SENATE BILL

No. 604

Introduced by Senator Anderson
(Coauthor: Assembly Member Weber)

February 22, 2013

An act to amend Section 22520.5 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 604, as amended, Anderson. Vehicles: rules of the road.

Existing law prohibits a person from soliciting, displaying, selling, offering for sale, or otherwise vending or attempting to vend any merchandise or service while being wholly or partly within any of specified places, including, but not limited to, the right-of-way of any freeway, including any on ramp, off ramp, or roadway shoulder which lies within the right-of-way of the freeway, or any roadway or adjacent shoulder within 500 feet of a freeway off ramp or on ramp. A violation of these provisions constitutes an infraction. Existing law also permits a charity, as defined, to engage in a solicitation for charitable purposes that involves persons standing in a public roadway soliciting contributions from passing ~~motorists~~, *motorists* if the persons to be engaged in the solicitation are law enforcement personnel, firefighters, or other specified persons who are soliciting solely in an area that is within the service area of that local agency, and the charity files an application with the relevant jurisdiction, as specified.

This bill would authorize a city or county to enact an ordinance to prohibit a person from soliciting, displaying, selling, offering for sale, or otherwise vending or attempting to vend any merchandise or service while being wholly or partly within any center median that is within 300 feet of an intersection controlled by a traffic control signal. ~~This~~ *The* bill would exempt from the ~~prohibition~~, *prohibition* a charity engaged in solicitation for charitable purposes if the persons soliciting are law enforcement personnel, firefighters, or other persons, as specified. The bill would make technical and conforming changes.

Because this bill expands the definition of an existing crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 22520.5 of the Vehicle Code is amended
- 2 to read:
- 3 22520.5. (a) A person shall not solicit, display, sell, offer for
- 4 sale, or otherwise vend or attempt to vend any merchandise or
- 5 service while being wholly or partly within any of the following:
- 6 (1) The right-of-way of any freeway, including any on ramp,
- 7 off ramp, or roadway shoulder ~~which~~ *that* lies within the
- 8 right-of-way of the freeway.
- 9 (2) Any roadway or adjacent shoulder within 500 feet of a
- 10 freeway off ramp or on ramp.
- 11 (3) Any sidewalk within 500 feet of a freeway off ramp or on
- 12 ramp, when vending or attempting to vend to vehicular traffic.
- 13 (b) A city or county may enact an ordinance to prohibit a person
- 14 from soliciting, displaying, selling, offering for sale, or otherwise
- 15 vending or attempting to vend any merchandise or service while
- 16 being wholly or partly within any center median that is within 300
- 17 feet of an intersection controlled by a traffic control signal, except
- 18 as authorized by Section 17510.25 of the Business and Professions
- 19 Code.

1 (c) Subdivisions (a) and (b) do not apply to a roadside rest area
2 or vista point located within a freeway right-of-way that is subject
3 to Section 22520.6, to a tow truck or service vehicle rendering
4 assistance to a disabled vehicle, or to a person issued a permit to
5 vend upon the freeway pursuant to Section 670 of the Streets and
6 Highways Code.

7 (d) A violation of subdivision (a) or (b) is an infraction. A
8 second or subsequent conviction of a violation of subdivision (a)
9 or (b) is a misdemeanor.

10 SEC. 2. No reimbursement is required by this act pursuant to
11 Section 6 of Article XIII B of the California Constitution because
12 the only costs that may be incurred by a local agency or school
13 district will be incurred because this act creates a new crime or
14 infraction, eliminates a crime or infraction, or changes the penalty
15 for a crime or infraction, within the meaning of Section 17556 of
16 the Government Code, or changes the definition of a crime within
17 the meaning of Section 6 of Article XIII B of the California
18 Constitution.
