No. 2623

**Introduced by Assembly Member Pan
(Coauthor: Assembly Member Lowenthal)**

February 21, 2014

An act to amend Section 13515 of, and to add Section 368.7 to, the Penal Code, relating to peace officers.

LEGISLATIVE COUNSEL'S DIGEST

AB 2623, as amended, Pan. ~~Elder and dependent adult abuse training.~~
Peace officer standards and training.

Existing law requires every city police officer or deputy sheriff at a supervisory level and below who is assigned field or investigative duties to complete an elder and dependent adult abuse training course certified by the Commission on Peace Officer Standards and Training within 18 months of assignment to field duties. Existing law specifies certain subjects to be covered by the training. Existing law also requires the commission to consult with the Bureau of Medi-Cal Fraud and Elder Abuse and other subject matter experts when producing new or updated training materials.

This bill would add to that list of subjects the legal rights *of*, and remedies available *to*, victims of elder or dependent adult ~~abuse and the verification and enforcement of protective orders.~~ *abuse, as specified.*

By imposing additional training costs on local law enforcement agencies, the bill would impose a state-mandated local program. The bill would also require the commission to additionally consult with local adult protective services offices and with the Office of the State Long-Term Care Ombudsman when producing new or updated training materials. ~~The bill would require every law enforcement officer who would ordinarily respond to elder or dependent adult abuse reports or incidents of domestic violence to complete an updated course of instruction on elder abuse every 2 years. The bill would require local law enforcement agencies to provide their peace officers who respond to elder and dependent adult abuse complaints with a card containing specified information relating to elder and dependent adult abuse, including, among other things, a telephone number for the local adult protective services agency and the telephone number for the local long-term care ombudsman.~~

~~By imposing additional requirements on local law enforcement agencies, this bill would impose a state-mandated local program.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 368.7 is added to the Penal Code, to read:~~
 2 ~~368.7. Local law enforcement agencies shall provide to all~~
 3 ~~peace officers who would ordinarily respond to reports or incidents~~
