

AMENDED IN ASSEMBLY APRIL 21, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2499

Introduced by Assembly Member Bonilla

February 21, 2014

An act to amend Sections 1203.016, ~~1203.017~~, 1203.018, 2900.5, and 4019 of the Penal Code, relating to offenders.

LEGISLATIVE COUNSEL'S DIGEST

AB 2499, as amended, Bonilla. Offenders: home detention programs.

Existing law provides that the board of supervisors of any county may authorize the correctional administrator to offer a program under which inmates committed to a county jail or other county correctional facility or granted probation, or inmates participating in a work furlough program, may voluntarily participate or involuntarily be placed in a home detention program during their sentence in lieu of confinement in the county jail or other county correctional facility or program. Existing law requires the correctional administrator to provide specified information about a participant upon request of the police department of a city where an office is located to which persons on an electronic monitoring program report. Existing law requires any information received by a police department pursuant to that request to be used only for the purpose of monitoring the impact of home electronic monitoring programs in the community.

This bill would add to the information subject to those requests, current and historic GPS location data, if available. The bill would recast the provisions restricting the use of that information to prohibit a police department that does not have the primary responsibility to supervise participants in the electronic monitoring program that receives

the requested information from using the information to conduct enforcement actions based on administrative violations of the home detention program. The bill would require a police department that has knowledge that the subject in a criminal investigation is a participant in an electronic monitoring program to make reasonable efforts to notify the supervising agency prior to serving a warrant or taking any law enforcement action against a participant in an electronic monitoring program.

By imposing additional requirements on local agencies, this bill would impose a state-mandated local program.

~~Existing law provides that the county board of supervisors of any county may, upon determination by the correctional administrator that conditions in a jail facility warrant the necessity of releasing sentenced misdemeanor inmates prior to them serving the full amount of a given sentence due to lack of jail space, authorize the correctional administrator to offer a program under which specified inmates may be required to participate in an involuntary home detention program.~~

~~This bill would remove the requirement that the inmates subject to the involuntary home detention program be misdemeanor inmates. By expanding the availability of an inmate program administered by local agencies, this bill would impose a state-mandated local program.~~

Existing law provides that the county board of supervisors may authorize the correctional administrator to offer a program under which inmates being held in lieu of bail in a county jail or other county correctional facility may participate in an electronic monitoring program if certain conditions are met. Existing law requires the correctional administrator to provide specified information about a participant upon request of a local law enforcement agency with jurisdiction over the location where a participant in an electronic monitoring program is placed. Existing law requires any information received by a law enforcement agency pursuant to that request to be used only for the purpose of monitoring the impact of home electronic monitoring programs in the community.

This bill would add to the information subject to those requests, current and historic GPS location data, if available. The bill would recast the provisions restricting the use of that information to prohibit a law enforcement agency that does not have the primary responsibility to supervise participants in the electronic monitoring program that receives the requested information from using the information to conduct enforcement actions based on administrative violations of the home

detention program. The bill would require that an agency that has knowledge that the subject in a criminal investigation is a participant in an electronic monitoring program to make reasonable efforts to notify the supervising agency prior to serving a warrant or taking any law enforcement action against a participant in an electronic monitoring program.

By imposing additional requirements on local agencies, this bill would impose a state-mandated local program.

Existing law requires that when a defendant has been in custody, including, but not limited to, any time spent in a jail, camp, work furlough facility, and other specified facilities, all days of custody of the defendant, including, home detention for inmates who otherwise would be in jail in lieu of bail, are credited toward the term of imprisonment or toward any fine. Existing law also provides that the time spent in these facilities or programs qualifies as mandatory time in jail if the statute under which the defendant is sentenced requires a mandatory minimum period of time in jail.

This bill would include other home detention programs for the purpose of crediting days in custody for those purposes. The bill would remove the requirement that the statute under which the defendant is sentenced requires a mandatory minimum period of time in jail in order for the time spent in those facilities or programs to qualify as mandatory time in jail.

By increasing the administrative responsibilities of local agencies, this bill would impose a state-mandated local program.

Existing law provides that a prisoner, who, for specified reasons, is confined in or committed to a county jail, industrial farm, or road camp, or any city jail, industrial farm, or road camp, shall, for each 4 day period of custody, have one day deducted from the prisoner's period of confinement, unless it appears by the record that the prisoner has refused to satisfactorily perform labor as assigned by the sheriff, chief of police, or superintendent of an industrial farm or road camp. Existing law additionally requires for those prisoners, that for every 4 days of confinement, one day to be deducted from the prisoner's period of confinement, unless it appears by the record that the prisoner has not satisfactorily complied with the reasonable rules and regulations established by the sheriff, chief of police, or superintendent of an industrial farm or road camp.

This bill would apply those provisions to persons who are confined on or after January 1, 2015, in specified home detention programs.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1203.016 of the Penal Code is amended
2 to read:

3 1203.016. (a) Notwithstanding any other law, the board of
4 supervisors of any county may authorize the correctional
5 administrator, as defined in subdivision (h), to offer a program
6 under which inmates committed to a county jail or other county
7 correctional facility or granted probation, or inmates participating
8 in a work furlough program, may voluntarily participate or
9 involuntarily be placed in a home detention program during their
10 sentence in lieu of confinement in the county jail or other county
11 correctional facility or program under the auspices of the probation
12 officer.

13 (b) The board of supervisors, in consultation with the
14 correctional administrator, may prescribe reasonable rules and
15 regulations under which a home detention program may operate.
16 As a condition of participation in the home detention program, the
17 inmate shall give his or her consent in writing to participate in the
18 home detention program and shall in writing agree to comply or,
19 for involuntary participation, the inmate shall be informed in
20 writing that he or she shall comply, with the rules and regulations
21 of the program, including, but not limited to, the following rules:

22 (1) The participant shall remain within the interior premises of
23 his or her residence during the hours designated by the correctional
24 administrator.

25 (2) The participant shall admit any person or agent designated
26 by the correctional administrator into his or her residence at any
27 time for purposes of verifying the participant’s compliance with
28 the conditions of his or her detention.

1 (3) The participant shall agree to the use of electronic
2 monitoring, which may include global positioning system devices
3 or other supervising devices for the purpose of helping to verify
4 his or her compliance with the rules and regulations of the home
5 detention program. The devices shall not be used to eavesdrop or
6 record any conversation, except a conversation between the
7 participant and the person supervising the participant which is to
8 be used solely for the purposes of voice identification.

9 (4) The participant shall agree that the correctional administrator
10 in charge of the county correctional facility from which the
11 participant was released may, without further order of the court,
12 immediately retake the person into custody to serve the balance
13 of his or her sentence if the electronic monitoring or supervising
14 devices are unable for any reason to properly perform their function
15 at the designated place of home detention, if the person fails to
16 remain within the place of home detention as stipulated in the
17 agreement, if the person willfully fails to pay fees to the provider
18 of electronic home detention services, as stipulated in the
19 agreement, subsequent to the written notification of the participant
20 that the payment has not been received and that return to custody
21 may result, or if the person for any other reason no longer meets
22 the established criteria under this section. A copy of the agreement
23 shall be delivered to the participant and a copy retained by the
24 correctional administrator.

25 (c) Whenever the peace officer supervising a participant has
26 reasonable cause to believe that the participant is not complying
27 with the rules or conditions of the program, or that the electronic
28 monitoring devices are unable to function properly in the
29 designated place of confinement, the peace officer may, under
30 general or specific authorization of the correctional administrator,
31 and without a warrant of arrest, retake the person into custody to
32 complete the remainder of the original sentence.

33 (d) Nothing in this section shall be construed to require the
34 correctional administrator to allow a person to participate in this
35 program if it appears from the record that the person has not
36 satisfactorily complied with reasonable rules and regulations while
37 in custody. A person shall be eligible for participation in a home
38 detention program only if the correctional administrator concludes
39 that the person meets the criteria for release established under this
40 section and that the person's participation is consistent with any

1 reasonable rules and regulations prescribed by the board of
2 supervisors or the administrative policy of the correctional
3 administrator.

4 (1) The rules and regulations and administrative policy of the
5 program shall be written and reviewed on an annual basis by the
6 county board of supervisors and the correctional administrator.
7 The rules and regulations shall be given to or made available to
8 any participant upon request.

9 (2) The correctional administrator, or his or her designee, shall
10 have the sole discretionary authority to permit program
11 participation as an alternative to physical custody. All persons
12 referred or recommended by the court to participate in the home
13 detention program pursuant to subdivision (e) who are denied
14 participation or all persons removed from program participation
15 shall be notified in writing of the specific reasons for the denial
16 or removal. The notice of denial or removal shall include the
17 participant's appeal rights, as established by program administrative
18 policy.

19 (e) The court may recommend or refer a person to the
20 correctional administrator for consideration for placement in the
21 home detention program. The recommendation or referral of the
22 court shall be given great weight in the determination of acceptance
23 or denial. At the time of sentencing or at any time that the court
24 deems it necessary, the court may restrict or deny the defendant's
25 participation in a home detention program.

26 (f) The correctional administrator may permit home detention
27 program participants to seek and retain employment in the
28 community, attend psychological counseling sessions or
29 educational or vocational training classes, or seek medical and
30 dental assistance. Willful failure of the program participant to
31 return to the place of home detention not later than the expiration
32 of any period of time during which he or she is authorized to be
33 away from the place of home detention pursuant to this section
34 and unauthorized departures from the place of home detention are
35 punishable as provided in Section 4532.

36 (g) The board of supervisors may prescribe a program
37 administrative fee to be paid by each home detention participant
38 that shall be determined according to his or her ability to pay.
39 Inability to pay all or a portion of the program fees shall not
40 preclude participation in the program, and eligibility shall not be

1 enhanced by reason of ability to pay. All program administration
2 and supervision fees shall be administered in compliance with
3 Section 1208.2.

4 (h) As used in this section, “Correctional administrator” means
5 the sheriff, probation officer, or director of the county department
6 of corrections.

7 (i) Notwithstanding any other law, the police department of a
8 city where an office is located to which persons on an electronic
9 monitoring program report may request the county correctional
10 administrator to provide information concerning those persons.
11 This information shall be limited to the name, address, date of
12 birth, offense committed by the home detainee, and if available,
13 current and historical GPS coordinates of the home detainee. A
14 police department that does not have the primary responsibility to
15 supervise participants in the electronic monitoring program that
16 receives information pursuant to this subdivision shall not use the
17 information to conduct enforcement actions based on administrative
18 violations of the home detention program. A police department
19 that has knowledge that the subject in a criminal investigation is
20 a participant in an electronic monitoring program shall make
21 reasonable efforts to notify the supervising agency prior to serving
22 a warrant or taking any law enforcement action against a participant
23 in an electronic monitoring program.

24 (j) It is the intent of the Legislature that home detention
25 programs established under this section maintain the highest public
26 confidence, credibility, and public safety. In the furtherance of
27 these standards, the following shall apply:

28 (1) The correctional administrator, with the approval of the
29 board of supervisors, may administer a home detention program
30 pursuant to written contracts with appropriate public or private
31 agencies or entities to provide specified program services. No
32 public or private agency or entity may operate a home detention
33 program in any county without a written contract with that county’s
34 correctional administrator. However, this does not apply to the use
35 of electronic monitoring by the Department of Corrections and
36 Rehabilitation. No public or private agency or entity entering into
37 a contract may itself employ any person who is in the home
38 detention program.

1 (2) Program acceptance shall not circumvent the normal booking
2 process for sentenced offenders. All home detention program
3 participants shall be supervised.

4 (3) (A) All privately operated home detention programs shall
5 be under the jurisdiction of, and subject to the terms and conditions
6 of the contract entered into with, the correctional administrator.

7 (B) Each contract shall include, but not be limited to, all of the
8 following:

9 (i) A provision whereby the private agency or entity agrees to
10 operate in compliance with any available standards promulgated
11 by state correctional agencies and bodies, including the Corrections
12 Standards Authority, and all statutory provisions and mandates,
13 state and county, as appropriate and applicable to the operation of
14 home detention programs and the supervision of sentenced
15 offenders in a home detention program.

16 (ii) A provision that clearly defines areas of respective
17 responsibility and liability of the county and the private agency or
18 entity.

19 (iii) A provision that requires the private agency or entity to
20 demonstrate evidence of financial responsibility, submitted and
21 approved by the board of supervisors, in amounts and under
22 conditions sufficient to fully indemnify the county for reasonably
23 foreseeable public liability, including legal defense costs, that may
24 arise from, or be proximately caused by, acts or omissions of the
25 contractor. The contract shall provide for annual review by the
26 correctional administrator to ensure compliance with requirements
27 set by the board of supervisors and for adjustment of the financial
28 responsibility requirements if warranted by caseload changes or
29 other factors.

30 (iv) A provision that requires the private agency or entity to
31 provide evidence of financial responsibility, such as certificates
32 of insurance or copies of insurance policies, prior to commencing
33 any operations pursuant to the contract or at any time requested
34 by the board of supervisors or correctional administrator.

35 (v) A provision that permits the correctional administrator to
36 immediately terminate the contract with a private agency or entity
37 at any time that the contractor fails to demonstrate evidence of
38 financial responsibility.

1 (C) All privately operated home detention programs shall
2 comply with all appropriate, applicable ordinances and regulations
3 specified in subdivision (a) of Section 1208.

4 (D) The board of supervisors, the correctional administrator,
5 and the designee of the correctional administrator shall comply
6 with Section 1090 of the Government Code in the consideration,
7 making, and execution of contracts pursuant to this section.

8 (E) The failure of the private agency or entity to comply with
9 statutory provisions and requirements or with the standards
10 established by the contract and with the correctional administrator
11 may be sufficient cause to terminate the contract.

12 (F) Upon the discovery that a private agency or entity with
13 whom there is a contract is not in compliance pursuant to this
14 paragraph, the correctional administrator shall give 60 days' notice
15 to the director of the private agency or entity that the contract may
16 be canceled if the specified deficiencies are not corrected.

17 (G) Shorter notice may be given or the contract may be canceled
18 without notice whenever a serious threat to public safety is present
19 because the private agency or entity has failed to comply with this
20 section.

21 (k) For purposes of this section, "evidence of financial
22 responsibility" may include, but is not limited to, certified copies
23 of any of the following:

- 24 (1) A current liability insurance policy.
- 25 (2) A current errors and omissions insurance policy.
- 26 (3) A surety bond.

27 ~~SEC. 2. Section 1203.017 of the Penal Code is amended to~~
28 ~~read:~~

29 ~~1203.017. (a) Notwithstanding any other law, upon~~
30 ~~determination by the correctional administrator that conditions in~~
31 ~~a jail facility warrant the necessity of releasing sentenced inmates~~
32 ~~prior to them serving the full amount of a given sentence due to~~
33 ~~lack of jail space, the board of supervisors of any county may~~
34 ~~authorize the correctional administrator to offer a program under~~
35 ~~which inmates committed to a county jail or other county~~
36 ~~correctional facility or granted probation, or inmates participating~~
37 ~~in a work furlough program, may be required to participate in an~~
38 ~~involuntary home detention program, which shall include electronic~~
39 ~~monitoring, during their sentence in lieu of confinement in the~~
40 ~~county jail or other county correctional facility or program under~~

1 the auspices of the probation officer. Under this program, one day
2 of participation shall be in lieu of one day of incarceration.
3 Participants in the program shall receive any sentence reduction
4 credits that they would have received had they served their
5 sentences in a county correctional facility.

6 ~~(b) The board of supervisors may prescribe reasonable rules
7 and regulations under which an involuntary home detention
8 program may operate. The inmate shall be informed in writing that
9 he or she shall comply with the rules and regulations of the
10 program, including, but not limited to, the following rules:~~

11 ~~(1) The participant shall remain within the interior premises of
12 his or her residence during the hours designated by the correctional
13 administrator.~~

14 ~~(2) The participant shall admit any peace officer designated by

23 conversation between the participant and the person supervising
24 the participant which is to be used solely for the purposes of voice
25 identification.~~

26 ~~(4) The correctional administrator in charge of the county
27 correctional facility from which the participant was released may,
28 without further order of the court, immediately retake the person
29 into custody to serve the balance of his or her sentence if the
30 electronic monitoring or supervising devices are unable for any
31 reason to properly perform their function at the designated place
32 of home detention, if the person fails to remain within the place
33 of home detention as stipulated in the agreement, or if the person
34 for any other reason no longer meets the established criteria under
35 this section.~~

36 ~~(e) Whenever the peace officer supervising a participant has
37 reasonable cause to believe that the participant is not complying
38 with the rules or conditions of the program, or that the electronic
39 monitoring devices are unable to function properly in the
40 designated place of confinement, the peace officer may, under~~

1 general or specific authorization of the correctional administrator,
2 and without a warrant of arrest, retake the person into custody to
3 complete the remainder of the original sentence.

4 ~~(d) This section does not require the correctional administrator
5 to allow a person to participate in this program if it appears from
6 the record that the person has not satisfactorily complied with
7 reasonable rules and regulations while in custody. A person shall
8 be eligible for participation in a home detention program only if
9 the correctional administrator concludes that the person meets the
10 criteria for release established under this section and that the
11 person's participation is consistent with any reasonable rules and
12 regulations prescribed by the board of supervisors or the
13 administrative policy of the correctional administrator.~~

14 ~~(1) The rules and regulations and administrative policy of the
15 program shall be written and reviewed on an annual basis by the
16 county board of supervisors and the correctional administrator.
17 The rules and regulations shall be given to or made available to
18 any participant upon request.~~

19 ~~(2) The correctional administrator, or his or her designee, shall
20 have the sole discretionary authority to permit program
21 participation as an alternative to physical custody. All persons
22 referred or recommended by the court to participate in the home
23 detention program pursuant to subdivision (e) who are denied
24 participation or all persons removed from program participation
25 shall be notified in writing of the specific reasons for the denial
26 or removal. The notice of denial or removal shall include the
27 participant's appeal rights, as established by program administrative
28 policy.~~

29 ~~(e) The court may recommend or refer a person to the
30 correctional administrator for consideration for placement in the
31 home detention program. The recommendation or referral of the
32 court shall be given great weight in the determination of acceptance
33 or denial. At the time of sentencing or at any time that the court
34 deems it necessary, the court may restrict or deny the defendant's
35 participation in a home detention program.~~

36 ~~(f) The correctional administrator may permit home detention
37 program participants to seek and retain employment in the
38 community, attend psychological counseling sessions or
39 educational or vocational training classes, or seek medical and
40 dental assistance. Willful failure of the program participant to~~

1 return to the place of home detention not later than the expiration
2 of any period of time during which he or she is authorized to be
3 away from the place of home detention pursuant to this section
4 and unauthorized departures from the place of home detention are
5 punishable as provided in Section 4532.

6 (g) ~~As used in this section, “correctional administrator” means~~
7 ~~the sheriff, probation officer, or director of the county department~~
8 ~~of corrections.~~

9 (h) ~~(1) Notwithstanding any other law, the correctional~~
10 ~~administrator shall provide the information specified in paragraph~~
11 ~~(2) regarding persons on involuntary home detention to the~~
12 ~~Corrections Standards Authority, and upon request, shall provide~~
13 ~~that information to the law enforcement agency of a city or~~
14 ~~unincorporated area where an office is located to which persons~~
15 ~~on involuntary home detention report.~~

16 (2) ~~The information required by paragraph (1) shall consist of~~
17 ~~the following:~~

18 (A) ~~The participant’s name, address, and date of birth.~~

19 (B) ~~The offense committed by the participant.~~

20 (C) ~~The period of time the participant will be placed on home~~
21 ~~detention.~~

22 (D) ~~Whether the participant successfully completed the~~
23 ~~prescribed period of home detention or was returned to a county~~
24 ~~correctional facility, and if the person was returned to a county~~
25 ~~correctional facility, the reason for that return.~~

26 (E) ~~The gender and ethnicity of the participant.~~

27 (3) ~~Any information received by a police department pursuant~~
28 ~~to this subdivision shall be used only for the purpose of monitoring~~
29 ~~the impact of home detention programs on the community.~~

30 (i) ~~It is the intent of the Legislature that home detention~~
31 ~~programs established under this section maintain the highest public~~
32 ~~confidence, credibility, and public safety. In the furtherance of~~
33 ~~these standards, the following shall apply:~~

34 (1) ~~The correctional administrator, with the approval of the~~
35 ~~board of supervisors, may administer a home detention program~~
36 ~~pursuant to written contracts with appropriate public or private~~
37 ~~agencies or entities to provide specified program services. A public~~
38 ~~or private agency or entity shall not operate a home detention~~
39 ~~program in a county without a written contract with that county’s~~
40 ~~correctional administrator. However, this does not apply to the use~~

1 of electronic monitoring by the Department of Corrections and
2 Rehabilitation as established in Section 3004. A public or private
3 agency or entity entering into a contract shall not itself employ
4 any person who is in the home detention program.

5 (2) Program acceptance shall not circumvent the normal booking
6 process for sentenced offenders. All home detention program
7 participants shall be supervised.

8 (3) (A) All privately operated home detention programs shall
9 be under the jurisdiction of, and subject to the terms and conditions
10 of the contract entered into with, the correctional administrator.

11 (B) Each contract shall include, but not be limited to, all of the
12 following:

13 (i) A provision whereby the private agency or entity agrees to
14 operate in compliance with any available standards promulgated
15 by state correctional agencies and bodies, including the Corrections
16 Standards Authority, and all statutory provisions and mandates,
17 state and county, as appropriate and applicable to the operation of
18 home detention programs and the supervision of sentenced
19 offenders in a home detention program.

20 (ii) A provision that clearly defines areas of respective
21 responsibility and liability of the county and the private agency or
22 entity.

23 (iii) A provision that requires the private agency or entity to

25 approved by the board of supervisors, in amounts and under
26 conditions sufficient to fully indemnify the county for reasonably
27 foreseeable public liability, including legal defense costs, that may
28 arise from, or be proximately caused by, acts or omissions of the
29 contractor. The contract shall provide for annual review by the
30 correctional administrator to ensure compliance with requirements
31 set by the board of supervisors and for adjustment of the financial
32 responsibility requirements if warranted by caseload changes or
33 other factors.

34 (iv) A provision that requires the private agency or entity to
35 provide evidence of financial responsibility, such as certificates
36 of insurance or copies of insurance policies, prior to commencing
37 any operations pursuant to the contract or at any time requested
38 by the board of supervisors or correctional administrator.

39 (v) A provision that permits the correctional administrator to
40 immediately terminate the contract with a private agency or entity

1 at any time that the contractor fails to demonstrate evidence of
2 financial responsibility.

3 (C) All privately operated home detention programs shall
4 comply with all appropriate, applicable ordinances and regulations
5 specified in subdivision (a) of Section 1208.

6 (D) The board of supervisors, the correctional administrator,
7 and the designee of the correctional administrator shall comply
8 with Section 1090 of the Government Code in the consideration,
9 making, and execution of contracts pursuant to this section.

10 (E) The failure of the private agency or entity to comply with
11 statutory provisions and requirements or with the standards
12 established by the contract and with the correctional administrator
13 may be sufficient cause to terminate the contract.

14 (F) Upon the discovery that a private agency or entity with
15 whom there is a contract is not in compliance pursuant to this
16 paragraph, the correctional administrator shall give 60 days' notice
17 to the director of the private agency or entity that the contract may
18 be canceled if the specified deficiencies are not corrected.

19 (G) Shorter notice may be given or the contract may be canceled
20 without notice whenever a serious threat to public safety is present
21 because the private agency or entity has failed to comply with this
22 section.

23 (j) Inmates participating in this program shall not be charged
24 fees or costs for the program.

25 (k) For purposes of this section, "evidence of financial
26 responsibility" may include, but is not limited to, certified copies
27 of any of the following:

- 28 (1) A current liability insurance policy.
- 29 (2) A current errors and omissions insurance policy.
- 30 (3) A surety bond.

32 SEC. 2. Section 1203.018 of the Penal Code is amended to
33 read:

34 1203.018. (a) Notwithstanding any other law, this section shall
35 only apply to inmates being held in lieu of bail and on no other
36 basis.

37 (b) Notwithstanding any other law, the board of supervisors of
38 any county may authorize the correctional administrator, as defined
39 in paragraph (1) of subdivision (k), to offer a program under which
40 inmates being held in lieu of bail in a county jail or other county

1 correctional facility may participate in an electronic monitoring
2 program if the conditions specified in subdivision (c) are met.

3 (c) (1) In order to qualify for participation in an electronic
4 monitoring program pursuant to this section, the inmate shall be
5 an inmate with no holds or outstanding warrants to whom one of
6 the following circumstances applies:

7 (A) The inmate has been held in custody for at least 30 calendar
8 days from the date of arraignment pending disposition of only
9 misdemeanor charges.

10 (B) The inmate has been held in custody pending disposition
11 of charges for at least 60 calendar days from the date of

37 imprisonment to be imposed, the entire term of imprisonment shall
38 be deemed to have been served. In any case where the court has
39 imposed both a prison or jail term of imprisonment and a fine, any
