Assembly Bill No. 1623

CHAPTER 85

An act to add Title 5.3 (commencing with Section 13750) to Part 4 of the Penal Code, relating to family justice centers.

[Approved by Governor July 7, 2014. Filed with Secretary of State July 7, 2014.]

LEGISLATIVE COUNSEL’S DIGEST

AB 1623, Atkins. Family justice centers.

Existing law, until January 1, 2014, authorized the Cities of Anaheim and San Diego, and the Counties of Alameda and Sonoma to establish, as a 2-year pilot project, a multiagency, multidisciplinary family justice center to assist victims of domestic violence, officer-involved domestic violence, sexual assault, elder or dependent adult abuse, stalking, cyberstalking, cyberbullying, and human trafficking, to ensure that victims of abuse are able to access all needed services in one location and to enhance victim safety, increase offender accountability, and improve access to services for victims of crime, as provided. That law permitted the family justice centers to be staffed by law enforcement, medical, social service, and child welfare personnel, among others. That law required each family justice center to consult with community-based crime victim agencies, survivors of violence and abuse, and their advocates in the operations process of the family justice center and to develop a procedure for input, feedback, and evaluation of the family justice center.

This bill would reenact and recast those provisions to authorize, commencing January 1, 2015, any city, county, or community-based nonprofit organization to establish a multiagency, multidisciplinary family justice center to assist victims of domestic violence, sexual assault, elder or dependent adult abuse, and human trafficking, as specified. The bill would also specify additional confidentiality provisions relating to information disclosed by a victim in a family justice center, as provided, and would require each family justice center to maintain a mandatory training for all staff members, volunteers, and agency professionals.

The people of the State of California do enact as follows:

SECTION 1. Title 5.3 (commencing with Section 13750) is added to Part 4 of the Penal Code, to read:
13750. (a) A city, county, city and county, or community-based nonprofit organization may each establish a multiagency, multidisciplinary family justice center to assist victims of domestic violence, sexual assault, elder or dependent adult abuse, and human trafficking, to ensure that victims of abuse are able to access all needed services in one location in order to enhance victim safety, increase offender accountability, and improve access to services for victims of domestic violence, sexual assault, elder or dependent adult abuse, and human trafficking.

(b) For purposes of this title, the following terms have the following meanings:

(d) Nothing in this section is intended to abrogate existing laws regarding privacy or information sharing. Family justice center staff members shall comply with the laws governing their respective professions.

(e) Victims of crime shall not be denied services on the grounds of criminal history. No criminal history search shall be conducted of a victim at a family justice center without the victim’s written consent unless the criminal history search is pursuant to a criminal investigation.

(g) (1) Each family justice center shall consult with community-based domestic violence, sexual assault, elder or dependent adult abuse, and human trafficking agencies in partnership with survivors of violence and abuse and their advocates in the operations process of the family justice center, and shall establish procedures for the ongoing input, feedback, and evaluation of the family justice center by survivors of violence and abuse and community-based crime victim service providers and advocates.

(2) Each family justice center shall develop policies and procedures, in collaboration with local community-based crime victim service providers and local survivors of violence and abuse, to ensure coordinated services are provided to victims and to enhance the safety of victims and professionals at the family justice center who participate in affiliated survivor-centered support or advocacy groups. Each family justice center shall maintain a formal client feedback, complaint, and input process to address client concerns about services provided or the conduct of any family justice center professionals, agency partners, or volunteers providing services in the family justice center.

(h) (1) Each family justice center shall maintain a client consent policy and shall be in compliance with all state and federal laws protecting the confidentiality of the types of information and documents that may be in a victim’s file, including, but not limited to, medical, legal, and victim counselor records. Each family justice center shall have a designated privacy officer to develop and oversee privacy policies and procedures consistent with state and federal privacy laws and the Fair Information Practice Principles promulgated by the United States Department of Homeland Security. the victim’s consent.

(4) Each family justice center is required to inform the victim that
information shared with staff members or partner agencies at a family justice
center may be shared with law enforcement professionals without the
victim’s consent if there is a mandatory duty to report, or the client is a
danger to himself or herself, or others. Each family justice center shall obtain
written acknowledgment that the victim has been informed of this policy.

(5) Consent by a victim for sharing information within a family justice
center pursuant to this section shall not be construed as a universal waiver
of any existing evidentiary privilege that makes confidential any
communications or documents between the victim and any service provider,
including, but not limited to, any lawyer, advocate, sexual assault or domestic
violence counselor as defined in Section 1035.2 or 1037.1 of the Evidence
Code, human trafficking caseworker as defined in Section 1038.2 of the
Evidence Code, therapist, doctor, or nurse. Any oral or written
communication or any document authorized by the victim to be shared for

services to the victim of domestic violence, sexual assault, elder or dependent
adult abuse, or human trafficking shall not be disclosed to any third party,
unless that third-party disclosure is authorized by the victim, or required by
other state or federal law or by court order.

(i) An individual staff member, volunteer, or agency that has victim
information governed by this section shall not be required to disclose that
information unless the victim has consented to the disclosure or it is
otherwise required by other state or federal law or by court order.

(j) A disclosure of information consented to by the victim in a family
justice center, made for the purposes of clinical assessment, risk assessment,
