

Assembly Bill No. 1506

CHAPTER 114

An act to add Section 32527.5 to the Public Resources Code, relating to the San Joaquin River Conservancy.

[Approved by Governor July 10, 2014. Filed with
Secretary of State July 10, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1506, Perea. San Joaquin River Conservancy: adoption of regulations: violations: penalties.

(1) Existing law establishes the San Joaquin River Conservancy in the Natural Resources Agency, and prescribes the membership and functions and duties of the conservancy. Existing law authorizes the conservancy to adopt and enforce regulations governing the use of San Joaquin Parkway lands and activities within the parkway, the protection and management of native riparian vegetation, wildlife, and other natural resources on parkway lands, and the protection of archaeological sites.

This bill would make a person who violates any of the posted regulations adopted by the conservancy governing lands owned or managed by the conservancy guilty of an infraction punishable by a maximum fine not exceeding \$250. By creating a new crime, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 32527.5 is added to the Public Resources Code, to read:

32527.5. (a) A person who violates any of the posted regulations adopted by the conservancy governing lands owned or managed by the conservancy is guilty of an infraction punishable by a fine not exceeding two hundred fifty dollars (\$250).

(b) Any regulation adopted by the conservancy governing lands owned or managed by the conservancy may be enforced by any duly authorized California peace officer.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that

may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
