

AMENDED IN ASSEMBLY MARCH 28, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2251

Introduced by Assembly Member Yamada

February 21, 2014

An act to add Section 12024.13 to the Business and Professions Code, relating to weights and measures.

LEGISLATIVE COUNSEL'S DIGEST

AB 2251, as amended, Yamada. Weights and measures: beverage containers: redemption value.

Existing law makes it unlawful for a person, at the time of sale of a commodity, to charge an amount greater than the price that is advertised, posted, marked, displayed, or quoted for the commodity. Existing law requires the Department of Food and Agriculture and each county sealer to enforce these provisions. A violation of these provisions is a crime.

Existing law, the California Beverage Container Recycling and Litter Reduction Act, requires a beverage distributor to pay a redemption payment in a specified amount for every beverage container sold or offered for sale in the state to the Department of Resources Recycling and Recovery, for deposit in the California Beverage Container Recycling Fund. The act authorizes a dealer, as defined, to separately identify the amount of any redemption payment ~~imposed on a beverage container in all advertising of beverage products and on shelf labels of the dealer's establishment.~~ *on the customer cash register receipt provided to the consumer by the dealer that is applied to the purchase of a beverage container.*

This bill would ~~require a dealer, at the time of sale of a beverage in a container subject to the act, to separately identify the amount of any~~

~~redemption payment imposed on the beverage container pursuant to the act and to accurately identify the amount of any redemption payment required by the act. prohibit a dealer from charging an amount for a redemption payment for a beverage container that is greater than the amount set forth in the act. Because a violation of these provisions this provision would be a crime, this bill would create a state-mandated local program.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

14 as in Section 14510 of the Public Resources Code.

15 SEC. 2. No reimbursement is required by this act pursuant to
16 Section 6 of Article XIII B of the California Constitution because

18 district will be incurred because this act creates a new crime or

21 the Government Code, or changes the definition of a crime within
