

ASSEMBLY BILL

No. 2708

Introduced by Assembly Member Muratsuchi

February 21, 2014

An act to amend Section 89225 of the Education Code, relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 2708, as introduced, Muratsuchi. Public postsecondary education: cross-enrollment: online education at the California State University.

Existing law establishes the California State University, under the administration of the Trustees of the California State University. Existing law authorizes, by the beginning of the 2015–16 academic year, any student enrolled at a campus of the California State University who meets specified requirements to enroll, without formal admission, and without payment of additional tuition or fees, except as provided, in a course provided entirely online, as defined, by another campus of the California State University on a space-available basis. Existing law requires the trustees to establish a series of uniform definitions for online education for the California State University on or before January 1, 2015, as specified.

This bill would make nonsubstantive changes to the provision requiring the trustees to establish uniform definitions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
