

ASSEMBLY BILL

No. 1586

Introduced by Assembly Member Holden

February 3, 2014

An act to amend Section 10353 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 1586, as introduced, Holden. Public contracts: hiring: priority consideration.

Existing law requires that specified contracts, in an amount that exceeds \$200,000, entered into by any state agency for services contain a provision requiring the contractor to give priority consideration in filling vacancies in positions funded by the contract to qualified recipients of CalWORKs aid.

This bill would also require the contract provision to include priority consideration, as defined, for qualified job applicants who are receiving or have exhausted entitlement to unemployment insurance benefits, veterans of the Armed Forces or the National Guard, on parole or were formerly convicted of a crime for which time was served in state prison, and residents of a targeted employment area, as defined.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
