

ASSEMBLY BILL

No. 2208

Introduced by Assembly Member Allen

February 20, 2014

An act relating to environmental quality.

LEGISLATIVE COUNSEL'S DIGEST

AB 2208, as introduced, Allen. California Environmental Quality Act: Southern California International Gateway Project.

The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would declare the intent of the Legislature to enact legislation that would facilitate the infrastructure development and implementation of the final environmental impact report, as described, which was prepared for the Southern California International Gateway Project, a proposed project for the construction and installation of various cargo handling and transfer facilities at the Port of Los Angeles.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would facilitate the infrastructure development and
- 3 implementation of the final environmental impact report, described

- 1 as ADP No. 041027-19, which was prepared for the Southern
- 2 California International Gateway Project, a proposed project for
- 3 the construction and installation of various cargo transfer facilities
- 4 at the Port of Los Angeles.
