An act to amend Sections 7522.02, 7522.04, 7522.10, 7522.25, 7522.30, 7522.32, 7522.34, 7522.40, 7522.43, 7522.56, 7522.72, 7522.74, 20683.2, 21400, 31494.1, 31800, 31808, and 31812 of, and to repeal Section 7522.66 of, the Government Code, relating to public employees’ retirement, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 4, 2013. Filed with Secretary of State October 4, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

SB 13, Beall. Public employees’ retirement benefits.

(1) The Public Employees' Retirement Law (PERL) establishes the Public Employees’ Retirement System (PERS) and the Teachers' Retirement Law establishes the State Teachers’ Retirement System for the purpose of providing pension benefits to specified public employees. Existing law also establishes the Judges’ Retirement System II which provides pension benefits to elected judges and the Legislators’ Retirement System which provides pension benefits to elective officers of the state other than judges and to legislative statutory officers. The County Employees Retirement Law of 1937 authorizes counties to establish retirement systems pursuant to its provisions in order to provide pension benefits to county, city, and district employees.

The California Public Employees’ Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, requires a public retirement system, as defined, to modify its plan or plans to comply with the act and, among other provisions, establishes new retirement formulas that may not be exceeded by a public employer offering a defined benefit pension plan, setting the maximum benefit allowable for employees first hired on or after January 1, 2013, as a formula commonly known as 2.5% at age 67 for nonsafety members, one of 3 formulas for safety members, 2% at age 57, 2.5% at age 57, or 2.7% at age 57, and 1.25% at age 67 for new state miscellaneous or industrial members who elect to be in Tier 2. Under PEPRA, the Judges’ Retirement System and the Judges’ Retirement System II are not required to adopt the defined benefit formula contained in certain other provisions.

This bill would correct an erroneous cross-reference in the above provision and would instead specify that the Judges’ Retirement System and the Judges’ Retirement System II are not required to adopt the defined benefit formula contained in other provisions for nonsafety and safety members. The bill would except from PEPRA certain multiemployer plans authorized under, and regulated by, specified federal law. The bill would also except from PEPRA public employees whose collective bargaining rights are
subject to specified provisions of federal law until a specified federal district
court decision on certification by the United States Secretary of Labor, or
his or her designee, or until January 1, 2015, whichever is sooner. The bill
would also provide that if a federal district court upholds the determination
of the United States Secretary of Labor, or his or her designee, that
application of PEPRA to those public employees precludes certification,
those employees are excepted from PEPRA. The bill would clarify the
application of PEPRA to employees who were employed prior to January
1, 2013, who have service credit in a different retirement system or who
change positions for the same employer without a break in service, as
specified. The bill would authorize a public retirement system to adopt
regulations and resolutions in order to modify its retirement plan or plans
to conform with PEPRA.

(2) PEPRA authorizes a public employer offering a retirement benefit
plan consisting solely of a defined contribution plan prior to January 1,
2013, to continue to offer that plan instead of the defined benefit plan
required pursuant to PEPRA. However, PEPRA requires an employer that
adopts a new defined benefit pension plan or defined benefit formula on or
after January 1, 2013, to conform the plan or formula to the requirements
of PEPRA or be determined and certified by the retirement system’s chief
actuary and the system’s board to have no greater risk and no greater cost
to the employer than the defined benefit formula and to be approved by the
Legislature. Under that law, new members of the employer’s plan may only
participate in the defined contribution plan that was in place before January
1, 2013, or a defined contribution plan or defined benefit formula that
conforms to the requirements of PEPRA.

This bill would specify that the above provisions are not to be construed
to prohibit an employer from offering a defined contribution plan on or after
January 1, 2013, either with or without a defined benefit plan, if the employer
did not offer a defined contribution plan prior to that date.

(3) PEPRA defines pensionable compensation for new members and
limits payments and compensation that may be used to calculate a defined
benefit for new members and provides that this number shall be adjusted
based on changes to the Consumer Price Index for All Urban Consumers.
PEPRA permits an employer to provide a contribution to a defined
contribution plan for compensation that is in excess of that limit subject to
other limits described in federal law. PEPRA excludes specified payments
from the definition of pensionable compensation.

This bill would specify the method by which adjustments to pensionable
compensation limits based on the Consumer Price Index are to be made and
which consumer price index is to be used for this purpose. The bill would
revise how limits on an employer’s contributions to a defined contribution
plan are to be determined, as specified, and would specifically authorize a
retirement system to limit the pensionable compensation used to calculate
contributions for new members in this regard. The bill would specify that
the exclusions from pensionable compensation apply to new members. The
bill would prescribe requirements for exclusions from pensionable
compensation that are collectively bargained with represented state employees or imposed on nonrepresented state employees.

(4) On and after January 1, 2013, PEPRA requires each retirement system that offers a defined benefit plan for safety members of the system to use one or more of specified defined benefit formulas and requires an employer to offer one or more of those formulas to new employees who are safety employees eligible for membership in the program.

This bill would instead require an employer to offer one or more of those formulas to new members who are safety employees.

(5) On and after January 1, 2013, PEPRA requires new employees of specified public employers, the California State University, and the judicial branch who participate in a defined benefit plan to have an initial contribution rate of at least 50% of the normal cost rate for that defined benefit plan, rounded to the nearest \(\frac{1}{4}\%\) of 1%, or the current contribution rate of similarly situated employees, whichever is greater.

This bill would make that provision applicable to new members employed by those entities and new members employed by the Legislature. The bill would also specify that this contribution rate for new members shall be the greater of the above 2 rates, if the greater, current contribution rate has been agreed to through the collective bargaining process. The bill would specify, with regard to the definition of normal cost, that a retirement system’s actuary may use either of 2 rates of contribution, as may be applicable to the retirement system. The bill would require that, for purposes of calculating the normal cost rate, the actuarial valuation of retirement benefits includes any elements that impact the actuarial determination of the normal cost, including, but not limited to, the retirement formula, eligibility and vesting criteria, ancillary benefit provisions, and any automatic cost-of-living adjustments.

(6) PEPRA provides, for the purpose of determining a retirement benefit paid to a person who first becomes a member of a public retirement system on or after January 1, 2013, that final compensation means the member’s highest average annual pensionable compensation earned, as defined, during a period of at least 36 consecutive months, or at least 3 school years, as specified.

This bill would provide for the purpose defining final compensation, as described above, the school years are to be consecutive.

(7) PEPRA prohibits a public employer from providing a retirement health benefit vesting schedule to a manager or an employee or officer who is excluded from collective bargaining that is more advantageous than that provided generally to other public employees of the same employer who are in related membership classifications.

This bill would clarify that these provisions do not require an employer to change the vesting schedule of any employee who was subject to a specific retiree health benefit vesting schedule prior to January 1, 2013, or who had a contractual agreement prior to January 1, 2013, for a specific retiree health vesting schedule and make technical changes.
(8) On and after January 1, 2013, PEPRA prohibits a public employer from offering a plan of replacement benefits for members and any survivors or beneficiaries whose retirement benefits are limited by specified federal law. On and after January 1, 2013, PEPRA makes that prohibition and certain other provisions related to replacement benefits applicable to new employees.

This bill would instead make those provisions applicable to new members.

(9) PEPRA generally prohibits a retired person who retires from a public employer from serving, being employed by, or being employed through a contract directly by, a public employer in the same retirement system from which the retiree receives a pension benefit without reinstatement, subject to certain exceptions and limitations. The act prohibits reemployment of a retiree pursuant to these provisions for a period of 180 days following the date of retirement unless he or she falls within certain exceptions to the prohibition, of which one is that the retiree is a public safety officer or a firefighter.

This bill would clarify that, for a retiree who is a public safety officer or a firefighter, he or she must be hired to perform a function or functions regularly performed by a safety officer or firefighter.

(10) PEPRA, until January 1, 2018, authorizes a safety member of a public retirement system who retires for industrial disability to receive a disability retirement equal to the greater of specified benefit amounts.

This bill would repeal the above provision.

(11) PEPRA requires that a public employee, including one who is elected or appointed to a public office, who is convicted of any state or federal felony for conduct arising out of, or in the performance of, his or her official duties in pursuit of the office or appointment, or in connection with obtaining salary, disability retirement, service retirement, or other benefits, forfeit rights, and benefits earned or accrued from the earliest date of the commission of the felony to the forfeiture date, as specified.

This bill would provide that these provisions supplement the application of specified forfeiture provisions with respect to a judge and, if there is a conflict, the provisions that result in the greatest forfeiture or provide the most stringent procedural requirements shall apply.

(12) PERL prescribes increases in required employee defined benefit plan contributions, in relation to the normal cost of benefits, for specified bargaining units. PERL requires that contribution rates for employees who are exempted from the definition of state employee and for officers and employees of the executive, legislative, or judicial branches of government who are not members of the civil service be adjusted consistent with those provisions. PERL requires that savings realized from specified employee contribution increases be allocated, upon appropriation by the Legislature, to any unfunded liability.

This bill would apply the provisions described above to state employees excluded from collective bargaining. The bill would authorize the California State University, on or after January 1, 2019, to require that its member employees pay up to certain percentages of the normal cost of benefits.
depending on employment classification, as specified. The bill would except savings realized by the California State University as a result of increased employee contribution rates from allocation to unfunded liability and would make a statement of intent in this regard.

(13) Under PEPRA, a state safety member of PERS who retires on or after January 1, 2013, for industrial disability receives a disability retirement benefit equal to the greater of certain benefits, including, among others, 50% of his or her final compensation, plus an annuity purchased with his or her accumulated contributions, if any.

This bill would clarify that the portion of the industrial disability retirement benefit described above refers to an annuity purchased with the member’s accumulated additional contributions.

(14) The County Employees Retirement Law of 1937 (CERL) establishes an alternative retirement plan that is applicable to Los Angeles, which includes both contributory and noncontributory plans. CERL prescribes specified formulas for computation of the retirement allowance payable for a service retirement, and for the computation of contributions, for certain members, including those to whom the federal Social Security Act applies.

This bill would make a technical change in the alternate retirement plan that is applicable to Los Angeles. The bill would specify that certain formulas prescribed by CERL do not apply to a person who becomes a member of a county retirement system under a benefit plan subject to PEPRA, as specified.

(15) This bill would make legislative findings and declarations regarding its relation to existing law and intended application.

(16) This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that this act clarifies the California Public Employees’ Pension Reform Act of 2013, is declaratory of existing law, and is intended to apply concurrently with the initial operation of that act.

SEC. 2. Section 7522.02 of the Government Code is amended to read:

7522.02. (a) (1) Notwithstanding any other law, except as provided in this article, on and after January 1, 2013, this article shall apply to all state and local public retirement systems and to their participating employers, including the Public Employees’ Retirement System, the State Teachers’ Retirement System, the Legislators’ Retirement System, the Judges’ Retirement System, the Judges’ Retirement System II, county and district retirement systems created pursuant to the County Employees Retirement Law of 1937, independent public retirement systems, and to individual retirement plans offered by public employers. However, this article shall be subject to the Internal Revenue Code and Section 17 of Article XVI of the California Constitution. The administration of the requirements of this
article shall comply with applicable provisions of the Internal Revenue Code and the Revenue and Taxation Code.

(2) Notwithstanding paragraph (1), this article shall not apply to the entities described in Section 9 of Article IX of, and Sections 4 and 5 of Article XI of, the California Constitution, except to the extent that these entities continue to be participating employers in any retirement system governed by state statute. Accordingly, any retirement plan approved before January 1, 2013, by the voters of any entity excluded from coverage by this section shall not be affected by this article.

(3) (A) Notwithstanding paragraph (1), this article shall not apply to a public employee whose interests are protected under Section 5333(b) of Title 49 of the United States Code until a federal district court rules that the United States Secretary of Labor, or his or her designee, erred in determining that the application of this article precludes certification under that section, or until January 1, 2015, whichever is sooner.

(B) If a federal district court upholds the determination of the United States Secretary of Labor, or his or her designee, that application of this article precludes him or her from providing a certification under Section 5333(b) of Title 49 of the United States Code, this article shall not apply to a public employee specified in subparagraph (A).

(4) Notwithstanding paragraph (1), this article shall not apply to a multiemployer plan authorized by Section 302(c)(5) of the Taft-Hartley Act (29 U.S.C. Sec. 186(c)(5)) if the public employer began participation in that plan prior to January 1, 2013, and the plan is regulated by the Employee Retirement Income Security Act of 1974.

(b) The benefit plan required by this article shall apply to public employees who are new members as defined in Section 7522.04.

(c) (1) Individuals who were employed by any public employer before January 1, 2013, and who became employed by a subsequent public employer for the first time on or after January 1, 2013, shall be subject to the retirement plan that would have been available to employees of the subsequent employer who were first employed by the subsequent employer on or before December 31, 2012, if the individual was subject to concurrent membership for which creditable service was performed in the previous six months or reciprocity established under any of the following provisions:

   (A) Article 5 (commencing with Section 20350) of Chapter 3 of Part 3 of Division 5 of Title 2.
   (B) Chapter 3 (commencing with Section 31450) of Part 3 of Division 4 of Title 3.
   (C) Any agreement between public retirement systems to provide reciprocity to members of the systems.
   (D) Section 22115.2 of the Education Code.

(2) An individual who was employed before January 1, 2013, and who, without a separation from employment, changed employment positions and became subject to a different defined benefit plan in a different public retirement system offered by his or her employer shall be subject to that
defined benefit plan as it would have been available to employees who were
first employed on or before December 31, 2012.

(d) If a public employer, before January 1, 2013, offers a defined benefit
pension plan that provides a defined benefit formula with a lower benefit
factor at normal retirement age and results in a lower normal cost than the
defined benefit formula required by this article, that employer may continue
to offer that defined benefit formula instead of the defined benefit formula
required by this article, and shall not be subject to the requirements of
Section 7522.10 for pensionable compensation subject to that formula.
However, if the employer adopts a new defined benefit formula on or after
January 1, 2013, that formula must conform to the requirements of this
article or must be determined and certified by the retirement system’s chief
actuary and the retirement board to have no greater risk and no greater cost
to the employer than the defined benefit formula required by this article and
must be approved by the Legislature. New members of the defined benefit
plan may only participate in the lower cost defined benefit formula that was
in place before January 1, 2013, or a defined benefit formula that conforms
to the requirements of this article or is approved by the Legislature as
provided in this subdivision.

(e) If a public employer, before January 1, 2013, offers a retirement
benefit plan that consists solely of a defined contribution plan, that employer
may continue to offer that plan instead of the defined benefit pension plan
required by this article. However, if the employer adopts a new defined
benefit pension plan or defined benefit formula on or after January 1, 2013,
that plan or formula must conform to the requirements of this article or must
be determined and certified by the retirement system’s chief actuary and
the system’s board to have no greater risk and no greater cost to the employer
than the defined benefit formula required by this article and must be
approved by the Legislature. New members of the employer’s plan may
only participate in the defined contribution plan that was in place before
January 1, 2013, or a defined contribution plan or defined benefit formula
that conforms to the requirements of this article. This subdivision shall not
be construed to prohibit an employer from offering a defined contribution
plan on or after January 1, 2013, either with or without a defined benefit
plan, whether or not the employer offered a defined contribution plan prior
to that date.

(f) The Judges’ Retirement System and the Judges’ Retirement System
II shall not be required to adopt the defined benefit formula required by
Section 7522.20 or 7522.25 or the compensation limitations defined in
Section 7522.10.

(g) This article shall not be construed to provide membership in any
public retirement system for an individual who would not otherwise be
eligible for membership under that system’s applicable rules or laws.

(h) On and after January 1, 2013, each public retirement system shall
modify its plan or plans to comply with the requirements of this article and
may adopt regulations or resolutions for this purpose.

SEC. 3. Section 7522.04 of the Government Code is amended to read:
7522.04. For the purposes of this article:
(a) “Defined benefit formula” means a formula used by the retirement system to determine a retirement benefit based on age, years of service, and pensionable compensation earned by an employee up to the limit defined in Section 7522.10.
(b) “Employee contributions” means the contributions to a public retirement system required to be paid by a member of the system, as fixed by law, regulation, administrative action, contract, contract amendment, or other written agreement recognized by the retirement system as establishing an employee contribution.
(c) “Federal system” means the old age, survivors, disability, and health insurance provisions of the federal Social Security Act (42 U.S.C. Sec. 301 et seq.).
(d) “Member” means a public employee who is a member of any type of a public retirement system or plan.
(e) “New employee” means either of the following:
(1) An employee, including one who is elected or appointed, of a public employer who is employed for the first time by any public employer on or after January 1, 2013, and who was not employed by any other public employer prior to that date.
(2) An employee, including one who is elected or appointed, of a public employer who is employed for the first time by any public employer on or after January 1, 2013, and who was employed by another public employer prior to that date, but who was not subject to reciprocity under subdivision (c) of Section 7522.02.
(f) “New member” means any of the following:
(1) An individual who becomes a member of any public retirement system for the first time on or after January 1, 2013, and who was not a member of any other public retirement system prior to that date.
(2) An individual who becomes a member of a public retirement system for the first time on or after January 1, 2013, and who was a member of another public retirement system prior to that date, but who was not subject to reciprocity under subdivision (c) of Section 7522.02.
(3) An individual who was an active member in a retirement system and who, after a break in service of more than six months, returned to active membership in that system with a new employer. For purposes of this subdivision, a change in employment between state entities or from one school employer to another shall not be considered as service with a new employer.
(g) “Normal cost” means the portion of the present value of projected benefits under the defined benefit that is attributable to the current year of service, as determined by the public retirement system’s actuary according to the most recently completed valuation. For the purpose of determining normal cost, the system’s actuary may use a single rate of contribution or an age-based rate of contribution as is applicable to that retirement system.
(h) “Public employee” means an officer, including one who is elected or appointed, or an employee of a public employer.
(i) “Public employer” means:

(1) The state and every state entity, including, but not limited to, the Legislature, the judicial branch, including judicial officers, and the California State University.

(2) Any political subdivision of the state, or agency or instrumentality of the state or subdivision of the state, including, but not limited to, a city, county, city and county, a charter city, a charter county, school district, community college district, joint powers authority, joint powers agency, and any public agency, authority, board, commission, or district.

(3) Any charter school that elects or is required to participate in a public retirement system.

(j) “Public retirement system” means any pension or retirement system of a public employer, including, but not limited to, an independent retirement plan offered by a public employer that the public employer participates in or offers to its employees for the purpose of providing retirement benefits, or a system of benefits for public employees that is governed by Section 401(a) of Title 26 of the United States Code.

SEC. 4. Section 7522.10 of the Government Code is amended to read:

7522.10. (a) On and after January 1, 2013, each public retirement system shall modify its plan or plans to comply with the requirements of this section for each public employer that participates in the system.

(b) Whenever pensionable compensation, as defined in Section 7522.34, is used in the calculation of a benefit, the pensionable compensation shall be subject to the limitations set forth in subdivision (c).

(c) The pensionable compensation used to calculate the defined benefit paid to a new member who retires from the system shall not exceed the following applicable percentage of the contribution and benefit base specified in Section 430(b) of Title 42 of the United States Code on January 1, 2013:

(1) One hundred percent for a member whose service is included in the federal system.

(2) One hundred twenty percent for a member whose service is not included in the federal system.

(d) (1) The retirement system shall adjust the pensionable compensation described in subdivision (c) based on the annual changes to the Consumer Price Index for All Urban Consumers: U.S. City Average, calculated by dividing the Consumer Price Index for All Urban Consumers: U.S. City Average, for the month of September in the calendar year preceding the adjustment by the Consumer Price Index for All Urban Consumers: U.S. City Average, for the month of September of the previous year rounded to the nearest thousandth. The adjustment shall be effective annually on January 1, beginning in 2014.

(2) The Legislature reserves the right to modify the requirements of this subdivision with regard to all public employees subject to this section, except that the Legislature may not modify these provisions in a manner that would result in a decrease in benefits accrued prior to the effective date of the modification.
(e) A public employer shall not offer a defined benefit or any combination of defined benefits, including a defined benefit offered by a private provider, on compensation in excess of the limitation in subdivision (c).

(f) (1) Subject to the limitation in subdivision (c) of Section 7522.42, a public employer may provide a contribution to a defined contribution plan for compensation in excess of the limitation in subdivision (c) provided the plan and the contribution meet the requirements and limits of federal law.

(2) A public employee who receives an employer contribution to a defined contribution plan shall not have a vested right to continue receiving the employer contribution.

(g) Any employer contributions to any employee defined contribution plan above the pensionable compensation limits in subdivision (c) shall not exceed the employer’s contribution rate, as a percentage of pay, required to fund the defined benefit plan for income subject to the limitation in subdivision (c) of Section 7522.42.

(h) The retirement system shall limit the pensionable compensation used to calculate the contributions required of an employer or a new member to the amount of compensation that would be used for calculating a defined benefit as set forth in subdivision (c) or (d).

SEC. 5. Section 7522.25 of the Government Code is amended to read:

7522.25. (a) Each retirement system that offers a defined benefit plan for safety members of the system shall use one or more of the defined benefit formulas prescribed by this section. A member may retire for service under any of the formulas in this section after five years of service and upon reaching 50 years of age.

(b) The Basic Safety Plan shall provide a pension at retirement for service equal to the percentage of the member’s final compensation set forth opposite the member’s age at retirement, taken to the preceding quarter year, in the following table, multiplied by the number of years of service in the system as a safety member.

(e) On and after January 1, 2013, an employer shall offer one or more of the safety formulas prescribed by this section to new members who are safety employees. The formula offered shall be the formula that is closest to, and provides a lower benefit at 55 years of age than, the formula provided...
to members in the same retirement classification offered by the employer on December 31, 2012.

(f) On and after January 1, 2013, an employer and its employees subject to Safety Option Plan One or Safety Option Plan Two may agree in a memorandum of understanding to be subject to Safety Option Plan One or the Basic Safety Plan, subject to the following:

1. The lower plan shall apply to members first employed on or after the effective date of the lower plan, and shall be agreed to in a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

2. A retirement plan contract amendment with a public retirement system to alter a retirement formula pursuant to this subdivision shall not be implemented by the employer in the absence of a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

3. An employer shall not use impasse procedures to impose the lower plan.

4. An employer shall not provide a different defined benefit for nonrepresented, managerial, or supervisory employees than the employer provides for other public employees, including represented employees, of the same employer who are in the same membership classifications.

5. Pensionable compensation used to calculate the defined benefit shall be limited as described in Section 7522.10.

SEC. 6. Section 7522.30 of the Government Code is amended to read:

7522.30. (a) This section shall apply to all public employers and to all new members. Equal sharing of normal costs between public employers and public employees shall be the standard. The standard shall be that employees pay at least 50 percent of normal costs and that employers not pay any of the required employee contribution.

(b) The “normal cost rate” shall mean the annual actuarially determined normal cost for the plan of retirement benefits provided to the new member and shall be established based on the actuarial assumptions used to determine the liabilities and costs as part of the annual actuarial valuation. The plan of retirement benefits shall include any elements that would impact the actuarial determination of the normal cost, including, but not limited to, the retirement formula, eligibility and vesting criteria, ancillary benefit provisions, and any automatic cost-of-living adjustments as determined by the public retirement system.

(c) New members employed by those public employers defined in paragraphs (2) and (3) of subdivision (i) of Section 7522.04, the Legislature, the California State University, and the judicial branch who participate in a defined benefit plan shall have an initial contribution rate of at least 50 percent of the normal cost rate for that defined benefit plan, rounded to the nearest quarter of 1 percent, unless a greater contribution rate has been agreed to pursuant to the requirements in subdivision (e). This contribution shall not be paid by the employer on the employee’s behalf.
(d) Notwithstanding subdivision (c), once established, the employee contribution rate described in subdivision (c) shall not be adjusted on account of a change to the normal cost rate unless the normal cost rate increases or decreases by more than 1 percent of payroll above or below the normal cost rate in effect at the time the employee contribution rate is first established or, if later, the normal cost rate in effect at the time of the last adjustment to the employee contribution rate under this section.

(e) Notwithstanding subdivision (c), employee contributions may be more than one-half of the normal cost rate if the increase has been agreed to through the collective bargaining process, subject to the following conditions:

1. The employer shall not contribute at a greater rate to the plan for nonrepresented, managerial, or supervisory employees than the employer contributes for other public employees, including represented employees, of the same employer who are in related retirement membership classifications.

2. The employer shall not increase an employee contribution rate in the absence of a memorandum of understanding that has been collectively bargained in accordance with applicable laws.

3. The employer shall not use impasse procedures to increase an employee contribution rate above the rate required by this section.

(f) If the terms of a contract, including a memorandum of understanding, between a public employer and its public employees, that is in effect on January 1, 2013, would be impaired by any provision of this section, that provision shall not apply to the public employer and public employees subject to that contract until the expiration of that contract. A renewal, amendment, or any other extension of that contract shall be subject to the requirements of this section.

SEC. 7. Section 7522.32 of the Government Code is amended to read:

7522.32. For the purposes of determining a retirement benefit to be paid to a new member of a public retirement system, the following shall apply:

(a) Final compensation shall mean the highest average annual pensionable compensation earned by the member during a period of at least 36 consecutive months, or at least three consecutive school years if applicable, immediately preceding his or her retirement or last separation from service if earlier, or during any other period of at least 36 consecutive months, or at least three consecutive school years if applicable, during the member’s applicable service that the member designates on the application for retirement.

(b) On or after January 1, 2013, an employer shall not modify a benefit plan to permit a calculation of final compensation on a basis of less than the average annual compensation earned by the member during a consecutive 36-month period, or three school years if applicable, for members who have been subject to at least a 36-month or three-school-year calculation prior to that date.

SEC. 8. Section 7522.34 of the Government Code is amended to read:
7522.34. (a) “Pensionable compensation” of a new member of any public retirement system means the normal monthly rate of pay or base pay of the member paid in cash to similarly situated members of the same group or class of employment for services rendered on a full-time basis during normal working hours, pursuant to publicly available pay schedules, subject to the limitations of subdivision (c).

(b) Compensation that has been deferred shall be deemed pensionable compensation when earned rather than when paid.

(c) Notwithstanding any other law, “pensionable compensation” of a new member does not include the following:

1. Any compensation determined by the board to have been paid to increase a member’s retirement benefit under that system.

2. Compensation that had previously been provided in kind to the member by the employer or paid directly by the employer to a third party other than the retirement system for the benefit of the member and which was converted to and received by the member in the form of a cash payment.

3. Any one-time or ad hoc payments made to a member.

4. Severance or any other payment that is granted or awarded to a member in connection with or in anticipation of a separation from employment, but is received by the member while employed.

5. Payments for unused vacation, annual leave, personal leave, sick leave, or compensatory time off, however denominated, whether paid in a lump sum or otherwise, regardless of when reported or paid.

6. Payments for additional services rendered outside of normal working hours, whether paid in a lump sum or otherwise.

7. Any employer-provided allowance, reimbursement, or payment, including, but not limited to, one made for housing, vehicle, or uniforms.

8. Compensation for overtime work, other than as defined in Section 207(k) of Title 29 of the United States Code.

9. Employer contributions to deferred compensation or defined contribution plans.

10. Any bonus paid in addition to the compensation described in subdivision (a).

11. Any other form of compensation a public retirement board determines is inconsistent with the requirements of subdivision (a).

12. Any other form of compensation a public retirement board determines should not be pensionable compensation.

13. (A) Any form of compensation identified that has been agreed to be nonpensionable pursuant to a memorandum of understanding for state employees bound by the memorandum of understanding. The state employer subject to the memorandum of understanding shall inform the retirement system of the excluded compensation and provide a copy of the memorandum of understanding.

(B) The state employer may determine if excluded compensation identified in subparagraph (A) shall apply to nonrepresented state employees who are aligned with state employees subject to the memorandum of understanding described in subparagraph (A). The state employer shall
inform the retirement system of the exclusion of this compensation and provide a copy of the public pay schedule detailing the exclusion.

SEC. 9. Section 7522.40 of the Government Code is amended to read:

7522.40. (a) A public employer shall not provide to a public employee who is elected or appointed, a trustee, excluded from collective bargaining, exempt from civil service, or a manager any vesting schedule for the employer contribution payable for postretirement health benefits that is more advantageous than that provided generally to other public employees, including represented employees, of the same public employer who are in related retirement membership classifications.

(b) This section shall not require an employer to change the vesting schedule for the employer contribution payable for postretirement health benefits of any public employee who was subject to a specific vesting schedule pursuant to statute, collective bargaining agreement, or resolution for these employer contributions prior to January 1, 2013, or who had a contractual agreement with an employer prior to January 1, 2013, for a specific vesting schedule for these employer contributions.

SEC. 10. Section 7522.43 of the Government Code is amended to read:

7522.43. (a) A public employer shall not offer a plan of replacement benefits for members and any survivors or beneficiaries whose retirement benefits are limited by Section 415 of Title 26 of the United States Code. This section shall apply to new members.

(b) A public retirement system may continue to administer a plan of replacement benefits for employees first hired prior to January 1, 2013.

(c) A public employer that does not offer a plan of replacement benefits prior to January 1, 2013, shall not offer such a plan for any employee on or after January 1, 2013.

(d) A public employer that offers a plan of replacement benefits prior to January 1, 2013, shall not offer such a plan to any additional employee group to which the plan was not provided prior to January 1, 2013.

SEC. 11. Section 7522.56 of the Government Code is amended to read:

7522.56. (a) This section shall apply to any person who is receiving a pension benefit from a public retirement system and shall supersede any other provision in conflict with this section.

(b) A retired person shall not serve, be employed by, or be employed through a contract directly by, a public employer in the same public retirement system from which the retiree receives the benefit without reinstatement from retirement, except as permitted by this section.

(c) A person who retires from a public employer may serve without reinstatement from retirement or loss or interruption of benefits provided by the retirement system upon appointment by the appointing power of a public employer either during an emergency to prevent stoppage of public business or because the retired person has skills needed to perform work of limited duration.

(d) Appointments of the person authorized under this section shall not exceed a total for all employers in that public retirement system of 960 hours or other equivalent limit, in a calendar or fiscal year, depending on the
administrator of the system. The rate of pay for the employment shall not be less than the minimum, nor exceed the maximum, paid by the employer to other employees performing comparable duties, divided by 173.333 to equal an hourly rate. A retired person whose employment without reinstatement is authorized by this section shall acquire no service credit or retirement rights under this section with respect to the employment unless he or she reinstates from retirement.

(e) (1) Notwithstanding subdivision (c), any retired person shall not be eligible to serve or be employed by a public employer if, during the 12-month period prior to an appointment described in this section, the retired person received any unemployment insurance compensation arising out of prior employment subject to this section with a public employer. A retiree shall certify in writing to the employer upon accepting an offer of employment that he or she is in compliance with this requirement.

(2) A retired person who accepts an appointment after receiving unemployment insurance compensation as described in this subdivision shall terminate that employment on the last day of the current pay period and shall not be eligible for reappointment subject to this section for a period of 12 months following the last day of employment.

(f) A retired person shall not be eligible to be employed pursuant to this section for a period of 180 days following the date of retirement unless he or she meets one of the following conditions:

(1) The employer certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days have passed and the appointment has been approved by the governing body of the employer in a public meeting. The appointment may not be placed on a consent calendar.

(2) The state employer certifies the nature of the employment and that the appointment is necessary to fill a critically needed state employment position before 180 days have passed and the appointment has been approved by the Department of Human Resources. The department may establish a process to delegate appointing authority to individual state agencies, but shall audit the process to determine if abuses of the system occur. If necessary, the department may assume an agency’s appointing authority for retired workers and may charge the department an appropriate amount for administering that authority.

(3) The retiree is eligible to participate in the Faculty Early Retirement Program pursuant to a collective bargaining agreement with the California State University that existed prior to January 1, 2013, or has been included in subsequent agreements.

(4) The retiree is a public safety officer or firefighter hired to perform a function or functions regularly performed by a public safety officer or firefighter.

(g) A retired person who accepted a retirement incentive upon retirement shall not be eligible to be employed pursuant to this section for a period of 180 days following the date of retirement and subdivision (f) shall not apply.
(b) This section shall not apply to a person who is retired from the State Teachers’ Retirement System, and who is subject to Section 24214, 24214.5, or 26812 of the Education Code.

(i) This section shall not apply to (1) a subordinate judicial officer whose position, upon retirement, is converted to a judgeship pursuant to Section 69615, and he or she returns to work in the converted position, and the employer is a trial court, or (2) a retiree who takes office as a judge of a court of record pursuant to Article VI of the California Constitution or a retiree of the Judges’ Retirement System or the Judges’ Retirement System II who is appointed to serve as a retired judge.

SEC. 12. Section 7522.66 of the Government Code is repealed.

SEC. 13. Section 7522.72 of the Government Code is amended to read:

7522.72. (a) This section shall apply to a public employee first employed by a public employer or first elected or appointed to an office before January 1, 2013, and, on and after that date, Section 7522.70 shall not apply.

(b) (1) If a public employee is convicted by a state or federal trial court of any felony under state or federal law for conduct arising out of or in the performance of his or her official duties, in pursuit of the office or appointment, or in connection with obtaining salary, disability retirement, service retirement, or other benefits, he or she shall forfeit all accrued rights and benefits in any public retirement system in which he or she is a member to the extent provided in subdivision (c) and shall not accrue further benefits in that public retirement system, effective on the date of the conviction.

(2) If a public employee who has contact with children as part of his or her official duties is convicted of a felony that was committed within the scope of his or her official duties against or involving a child who he or she has contact with as part of his or her official duties, he or she shall forfeit all accrued rights and benefits in any public retirement system in which he or she is a member to the extent provided in subdivision (c) and shall not accrue further benefits in that public retirement system, effective on the date of the conviction.

(c) (1) A public employee shall forfeit all the rights and benefits earned or accrued from the earliest date of the commission of any felony described in subdivision (b) to the forfeiture date, inclusive. The rights and benefits shall remain forfeited notwithstanding any reduction in sentence or expungement of the conviction following the date of the public employee’s conviction. Rights and benefits attributable to service performed prior to the date of the first commission of the felony for which the public employee was convicted shall not be forfeited as a result of this section.

(2) For purposes of this subdivision, “forfeiture date” means the date of the conviction.

(d) (1) Any contributions to the public retirement system made by the public employee described in subdivision (b) on or after the earliest date of the commission of any felony described in subdivision (b) shall be returned, without interest, to the public employee upon the occurrence of a distribution event unless otherwise ordered by a court or determined by the pension administrator.
(2) Any funds returned to the public employee pursuant to subdivision (d) shall be disbursed by electronic funds transfer to an account of the public employee, in a manner conforming with the requirements of the Internal Revenue Code, and the public retirement system shall notify the court and the district attorney at least three business days before that disbursement of funds.

(3) For the purposes of this subdivision, a “distribution event” means any of the following:
   (A) Separation from employment.
   (B) Death of the member.
   (C) Retirement of the member.

(e) (1) Upon conviction, a public employee as described in subdivision (b) and the prosecuting agency shall notify the public employer who employed the public employee at the time of the commission of the felony within 60 days of the felony conviction of all of the following information:
   (A) The date of conviction.
   (B) The date of the first known commission of the felony.
   (2) The operation of this section is not dependent upon the performance of the notification obligations specified in this subdivision.

(f) The public employer that employs or employed a public employee described in subdivision (b) and that public employee shall each notify the public retirement system in which the public employee is a member of that public employee’s conviction within 90 days of the conviction. The operation of this section is not dependent upon the performance of the notification obligations specified in this subdivision.

(g) A public retirement system may assess a public employer a reasonable amount to reimburse the cost of audit, adjustment, or correction, if it determines that the public employer failed to comply with this section.

(h) If a public employee’s conviction is reversed and that decision is final, the employee shall be entitled to do either of the following:
   (1) Recover the forfeited rights and benefits as adjusted for the contributions received pursuant to subdivision (d).
   (2) Redeposit those contributions and interest that would have accrued during the forfeiture period, as determined by the system actuary, and then recover the full amount of the forfeited rights and benefits.

(i) The forfeiture of rights and benefits provided in this section, with respect to judges, are in addition to and supplement the forfeitures and other requirements provided in Section 75033.2, 75062, 75526, or 75563. If there is a conflict between this section and Section 75033.2, 75062, 75526, or 75563, the provisions that result in the greatest forfeiture or provide the most stringent procedural requirements to the claim of a judge shall apply.

(j) A public employee first employed by a public employer or first elected or appointed to an office on or after January 1, 2013, shall be subject to Section 7522.74.

SEC. 14. Section 7522.74 of the Government Code is amended to read:
7522.74. (a) This section shall apply to a public employee first employed by a public employer or first elected or appointed to an office on or after January 1, 2013, and on and after that date, Section 7522.70 shall not apply.

(b) (1) If a public employee is convicted by a state or federal trial court of any felony under state or federal law for conduct arising out of or in the performance of his or her official duties, in pursuit of the office or appointment, or in connection with obtaining salary, disability retirement, service retirement, or other benefits, he or she shall forfeit all accrued rights and benefits in any public retirement system in which he or she is a member to the extent provided in subdivision (c) and shall not accrue further benefits in that public retirement system, effective on the date of the conviction.

(2) If a public employee who has contact with children as part of his or her official duties is convicted of a felony that was committed within the scope of his or her official duties against or involving a child who he or she has contact with as part of his or her official duties, he or she shall forfeit all accrued rights and benefits in any public retirement system in which he or she is a member to the extent provided in subdivision (c) and shall not accrue further benefits in that public retirement system, effective on the date of the conviction.

(c) (1) A public employee shall forfeit all the rights and benefits earned or accrued from the earliest date of the commission of any felony described in subdivision (b) to the forfeiture date, inclusive. The rights and benefits shall remain forfeited notwithstanding any reduction in sentence or expungement of the conviction following the date of the public employee’s conviction. Rights and benefits attributable to service performed prior to the date of the first commission of the felony for which the public employee was convicted shall not be forfeited as a result of this section.

(2) For purposes of this subdivision, “forfeiture date” means the date of the conviction.

(d) (1) Any contributions to the public retirement system made by the public employee described in subdivision (b) on or after the earliest date of the commission of any felony described in subdivision (b) shall be returned, without interest, to the public employee upon the occurrence of a distribution event unless otherwise ordered by a court or determined by the pension administrator.

(2) Any funds returned to the public employee pursuant to subdivision (d) shall be disbursed by electronic funds transfer to an account of the public employee, in a manner conforming with the requirements of the Internal Revenue Code, and the public retirement system shall notify the court and the district attorney at least three business days before that disbursement of funds.

(3) For the purposes of this subdivision, a “distribution event” means any of the following:

(A) Separation from employment.

(B) Death of the member.

(C) Retirement of the member.
(e) (1) Upon conviction, a public employee as described in subdivision (b) and the prosecuting agency shall notify the public employer who employed the public employee at the time of the commission of the felony within 60 days of the felony conviction of all of the following information:

(A) The date of conviction.
(B) The date of the first known commission of the felony.

(2) The operation of this section is not dependent upon the performance of the notification obligations specified in this subdivision.

(f) The public employer that employs or employed a public employee described in subdivision (b) and that public employee shall each notify the public retirement system in which the public employee is a member of that public employee’s conviction within 90 days of the conviction. The operation of this section is not dependent upon the performance of the notification obligations specified in this subdivision.

(g) A public retirement system may assess a public employer a reasonable amount to reimburse the cost of audit, adjustment, or correction, if it determines that the public employer failed to comply with this section.

(h) If a public employee’s conviction is reversed and that decision is final, the employee shall be entitled to do either of the following:

(1) Recover the forfeited rights and benefits as adjusted for the contributions received pursuant to subdivision (d).
(2) Redeposit those contributions and interest that would have accrued during the forfeiture period, as determined by the system actuary, and then recover the full amount of the forfeited rights and benefits.

(i) The forfeiture of rights and benefits provided in this section, with respect to judges, are in addition to and supplement the forfeitures and other requirements provided in Section 75033.2, 75062, 75526, or 75563. If there is a conflict between this section and Section 75033.2, 75062, 75526, or 75563, the provisions that result in the greatest forfeiture or provide the most stringent procedural requirements to the claim of a judge shall apply.

(j) A public employee first employed by a public employer or first elected or appointed to an office before January 1, 2013, shall be subject to Section 7522.72.

SEC. 15. Section 20683.2 of the Government Code is amended to read:

20683.2. Equal sharing of normal costs between the state employer and public employees shall be the standard. It shall be the standard that employees pay at least 50 percent of normal costs and that employers not pay any of the required employee contribution. Equal sharing of normal costs is currently the standard for most state employees.

(a) Notwithstanding any other section of this code, or other provision of law in conflict with this section, except as provided in Section 7522.30, normal contribution rates for defined benefit plans for state employees of public employers as defined in paragraph (1) of subdivision (i) of Section 7522.04, excluding the California State University, which shall be subject to subdivision (b), shall be determined as follows:

(1) Normal cost contribution rates shall increase as follows:
(A) The contribution rate for State Peace Officer/Firefighter members in State Bargaining Unit 6 and for State Safety members in State Bargaining Units 1, 3, 4, 7, 9, 10, 11, 14, 15, 17, 20, and 21 will increase by 1.0 percentage point on July 1, 2013, and will increase by an additional 1.0 percentage point on July 1, 2014.

(B) The contribution rate for State Peace Officer/Firefighter members in State Bargaining Units 7 and 8 will increase by 1.5 percentage points on July 1, 2013, and will increase by an additional 1.5 percentage points on July 1, 2014.

(C) The contribution rate for state industrial members in State Bargaining Units 1, 3, 4, 6, 9, 10, 11, 14, 15, 17, and 20 will increase by 1.0 percentage point on July 1, 2013.

(D) The contribution rate for state miscellaneous and industrial members that have elected the Second Tier benefit formula will increase by 1.5 percentage points annually starting July 1, 2013. The final annual increase in the contribution rate shall be adjusted as appropriate.

(E) The contribution rate for State Safety members in State Bargaining Unit 2 and state miscellaneous members in State Bargaining Unit 5 will increase by 1.0 percentage point on July 1, 2013.

(F) The contribution rate for Patrol members in State Bargaining Unit 5 will increase by 1.5 percentage points on July 1, 2013.

(2) Consistent with paragraph (1), the normal rate of contribution shall be adjusted accordingly for related state employees who are exempted from the definition of “state employee,” who are excluded from collective bargaining, or who are officers or employees of the executive, legislative, or judicial branch of state government who are not members of the civil service.

(b) On and after January 1, 2019, the California State University may require that members pay at least 50 percent of the normal cost of benefits, provided that their contribution shall be no more than 8 percent of pay for miscellaneous members subject to Section 21354.1, no more than 11 percent of pay for safety members, and no more than 13 percent of pay for peace officer/firefighter members.

(A) Before implementing any change pursuant to this paragraph, for any represented employees, the employer shall complete the good faith bargaining process as required by Chapter 12 (commencing with Section 3560) of Division 4 of Title 1, including any impasse procedures requiring mediation and factfinding.

(B) Nothing in this section shall preclude employees of the California State University from agreeing to contribute more than the costs described in this subdivision for any benefit.

(C) The Legislature authorizes to the California State University to increase member contribution rates pursuant to this paragraph, while reserving the right to adjust contribution rates under Section 20689 of the Government Code.
(c) Calculation of employee contribution rate increases pursuant to this section shall be based upon compensation calculations established pursuant to Sections 20671 to 20694, inclusive.

(d) In addition to the actuarially required contribution, savings realized by the state employer, excluding savings realized by the California State University, as a result of the employee contribution rate increases required or authorized by this section shall be allocated to any unfunded liability, subject to appropriation in the annual Budget Act. It is the intent of the Legislature that any savings realized from a change in contribution rates at the California State University pursuant to this section be retained by the university.

SEC. 16. Section 21400 of the Government Code is amended to read:

21400. (a) A safety member who retires on or after January 1, 2013, for industrial disability shall receive a disability retirement benefit equal to the greater of the following:

(2) A service retirement allowance, if he or she is qualified for service retirement.

(3) An actuarially reduced factor, as determined by the actuary, for each quarter year that his or her service age is less than 50 years, multiplied by the number of years of safety service subject to the applicable formula, if he or she is not qualified for service retirement.

(4) Nothing in this section shall require a member to receive a lower benefit than he or she would have received prior to January 1, 2013, as the law provided prior to that date.

(b) This section shall remain in effect only until January 1, 2018, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2018, deletes or extends that date.

SEC. 17. Section 31494.1 of the Government Code is amended to read:

31494.1. (a) In accordance with the provisions of this section, general members, whose retirement benefits are governed by the noncontributory plan created by this article, may transfer to the contributory plan. Contributory plan shall mean Retirement Plan D. Transfer may be made by election upon written application executed by the member and filed with the board on or before the election date and shall be effective on the transfer date, subject to the terms and conditions set forth in this section. The election date shall be that date identified in the resolution adopted by the board of supervisors declaring this section to be operative. The transfer date shall be that date on which the member completes deposit of all contributions required by Section 31494.3. The election is voluntary and may be revoked upon written notice received by the board prior to the transfer date.

(b) The retirement benefits of members electing to transfer and transferred members shall be governed and defined by this section. In the event of conflict, this section shall supersede and prevail over other provisions, or application of provisions, otherwise contained in this article.
(c) Transferred members relinquish, waive, and forfeit any and all vested or accrued benefits available under any other retirement plan provided to members of the retirement system, and shall be entitled only to the benefits available under the contributory plan.

(d) Transferred members shall receive retirement service credit for that period of service with the employer, for which the members were otherwise eligible to receive credit under the plan created by this article. Transferred members shall also receive retirement service credit for that period of service for which the member made contributions pursuant to Section 31490.5.

(e) Transferred members may receive retirement service credit for service other than that with the employer, for which the members were credited or were eligible to receive credit under the plan created by this article, by written application executed by the member and filed with the board on or before the election date.

(f) The employer, the members who have elected to transfer, and transferred members shall make contributions to the retirement fund in accordance with the rates, and in the same manner, as prescribed under the contributory plan. The monthly contributions shall commence for the month next following the transfer date or that date 120 days after the election date, whichever is earlier.
