

AMENDED IN SENATE APRIL 9, 2013

SENATE BILL

No. 606

Introduced by Senator De León

February 22, 2013

An act to amend Section ~~16220~~ 11414 of the Penal Code, relating to ~~deadly weapons~~: *harassment*.

LEGISLATIVE COUNSEL'S DIGEST

SB 606, as amended, De León. ~~Deadly weapons: ballistic knives.~~
Harassment: child or ward.

Under existing law, any person who intentionally harasses the child or ward of any other person because of that person's employment is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding 6 months, or by a fine not exceeding \$1,000, or both. Under existing law that crime is punishable by mandatory imprisonment in a county jail for not less than 5 days for a 2nd conviction, and by mandatory imprisonment in a county jail for not less than 30 days for a 3rd or subsequent conviction.

This bill would make a violation of the above provisions punishable by imprisonment in a county jail not exceeding one year or by imprisonment in a county jail for 16 months, or 2 or 3 years for a first conviction. For a 2nd conviction, the bill would require a fine not exceeding \$10,000 and either imprisonment in county jail for a period of not less than 5 days but not exceeding one year or by imprisonment in a county jail for 16 months, or 2 or 3 years. For a 3rd or subsequent conviction, the bill would require a fine not exceeding \$10,000 and either imprisonment in county jail for a period of not less than 30 days but not exceeding one year or by imprisonment in a county jail for 16 months, or 2 or 3 years. The bill would specify that harassment may

include any actual or attempted recording of the child’s image or voice without the written consent of the child’s parent or legal guardian, by following the child’s activities or lying in wait. The bill would specify that a violation of the above provisions would give rise to civil liability in an action for damages, as specified.

By increasing the punishment for a crime and imposing new duties on local prosecutors, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

~~Existing law generally makes it a crime to manufacture, import, keep for sale, offer or expose for sale, give, lend, or possess any ballistic knife. Under existing law a ballistic knife is a nuisance. Existing law defines a ballistic knife as a device that propels a knifelike blade as a projectile by means of a coil spring, elastic material, or compressed gas.~~

~~This bill would make a technical, nonsubstantive change to these provisions:~~

~~Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.~~

The people of the State of California do enact as follows:
