An act to add and repeal Chapter 5 (commencing with Section 1850) of Division 8 of the Military and Veterans Code, relating to veterans.

LEGISLATIVE COUNSEL'S DIGEST

AB 1821, as amended, Gordon. Medical foster homes.

Existing law establishes the Department of Veterans Affairs, which is responsible for administering various programs and services for the benefit of veterans. Existing law, ~~the California Residential Care Facilities for the Elderly Act~~, law provides for the licensure of residential care facilities for the elderly, *community care facilities*, and *residential care facilities for persons with chronic, life-threatening illness* by the State Department of Social Services. Existing law exempts from these provisions specified facilities, including general acute care ~~hospitals, clinics, and recovery houses for individuals with drug or alcohol addiction~~ *hospitals and clinics*. Existing law authorizes the California State Auditor, upon the request by the Joint Legislative Audit Committee and to the extent funding is available, to audit a state or local governmental agency, as defined, or any other publicly created entity.

This bill would establish the Medical Foster Home Pilot Program and would, commencing June 1, 2015, and until January 1, 2018, authorize a United States Department of Veterans Affairs (USDVA) facility to establish a medical foster home that is not subject to licensure or regulation under the California Residential Care Facilities for the Elderly Act as a residential care facility for the elderly, a community care facility, or a residential care facility for persons with chronic, life-threatening illness provided that specified federal requirements are satisfied, the USDVA facility establishing the home agrees to be subject to the jurisdiction of the California State Auditor, and the USDVA obtains criminal background information for caregivers and specified individuals residing in the home. The bill would state the intent of the Legislature that the California State Auditor, through a request to the Joint Legislative Audit Committee, conduct an audit evaluating the pilot program created by this bill no sooner than January 1, 2016, as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: no.
