as defined. The bill would also exempt from those taxes the gross receipts from the sale of, and the storage, use, or other consumption of, tangible personal property purchased for use by a contractor, as specified, for a qualified person. The bill would require the purchaser to furnish the retailer with an exemption certificate, as specified.

~~The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts to impose transactions and use taxes in accordance with the Transactions and Use Tax Law which conforms to the Sales and Use Tax Law. Exemptions from state sales and use taxes are incorporated into these laws. Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.~~

~~This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for sales and use tax revenues lost by them pursuant to this bill.~~

The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts, as specified, to impose transactions and use taxes in accordance with the Transactions and Use Tax Law, which conforms to the Sales and Use Tax Law. Amendments to state sales and use taxes are incorporated into these laws.

Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse any local agencies for sales and use tax revenues lost by them pursuant to this bill.

The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws.

This bill would, under both laws, for taxable years beginning on or after January 1, 2014, and before January 1, 2024, allow a credit in an amount equal to a specified percentage of the qualified wages, as defined, paid or incurred by a taxpayer that manufactures unmanned aerial vehicles with respect to qualified employees, as defined, during the taxable year, not to exceed \$20,000 per year, per qualified employee.

This bill would take effect immediately as a tax levy.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

34 completed form, including packaging, if required. Raw materials
35 shall be considered to have been introduced into the process when
36 the raw materials are stored on the same premises where the
37 qualified person’s manufacturing activity is conducted. Raw
38 materials that are stored on premises, other than where the qualified

1 person’s manufacturing activity is conducted, shall not be
2 considered to have been introduced into the manufacturing process.

3 (4) (A) “Qualified person” means a person who is engaged in
4 the line of business described in Industry Group 336411 of the

27 established by this state or any local or regional governmental
28 agency within this state.

29 (iv) Special purpose buildings and foundations used as an

18 to some other use not qualifying for the exemption, or used in a
19 manner not qualifying for the exemption.

20 (e) If a purchaser certifies in writing to the seller that the
21 property purchased without payment of the tax will be used in a
22 manner entitling the seller to regard the gross receipts from the
23 sale as exempt from the sales tax, and within one year from the
