An act to amend Section 4629.5 of the Public Resources Code, relating to forest resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 2031, as amended, Dahle. Forest resources: timber assessment.

Existing law imposes an assessment on a person who purchases from a retailer a lumber product or an engineered wood product for storage, use, or other consumption in this state, at the rate of 1% of the sales price. Existing law requires the retailer, as defined according to existing tax laws, to charge the person the amount of the assessment as a charge that is separate from, and not included in, any other fee, charge, or other amount paid by the purchaser. Existing law requires the retailer to collect the assessment from the person at the time of sale, as provided.

This bill would, for purposes of the above provisions, exclude from the definition of "retailer" a retailer who has ~~total~~ *de minimis* sales of qualified lumber products and engineered wood products of less than \$25,000 during the previous calendar year. The bill would require an excluded retailer to provide a notice to the purchaser of the purchaser's obligation to remit the assessment to the State Board of Equalization.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 4629.5 of the Public Resources Code is  
2 amended to read:

3     4629.5. (a) (1) There is hereby imposed an assessment on a  
4 person who purchases a lumber product or an engineered wood  
5 product for ~~the~~ storage, use, or other consumption in this state, at  
6 the rate of 1 percent of the sales price.

7     (2) A retailer shall charge the person the amount of the  
8 assessment as a charge that is separate from, and not included in,  
9 any other fee, charge, or other amount paid by the purchaser.

10    (3) The retailer shall collect the assessment from the person at  
11 the time of sale, and may retain reimbursement pursuant to Sections  
12 2000 and 2001 of Title 18 of the California Code of Regulations,  
13 as approved by the State Board of Equalization at its September  
14 10, 2013, meeting, for startup costs associated with the collection  
15 of the assessment, to be taken on the first return or next consecutive  
16 returns until the entire reimbursement amount is retained.

17    (b) The retailer shall separately state the amount of the  
18 assessment imposed under this section on the sales receipt given  
19 by the retailer to the person at the time of sale.

20    (c) The State Board of Equalization shall administer and collect  
21 the assessment imposed by this section pursuant to the Fee  
22 Collection Procedures Law (Part 30 (commencing with Section

35    (2) A person who purchases a lumber product or an engineered  
36 wood product for storage, use, or other consumption in this state  
37 is liable for the assessment until it has been paid to this state, except  
38 that payment to a retailer relieves the person from further liability

1 for the assessment. Any assessment collected from a person that  
2 has not been remitted to the State Board of Equalization shall be  
3 a debt owed to the state by the retailer required to collect and remit  
4 the assessment. This part does not impose any obligation upon a  
5 retailer to take any legal action to enforce the collection of the  
6 assessment imposed by this section.

8 *paragraph (2) of subdivision (g), shall provide a notice to a*
