CHAPTER _____

An act to amend Sections 11106, 16520, 27590, 27600, 27875, 27920, and 28230 of, and to add Section 27585 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

AB 1609, Alejo. Firearms.

(1) Existing law, subject to exceptions, requires a firearm transaction to be conducted by a licensed firearms dealer. Existing law establishes requirements that dealers must adhere to in conducting firearms transactions and when delivering firearms, including, among others, a 10-day waiting period, purchaser background check, and possession of a handgun safety certificate by the purchaser.

This bill would, commencing January 1, 2015, prohibit a resident of this state from importing into this state, bringing into this state, or transporting into this state, any firearm that he or she purchased or otherwise obtained on or after January 1, 2015, from outside of this state unless he or she first has that firearm delivered to a dealer in this state for delivery to that resident pursuant to the requirements described above regarding dealers. The bill would create several exemptions to this prohibition, as specified. The bill would make a violation of these provisions involving a firearm that is not a handgun a misdemeanor, and a violation involving a handgun a misdemeanor or a felony. By creating a new crime, this bill would impose a state-mandated local program.

(2) Existing law allows the Department of Justice to charge a fee for the actual costs associated with the preparation, sale, processing, and filing of forms or reports required or utilized pursuant to provisions of law requiring individuals to report the acquisition of a firearm to the department.

Some of the exemptions to the requirement to have an imported firearm first delivered to a dealer in the state created by this bill would require the person taking possession of the firearm and importing, bringing, and transporting it into the state to submit a report to the Department of Justice that includes information about the person taking possession of the firearm, how title was obtained,

and a description of the firearm. This bill would allow the department to charge a fee for the actual costs associated with the preparation, sale, processing, and filing of these reports.

(3) This bill would incorporate additional changes to Sections 16520 and 28230 of the Penal Code proposed by SB 808 that would become operative if this bill and SB 808 are both enacted and this bill is enacted last. This bill would incorporate additional changes to Section 11106 of the Penal Code, proposed by SB 53 and SB 808, that would become operative only if this bill and either or both of those bills are enacted and this bill is enacted last.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. (a) It is the intent of the Legislature in adding Section 27585 to the Penal Code to do all of the following:

(1) Address the circumstances in which a California resident, on or after January 1, 2015, acquires a firearm outside of California and transports, imports, or brings that firearm into California, in violation of Section 922(a)(3) of Title 18 of the United States Code, but under circumstances in which Section 27545 of the Penal Code does not apply.

(2) Allow the current brokering processes set forth in Section 922(a)(3) of Title 18 of the United States Code, Section 27545 of the Penal Code, and any implementing statutes to continue.

(3) Allow persons who acquire firearms outside of California by bequest or intestate succession to utilize the functionally same reporting requirements as apply to an applicable exemption from Section 27545 if that receipt were to occur within California.

(4) To treat the delivery of a firearm made by a dealer pursuant to subdivision (a) of Section 27585 of the Penal Code in the same manner as any other dealer delivery of a firearm, including but not limited to, the application of any exemption from the provisions of Section 27540 of the Penal Code, or Article 1 (commencing with Section 26700) and Article 2 (commencing with Section

26800) of Chapter 2 of Division 6 of Title 4 of Part 6 of the Penal Code.

(b) It is not the intent of the Legislature in enacting Section 27585 to affect any of the following:

(1) The lending of firearms by or to California residents that occur solely outside of California.

(2) The lending of firearms in this state which comply with statutes that currently govern the lending of firearms.

(3) To impose duplicative and unnecessary reporting requirements where reporting requirements already apply.

(4) Persons who import or bring firearms into California under existing regulatory statutes who comply with those statutes.

(5) To narrow the exemption set forth in Section 27600 of the Penal Code for law enforcement acquisition of firearms irrespective of where the physical acquisition of the firearm took place.
