

AMENDED IN ASSEMBLY APRIL 2, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1990

Introduced by Assembly Member Gordon

February 20, 2014

An act to *amend Section 113789 of*, to amend the heading of Chapter 12.5 (commencing with Section 114375) of Part 7 of Division 104 of, and to add Sections ~~113932.5~~, 113752, 113796, 114376, and 114376.5 to, the Health and Safety Code, relating to ~~urban agricultural~~ *community food* production.

LEGISLATIVE COUNSEL'S DIGEST

AB 1990, as amended, Gordon. ~~Urban agricultural~~ *Community food* production.

Existing law, the California Retail Food Code, establishes uniform health and sanitation standards for retail food facilities and provides for the enforcement of those standards by local health agencies and by the State Department of Public Health, as specified. The code requires farm stands, as defined, to comply with specified requirements governing food safety and sanitation. A violation of the code is a crime.

This bill would authorize, except under a specified circumstance, ~~an urban producer~~, *a community food producer or a gleaner*, as defined, to sell or provide whole uncut fruits or vegetables, or unrefrigerated shell eggs, directly to the public or to a permitted restaurant if the ~~urban~~ *community food* producer meets specified requirements, including that the produce is labeled with the name and address of the ~~urban~~ *community food* producer. The bill would also authorize an enforcement officer to enter into and inspect the operations of ~~an urban~~ *a community food* producer in response to a food safety recall or food safety complaint.

The bill would authorize an enforcement officer to issue a cease and desist order for violations of these provisions, which would prohibit the community food producer from further sales until the operations of the community food producer are reinspected and cleared by the enforcement officer’s agency. The bill would also authorize the enforcement officer to recover reasonable costs associated with ~~that an~~ inspection from the ~~urban~~ community food producer.

Because the bill would create new crimes and would impose additional duties on local food inspectors, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
