## CHAPTER \_\_\_\_\_

An act to amend Section 13300 of, and to add Section 11105.07 to, the Penal Code, relating to criminal history information.

## LEGISLATIVE COUNSEL'S DIGEST

AB 1511, Beth Gaines. Criminal history information: animal control officers.

Existing law requires the Department of Justice to maintain state summary criminal history information, including the identification and criminal history of any person, which may include his or her name, date of birth, physical description, fingerprints, photographs, dates of arrest, arresting agencies and booking numbers, charges, dispositions, and similar data about the person. Existing law authorizes the department, upon a showing of compelling need, to furnish this information in response to a request from certain authorized agencies, organizations, or individuals, including a public utility.

Existing law similarly provides for the disclosure of local summary criminal history information by a local criminal justice agency, upon a showing of compelling need, to certain authorized agencies, organizations, or individuals.

Existing law makes it a misdemeanor for a person authorized by law to receive state summary criminal history information to knowingly furnish it to a person not authorized by law to receive it.

This bill would authorize an animal control officer, when necessary for the performance of his or her official duties, to obtain state summary criminal history information from a criminal justice agency. The bill would require the criminal justice agency, upon a showing of compelling need, to provide the animal control officer with state summary criminal history information obtained from the California Law Enforcement Telecommunication Systems (CLETS). The bill would require the criminal justice agency to provide this information to the animal control officer in a timely manner and would permit the criminal justice agency to charge a reasonable fee sufficient to cover the costs of providing that information. The bill would prohibit an animal control officer who

receives that information from using it for any purpose other than the performance of his or her official duties. By requiring local criminal justice agencies to provide this information and by expanding the scope of a crime, the bill would impose a state-mandated local program.

This bill would also authorize local criminal justice agencies to provide local summary criminal history information to an animal control officer for the purposes of performing his or her official duties. The bill would permit a local agency to charge a reasonable fee sufficient to cover the costs of providing that information. By requiring local criminal justice agencies to provide this information and by expanding the scope of a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for specified reasons.

*The people of the State of California do enact as follows:*

SECTION 1. Section 11105.07 is added to the Penal Code, to read:

11105.07. (a) An animal control officer, when necessary for performing his or her official duties, shall provide a compelling reason to an appropriate criminal justice agency to obtain state summary criminal history information.

(b) Upon a showing of compelling need, the criminal justice agency shall respond to the animal control officer with state summary criminal history information obtained through the California Law Enforcement Telecommunications Systems (CLETS). The criminal justice agency shall provide this information to the animal control officer in a timely manner. A criminal justice agency may charge a reasonable fee sufficient to cover the costs of providing information pursuant to this subdivision.

(c) An animal control officer who receives state summary criminal history information pursuant to this section shall not use

that information for any purpose other than for the performance of his or her official duties.

(d) A law enforcement officer or other person authorized by law to provide or receive information obtained through CLETS pursuant to this section who knowingly furnishes the record or information to a person who is not authorized by law to receive that information is guilty of violating Section 11142.

(e) For the purposes of this section, an animal control officer is a person authorized to exercise the powers specified in Section 830.9.

SEC. 2. Section 13300 of the Penal Code is amended to read:  
13300. (a) As used in this section:

(1) Any public utility, as defined in Section 216 of the Public Utilities Code, which operates a nuclear energy facility when access is needed to assist in employing persons to work at the facility, provided that, if the local agency supplies the information, it shall furnish a copy of this information to the person to whom the information relates.

(2) To a peace officer of the state other than those included in subdivision (b).

(3) An animal control officer, authorized to exercise powers specified in Section 830.9, for the purposes of performing his or her official duties. A local agency may charge a reasonable fee

(8) Peace officers of the United States, other states, or territories or possessions of the United States.

(9) To any individual who is the subject of the record requested when needed in conjunction with an application to enter the United States or any foreign nation.

(10) Any public utility, as defined in Section 216 of the Public Utilities Code, when access is needed to assist in employing persons who will be seeking entrance to private residences in the course of their employment. The information provided shall be limited to the record of convictions and any arrest for which the person is released on bail or on his or her own recognizance pending trial.

If the local agency supplies the information pursuant to this paragraph, it shall furnish a copy of the information to the person to whom the information relates.

Any information obtained from the local summary criminal history is confidential and the receiving public utility shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the public utility and all copies made from it shall be destroyed 30 days after employment is denied or granted, including any appeal periods, except for those cases where an employee or applicant is out on bail or on his or her own recognizance pending trial, in which case the state summary

criminal history information and all copies shall be destroyed 30 days after the case is resolved, including any appeal periods.

A violation of any of the provisions of this paragraph is a misdemeanor, and shall give the employee or applicant who is injured by the violation a cause of action against the public utility to recover damages proximately caused by the violation.

Nothing in this section shall be construed as imposing any duty upon public utilities to request local summary criminal history information on any current or prospective employee.

Seeking entrance to private residences in the course of employment shall be deemed a “compelling need” as required to be shown in this subdivision.

(11) Any city, county, city and county, or district, or any officer or official thereof, if a written request is made to a local law enforcement agency and the information is needed to assist in the screening of a prospective concessionaire, and any affiliate or associate thereof, as these terms are defined in subdivision (k) of Section 432.7 of the Labor Code, for the purposes of consenting to, or approving of, the prospective concessionaire’s application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest.

Any local government’s request for local summary criminal history information for purposes of screening a prospective concessionaire and their affiliates or associates before approving or denying an application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest is deemed a “compelling need” as required by this subdivision. However, only local summary criminal history information pertaining to criminal convictions may be obtained pursuant to this paragraph.

Any information obtained from the local summary criminal history is confidential and the receiving local government shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the local government and all copies made from it shall be destroyed not more than 30 days after the local government’s final decision to grant or deny consent to, or approval of, the prospective concessionaire’s application for, or acquisition of, a beneficial interest in a concession, lease, or other property interest. Nothing in this section shall be construed as imposing any duty upon a local government, or any officer or official thereof,

to request local summary criminal history information on any current or prospective concessionaire or their affiliates or associates.

(12) A public agency described in subdivision (b) of Section 15975 of the Government Code, for the purpose of oversight and enforcement policies with respect to its contracted providers.

(d) Whenever an authorized request for local summary criminal history information pertains to a person whose fingerprints are on file with the local agency and the local agency has no criminal history of that person, and the information is to be used for employment, licensing, or certification purposes, the fingerprint card accompanying the request for information, if any, may be stamped “no criminal record” and returned to the person or entity making the request.

(e) A local agency taking fingerprints of a person who is an applicant for licensing, employment, or certification may charge a fee to cover the cost of taking the fingerprints and processing the required documents.

(f) Whenever local summary criminal history information furnished pursuant to this section is to be used for employment, licensing, or certification purposes, the local agency shall charge the person or entity making the request a fee which it determines to be sufficient to reimburse the local agency for the cost of furnishing the information, provided that no fee shall be charged to any public law enforcement agency for local summary criminal history information furnished to assist it in employing, licensing, or certifying a person who is applying for employment with the agency as a peace officer or criminal investigator. Any state agency required to pay a fee to the local agency for information received under this section may charge the applicant a fee sufficient to reimburse the agency for the expense.

(g) Whenever there is a conflict, the processing of criminal fingerprints shall take priority over the processing of applicant fingerprints.

(h) It is not a violation of this article to disseminate statistical or research information obtained from a record, provided that the identity of the subject of the record is not disclosed.

(i) It is not a violation of this article to include information obtained from a record in (1) a transcript or record of a judicial or administrative proceeding or (2) any other public record when the

inclusion of the information in the public record is authorized by a court, statute, or decisional law.

(j) Notwithstanding any other law, a public prosecutor may, in response to a written request made pursuant to Section 6253 of the Government Code, provide information from a local summary criminal history, if release of the information would enhance public safety, the interest of justice, or the public's understanding of the justice system and the person making the request declares that the request is made for a scholarly or journalistic purpose. If a person in a declaration required by this subdivision willfully states as true any material fact that he or she knows to be false, he or she shall be subject to a civil penalty not exceeding ten thousand dollars (\$10,000). The requestor shall be informed in writing of this penalty. An action to impose a civil penalty under this subdivision may be brought by any public prosecutor and shall be enforced as a civil judgment.

(k) Notwithstanding any other law, the Department of Justice or any state or local law enforcement agency may require the submission of fingerprints for the purpose of conducting summary criminal history information record checks which are authorized by law.

(l) Any local criminal justice agency may release, within five years of the arrest, information concerning an arrest or detention of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction, and for which the person did not complete a postarrest diversion program or a deferred entry of judgment program, to a government agency employer of that peace officer or applicant.

(m) Any local criminal justice agency may release information concerning an arrest of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction but for which the person completed a postarrest diversion program or a deferred entry of judgment program, or information concerning a referral to and participation in any postarrest diversion program or a deferred entry of judgment program to a government agency employer of that peace officer or applicant.

(n) Notwithstanding subdivision (l) or (m), a local criminal justice agency shall not release information under the following circumstances:

(1) Information concerning an arrest for which diversion or a deferred entry of judgment program has been ordered without attempting to determine whether diversion or a deferred entry of judgment program has been successfully completed.

(2) Information concerning an arrest or detention followed by a dismissal or release without attempting to determine whether the individual was exonerated.

(3) Information concerning an arrest without a disposition without attempting to determine whether diversion has been successfully completed or the individual was exonerated.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act and because other costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
