

Introduced by Senator Beall

February 11, 2013

An act to amend Section 21060 of the Government Code, relating to public employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

SB 220, as introduced, Beall. Retirement: state employees.

The Public Employees' Retirement Law provides a comprehensive set of rights and benefits for its members based upon age, service credit, and final compensation. That law requires a member of the Public Employees' Retirement System to be retired for service upon his or her written application, if he or she has attained 50 years of age and is credited with 5 years of state service, except as specified.

This bill would make a technical, nonsubstantive change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 21060 of the Government Code is
- 2 amended to read:
- 3 21060. (a) A member shall be retired for service upon his or

- 5 *50 years of age* and is credited with five years of state service,
- 6 except as provided in Sections 21061, 21062, and 21074.

1 (b) For purposes of this section, “state service” includes service
2 to the state for which the member, pursuant to Section 20281.5,
3 did not receive credit.
