LEGISLATIVE COUNSEL'S DIGEST

AB 1366, as amended, Allen. Charter-party carriers of passengers: report by Public Utilities Commission.

Existing law establishes various exclusions to the act. Pursuant to existing law, the commission has opened Rulemaking 12-12-011 to assess public safety risks and to ensure that the safety of the public is not compromised in the operation of transportation services utilizing new transportation business models.

This bill would require the commission, by ~~January 1, 2014, to report to the Legislature summarizing February 1, 2014, to include in a specified annual report to the Legislature, a summary of the results and conclusions of the commission in Rulemaking 12-12-011, including any recommendations to the Legislature of proposed statutory changes.~~ The bill would repeal this requirement on January 1, 2018.
