LEGISLATIVE COUNSEL'S DIGEST

SB 692, as amended, Hancock. Local government: community facilities districts.

(1) The Mello-Roos Community Facilities Act of 1982 authorizes the legislative bodies of 2 or more local agencies, at any time prior to the adoption of the resolution of formation creating a community facilities district or a resolution of change to alter a district, or a resolution or resolutions authorizing issuance of bonds, to enter into a joint community facilities agreement or into a joint exercise of powers agreement, pursuant to the Joint Exercise of Powers Act, to exercise any power authorized by the Mello-Roos Community Facilities Act of 1982 with respect to the community facilities district being created or changed if the legislative body of each entity adopts a resolution declaring that the joint agreement would be beneficial to the residents of that entity.

This bill would specify that this authorization is not intended to limit the ability of a joint powers authority created pursuant to the Joint Exercise of Powers Act to exercise powers authorized by the Marks-Roos Local Bond Pooling Act of 1985.

(2) Under the Mello-Roos Community Facilities Act of 1982, after a community facilities district has been created and authorized to levy

specified special taxes, the legislative body may, by ordinance, levy the special taxes at the rate and apportion them in the manner specified in the resolution forming the community facilities district. The act also authorizes the annexation of territory to the community facilities district by unanimous approval of the owner or owners following the formation of that district.

This bill would authorize the legislative body, in the case of a community facilities district that includes property proposed to be annexed to the district at a future date by unanimous approval, to, by ordinance, provide for the imposition of special taxes on that property, as specified.

(3) The Mello-Roos Community Facilities Act of 1982 authorizes the legislative body to, by resolution, designate a portion or portions of the district as one or more improvement areas for purposes of the financing of, or contributing to the financing of, specified public facilities, as specified, and following the designation, authorizes all proceedings for purposes of a bond election and for the purpose of levying special taxes for payment of the bonds, or for any other change, to apply only to the improvement area for those specified facilities.

This bill would authorize the legislative body to, designate a parcel or parcels of property included in a community facilities district by unanimous approval, as specified, as an improvement area without additional hearings or procedures, as specified. The bill would specify that following the designation, all proceedings for approval of the appropriations limit, the rate and method of apportionment and manner of collection of special taxes, and the authorization to incur bonded indebtedness for the parcel or parcels applies only within the improvement area.

(4) The Mello-Roos Community Facilities Act of 1982 authorizes the legislative body to incur bonded indebtedness, as specified, and authorizes any refunding bonds issued to be exchanged for the bonds to be refunded on such basis as the legislative body determines is for the benefit of the district. The legislative body is also authorized to sell the refunding bonds at public or private sale, and to place the proceeds of any sale of refunding bonds for cash in the “refunding fund” in the treasury of the local agency. The funds in the “revolving account” are required to be secured and may be invested in accordance with any other laws applicable to the funds of the local agency. Existing law requires the proceeds and investments in the “refunding fund” at the time of issuance of the refunding bonds, as certified by a certified public

accountant, to be in an amount sufficient to pay the principal, interest, and redemption premiums, if any, on the refunded bonds as they become due or at designated dates prior to maturity and the designated costs of issuance of the refunding bonds, or to pay the principal, interest, and redemption premiums, if any, on the refunding bonds prior to the maturity of the bonds to be refunded or prior to a designated date or dates before the maturity of the bonds to be refunded, the principal and any redemption premiums due on the refunded bonds at maturity or upon that designated date or dates, and the designated costs of issuance of the refunding bonds.

This bill would, with regard to the proceeds and any other cash in the “refunding fund,” require those funds to be held uninvested or invested in noncallable obligations of, or obligations guaranteed as to principal and interest by, the United States of America or any agency or instrumentality thereof, when those obligations are backed by the full faith and credit of the United States of America, and requires those proceeds to be in an amount sufficient to pay the principal, interest, and redemption premiums, if any, on the refunded bonds as they become due or at designated dates prior to maturity, in which case certification of a certified public accountant is not required. *The bill would authorize a local agency to execute and record in the office of the county recorder, of the county in which a community facilities district is located, a notice of the owner’s agreement to disclose certain information and a notice of termination of that obligation, as specified. The bill would subject a subsequent transferee of the property to the disclosure obligation.*

(5) The Joint Exercise of Powers Act authorizes the legislative or other governing bodies of 2 or more public agencies to jointly exercise by agreement any power common to the contracting parties, as specified, and authorizes that joint powers authority to exercise various powers, including, among others, the power to take title to, and sell by installment sale or otherwise, lands, structures, real or personal property, rights, rights-of-way, franchises, easements, and other interests in lands that are located within the state that the authority determines are necessary or convenient for the financing of public capital improvements, or any portion thereof.

This bill would additionally authorize the joint powers authority to lease lands, structures, real or personal property, rights, rights-of-way, franchises, easements, and other interests in lands that are located within the state that the authority determines are necessary or convenient for the financing of public capital improvements, or any portion thereof.

(6) *The Mello-Roos Community Facilities Act of 1982 authorizes a community facilities district to finance various services, including, but not limited to, police protection services and maintenance and lighting of parks, parkways, streets, roads, and open space.*

*This bill would also authorize the financing of the maintenance and operation of any real property or other tangible property, with an estimated useful life of five years or more, that is owned by the local agency or by another local agency, as specified.*

(7) *Existing law specifies the requirements for the establishment of a community facilities district, including, among other things, a petition, a hearing, the establishment of the boundaries of the community facilities district, and an election on the question of establishment. Existing law authorizes a separate procedure for establishing a community facilities district where, with the unanimous approval of parcel owners, the district initially consists solely of territory proposed for annexation to the community facilities district in the future, as specified, and, for a district so established, provides for an alternate procedure for establishing a district appropriations limit, applying special taxes, and incurring bonded indebtedness.*

*This bill would also exclude a legislative body from being obligated to specify in the resolution of intention the conditions under which the obligation to pay the specified special tax may be prepaid and permanently satisfied, and would instead authorize a prepayment provision to be included in the unanimous approval, as specified. The bill would authorize, as an alternate and independent procedure for making changes to authorized facilities and services, the unanimous approval of the owner or owners of the parcel or parcels that will be affected by the change together with the written consent of the local agency, as specified.*

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

24 a public agency other than the agency that created the district, or  
25 any combination, only pursuant to a joint community facilities  
26 agreement or a joint exercise of powers agreement adopted pursuant  
27 to this section. A joint community facilities agreement or a joint  
28 exercise of powers agreement with a state or federal agency shall  
29 not be required if the local agency that created the district is the  
30 agency that would, in the absence of the district, enter into an  
31 agreement with the state or federal agency for the provision of the  
32 facilities or services, or if the local agency that created the district  
33 enters into a joint agreement with the public agency that would,  
34 in the absence of the district, enter into an agreement with the state  
35 or federal agency for the provision of the facilities or services.

36 (b) At any time prior to the adoption of the resolution of  
37 formation creating a community facilities district or a resolution

40 legislative bodies of two or more local agencies may enter into a

1 joint community facilities agreement pursuant to this section and  
2 Sections 53316.4 and 53316.6 or into a joint exercise of powers  
3 agreement pursuant to the Joint Exercise of Powers Act (Chapter  
4 5 (commencing with Section 6500) of Division 7 of Title 1) to  
5 exercise any power authorized by this chapter with respect to the  
6 community facilities district being created or changed if the  
7 legislative body of each entity adopts a resolution declaring that  
8 the joint agreement would be beneficial to the residents of that  
9 entity. This subdivision shall not be construed to limit the ability  
10 of a joint powers authority created pursuant to the Joint Exercise  
11 of Powers Act to exercise the powers authorized by the Joint  
12 Exercise of Powers Act.

13 (c) Notwithstanding the Joint Exercise of Powers Act, a  
14 contracting party may use the proceeds of any special tax or charge  
15 levied pursuant to this chapter or, in the case of facilities, of any  
16 bonds or other indebtedness issued pursuant to this chapter to  
17 provide facilities or services which that contracting party is  
18 otherwise authorized by law to provide, even though another  
19 contracting party does not have the power to provide those facilities  
20 or services.

21 (d) Notwithstanding subdivision (b), nothing in this section  
22 shall prevent entry into or amendment of a joint community  
23 facilities agreement or a joint exercise of powers agreement at any  
24 time, if the new agreement or amendment is necessary, as  
25 determined by the legislative body, for either of the following  
26 reasons:

27 (1) To allow an orderly transition of governmental facilities and  
28 finances in the case of any change in governmental organization  
29 approved pursuant to the Cortese-Knox-Hertzberg Local  
30 Government Reorganization Act of 2000 (Division 3 (commencing

32 reorganization of any agency that is a party to the agreement.

33 (2) To allow participation in the agreement by a state or federal  
34 agency, including, but not limited to, the California Department  
35 of Transportation. Participation in an agreement by a state or  
36 federal agency is purely optional.

37 (e) Notwithstanding any other provision of this chapter, no local  
38 agency that is party to a joint exercise of powers agreement or  
39 joint community facilities agreement shall have primary  
40 responsibility for formation of a district, or for an extension of

1 authorized facilities and services or a change in special taxes  
2 pursuant to Article 3 (commencing with Section 53330), unless  
3 that local agency is one or more of the following:

4 (1) A city, a county, or a city and county.

5 (2) An agency created pursuant to a joint powers agreement that  
6 is separate from the parties to the agreement, is responsible for the  
7 administration of the agreement, and is subject to the notification  
8 requirement of Section 6503.5.

9 (3) An agency that is reasonably expected to have responsibility  
10 for providing facilities or services to be financed by a larger share  
11 of the proceeds of special taxes and bonds of the district or districts  
12 created or changed pursuant to the joint exercise of powers  
13 agreement or the joint community facilities agreement than any  
14 other local agency.

15 *SEC. 4. Section 53317 of the Government Code is amended to*  
16 *read:*

17 53317. Unless the context otherwise requires, the definitions  
18 contained in this article shall govern the construction of this  
19 chapter.

20 (a) “Clerk” means the clerk of the legislative body of a local  
21 agency.

22 (b) “Community facilities district” means a legally constituted  
23 governmental entity established pursuant to this chapter for the  
24 sole purpose of financing facilities and services.

25 (c) “Cost” means the expense of constructing or purchasing the  
26 public facility and of related land, right-of-way, easements,  
27 including incidental expenses, and the cost of providing authorized  
28 services, including incidental expenses.

29 (d) “Debt” means any binding obligation to pay or repay a sum  
30 of money, including obligations in the form of bonds, certificates  
31 of participation, long-term leases, loans from government agencies,  
32 or loans from banks, other financial institutions, private businesses,  
33 or individuals, or long-term contracts.

34 (e) “Incidental expense” includes all of the following:

35 (1) The cost of planning and designing public facilities to be  
36 financed pursuant to this chapter, including the cost of  
37 environmental evaluations of those facilities.

38 (2) The costs associated with the creation of the district, issuance  
39 of bonds, determination of the amount of taxes, collection of taxes,

1 payment of taxes, or costs otherwise incurred in order to carry out  
2 the authorized purposes of the district.

3 (3) Any other expenses incidental to the construction,  
4 completion, and inspection of the authorized work.

5 (f) “Landowner” or “owner of land” means any person shown  
6 as the owner of land on the last equalized assessment roll or  
7 otherwise known to be the owner of the land by the legislative  
8 body. The legislative body has no obligation to obtain other  
9 information as to the ownership of the land, and its determination  
10 of ownership shall be final and conclusive for the purposes of this  
11 chapter. A public agency is not a landowner or owner of land for  
12 purposes of this chapter, unless one of the following exists:

13 (1) The land owned by a public agency would be subject to a  
14 special tax pursuant to Section 53340.1.

15 (2) The public agency has acquired the property by purchase or  
16 negotiation in connection with foreclosure of a special tax lien and  
17 it is intended that the property will be transferred to private  
18 ownership.

19 (3) The public agency states in the proceedings that its land is  
20 intended to be transferred to private ownership and provides in the  
21 proceedings that its land will be subject to the special tax on the  
22 same basis as private property within the district and affirmatively  
23 waives any defense based on the fact of public ownership, to any  
24 action to foreclose on the property in the event of nonpayment of  
25 the special tax.

26 (4) The land owned by a public agency is within the territory  
27 of a military base that is closed or is being closed.

28 (g) “Legislative body” means the legislative body or governing  
29 board of any local agency.

30 (h) “Local agency” means any city or county, whether general  
31 law or chartered, special district, school district, joint powers entity  
32 created pursuant to Chapter 5 (commencing with Section 6500)  
33 of Division 7 of Title 1, redevelopment agency, or any other

36 (j) “Services” means the provision of categories of services  
37 identified in Section 53313. “Services” includes the performance  
38 by employees of functions, operations, maintenance, and repair  
39 activities. “Services” does not include activities or facilities  
40 identified in Section 53313.5. *“Maintenance” shall include*

1 *replacement, and the creation and funding of a reserve fund to*  
2 *pay for a replacement.*

3 *SEC. 5. Section 53328.1 of the Government Code is amended*  
4 *to read:*

5 53328.1. (a) As an alternate and independent procedure for  
6 forming a community facilities district, the legislative body may  
7 form a community facilities district that initially consists solely  
8 of territory proposed for annexation to the community facilities  
9 district in the future, with the condition that a parcel or parcels  
10 within that territory may be annexed to the community facilities  
11 district and subjected to the special tax only with the unanimous  
12 approval of the owner or owners of the parcel or parcels at the  
13 time that the parcel or parcels are annexed. In that case, the  
14 legislative body shall follow the procedures set forth in this article  
15 for the formation of a community facilities district, with the  
16 following exceptions:

17 (1) The legislative body shall not be obligated to specify the  
18 rate or rates of special tax in the resolution of intention or the  
19 resolution of formation, provided that both of the following are  
20 met:

21 (A) The resolution of intention and the resolution of formation  
22 include a statement that the rate shall be established in an amount  
23 required to finance or refinance the authorized improvements and  
24 to pay the district's administrative expenses.

25 (B) The maximum rate of special tax applicable to a parcel or  
26 parcels shall be specified in the unanimous approval described in  
27 this section relating to the parcel or parcels.

28 (2) *The legislative body shall not be obligated to specify in the*  
29 *resolution of intention the conditions under which the obligation*  
30 *to pay the specified special tax may be prepaid and permanently*  
31 *satisfied. Instead, a prepayment provision may be included in the*  
32 *unanimous approval of the owner or owners of each parcel or*  
33 *parcels at the time that the parcel or parcels are annexed to the*  
34 *community facilities district.*

35 ~~(2)~~

36 (3) In lieu of approval pursuant to an election held in accordance  
37 with the procedures set forth in Sections 53326, 53327, 53327.5,  
38 and 53328, the appropriations limit for the community facilities  
39 district, the applicable rate of the special tax and the method of  
40 apportionment and manner of collection of that tax, and the

1 authorization to incur bonded indebtedness for the community  
2 facilities district shall be specified and be approved by the  
3 unanimous approval of the owner or owners of each parcel or  
4 parcels at the time that the parcel or parcels are annexed to the  
5 community facilities district. No additional hearings or procedures  
6 are required, and the unanimous approval shall be deemed to  
7 constitute a unanimous vote in favor of the appropriations limit  
8 for the community facilities district, the authorization to levy the  
9 special tax on the parcel or parcels, and the authorization to incur  
10 bonded indebtedness for the community facilities district.

11 ~~(3)~~

12 (4) Notwithstanding Section 53324, this paragraph establishes  
13 the applicable protest provisions in the event a local agency forms  
14 a community facilities district pursuant to the procedures set forth  
15 in this section. If 50 percent or more of the registered voters, or  
16 six registered voters, whichever is more, residing within the  
17 territory proposed to be annexed to the community facilities district  
18 in the future, or if the owners of one-half or more of the area of  
19 land proposed to be annexed in the future and not exempt from  
20 the special tax, file written protests against establishment of the  
21 community facilities district, and protests are not withdrawn so as  
22 to reduce the protests to less than a majority, no further proceedings  
23 to form the community facilities district shall be undertaken for a  
24 period of one year from the date of decision of the legislative body  
25 on the issues discussed at the hearing. If the majority protests of  
26 the registered voters or of the landowners are only against the  
27 furnishing of a specified type or types of facilities or services  
28 within the district, or against levying a specified special tax, those  
29 types of facilities or services or the specified special tax shall be  
30 eliminated from the resolution of formation.

31 ~~(4)~~

32 (5) The legislative body shall not record a notice of special tax  
33 lien against any parcel or parcels in the community facilities district  
34 until the owner or owners of the parcel or parcels have given their  
35 unanimous approval of the parcel's or parcels' annexation to the  
36 community facilities district, at which time the notice of special  
37 tax lien shall be recorded against the parcel or parcels as set forth  
38 in Section 53328.3.

39 (b) Notwithstanding the provisions of Section 53340, after  
40 adoption of the resolution of formation for a community facilities

1 district described in subdivision (a), the legislative body may, by  
2 ordinance, provide for the levy of the special taxes on parcels that  
3 will annex to the community facilities district at the rate or rates  
4 to be approved unanimously by the owner or owners of each parcel  
5 or parcels to be annexed to the community facilities district and  
6 for apportionment and collection of the special taxes in the manner  
7 specified in the resolution of formation. No further ordinance shall  
8 be required even though no parcels may then have annexed to the  
9 community facilities district.

10 (c) The local agency may bring an action to determine the  
11 validity of any special taxes levied pursuant to this chapter and  
12 authorized pursuant to the procedures set forth in this section  
13 pursuant to Chapter 9 (commencing with Section 860) of Title 10  
14 of Part 2 of the Code of Civil Procedure. Notwithstanding Section  
15 53359, if an action is brought by an interested person pursuant to  
16 Section 863 of the Code of Civil Procedure to determine the  
17 validity of any special taxes levied against a parcel pursuant to  
18 this chapter and authorized pursuant to the procedures set forth in  
19 this section, the action shall be brought pursuant to Chapter 9  
20 (commencing with Section 860) of Title 10 of Part 2 of the Code  
21 of Civil Procedure, but shall, notwithstanding the time limits  
22 specified in Section 860 of the Code of Civil Procedure, be  
23 commenced within 15 days after the date on which the notice of  
24 special tax lien is recorded against the parcel. Any appeal from a  
25 judgment in any action or proceeding described in this subdivision  
26 shall be commenced within 30 days after entry of judgment.

27 (d) A community facilities district formed pursuant to this  
28 section may only finance facilities pursuant to subdivision (l) of  
29 Section 53313.5.

30 (e) In connection with formation of a community facilities  
31 district and annexation of a parcel or parcels to the community  
32 facilities district pursuant to this section, and the conduct of an  
33 election on the proposition to authorize bonded indebtedness  
34 pursuant to the alternate procedures set forth in Section 53355.5,  
35 the local agency may, without additional hearings or procedures,  
36 designate a parcel or parcels as an improvement area within the  
37 community facilities district. After the designation of a parcel or  
38 parcels as an improvement area, all proceedings for approval of  
39 the appropriations limit, the rate and method of apportionment and  
40 manner of collection of special tax and the authorization to incur

1 bonded indebtedness for the parcel or parcels shall apply only to  
2 the improvement area.

3 *(f) In connection with a community facilities district formed*  
4 *under this section, as an alternate and independent procedure for*  
5 *making the changes described in Section 53330.7, the changes*  
6 *may be made with the unanimous approval of the owner or owners*  
7 *of the parcel or parcels that will be affected by the change and*  
8 *with the written consent of the local agency. No additional hearings*  
9 *or procedures are required, and the unanimous approval shall be*  
10 *deemed to constitute a unanimous vote in favor of the proposed*  
11 *changes. If the proceeds of a special tax are being used to retire*  
12 *any debt incurred pursuant to this chapter and the unanimous*  
13 *approval relates to the reduction of the special tax rate, the*  
14 *unanimous approval shall recite that the reduction or termination*  
15 *of the special tax will not interfere with the timely retirement of*  
16 *that debt.*

17 ~~SEC. 3.~~

18 SEC. 6. Section 53340 of the Government Code is amended  
19 to read:

20 53340. (a) After a community facilities district has been  
21 created and authorized to levy specified special taxes pursuant to  
22 Article 2 (commencing with Section 53318), Article 3  
23 (commencing with Section 53330), or Article 3.5 (commencing  
24 with Section 53339), the legislative body may, by ordinance, levy  
25 the special taxes at the rate and apportion them in the manner  
26 specified in the resolution adopted pursuant to Article 2  
27 (commencing with Section 53318), Article 3 (commencing with  
28 Section 53330), or Article 3.5 (commencing with Section 53339).  
29 After creation of a community facilities district that includes  
30 territory proposed for annexation in the future by unanimous  
31 approval as described in subdivision (b) of Section 53339.3, the  
32 legislative body may, by ordinance, provide for the levy of special  
33 taxes on parcels that will be annexed to the community facilities  
34 district at the rate or rates to be approved unanimously by the  
35 owner or owners of each parcel or parcels to be annexed to the  
36 community facilities district and for apportionment and collection  
37 of the special taxes in the manner specified in the resolution of  
38 formation.

39 (b) The legislative body may provide, by resolution, for the levy  
40 of the special tax in the current tax year or future tax years at the

1 same rate or at a lower rate than the rate provided by the ordinance,  
2 if the resolution is adopted and a certified list of all parcels subject  
3 to the special tax levy including the amount of the tax to be levied  
4 on each parcel for the applicable tax year, is filed by the clerk or  
5 other official designated by the legislative body with the county  
6 auditor on or before the 10th day of August of that tax year. The  
7 clerk or other official designated by the legislative body may file  
8 the certified list after the 10th of August but not later than the 21st  
9 of August if the clerk or other official obtains prior written consent  
10 of the county auditor.

11 (c) Properties or entities of the state, federal, or local  
12 governments shall, except for properties that a local agency is a  
13 landowner of within the meaning of subdivision (f) of Section  
14 53317, or except as otherwise provided in Section 53317.3, be  
15 exempt from the special tax. No other properties or entities are  
16 exempt from the special tax unless the properties or entities are  
17 expressly exempted in the resolution of formation to establish a  
18 district adopted pursuant to Section 53325.1 or in a resolution of  
19 consideration to levy a new special tax or special taxes or to alter  
20 the rate or method of apportionment of an existing special tax as  
21 provided in Section 53334.

22 (d) The proceeds of any special tax may only be used to pay,  
23 in whole or part, the cost of providing public facilities, services,  
24 and incidental expenses pursuant to this chapter.

25 (e) The special tax shall be collected in the same manner as  
26 ordinary ad valorem property taxes are collected and shall be  
27 subject to the same penalties and the same procedure, sale, and  
28 lien priority in case of delinquency as is provided for ad valorem  
29 taxes, unless another procedure has been authorized in the  
30 resolution of formation establishing the district and adopted by  
31 the legislative body.

32 (f) (1) Notwithstanding subdivision (e), the legislative body of  
33 the district may waive all or any specified portion of the  
34 delinquency penalties and redemption penalties if it makes all of  
35 the following determinations:

36 (A) The waivers shall apply only to parcels delinquent at the  
37 time of the determination.

38 (B) The waivers shall be available only with respect to parcels  
39 for which all past due and currently due special taxes and all other

1 costs due are paid in full within a limited period of time specified  
 2 in the determination.

3 (C) The waivers shall be available only with respect to parcels  
 4 sold or otherwise transferred to new owners unrelated to the owner  
 5 responsible for the delinquency.

6 (D) The waivers are in the best interest of the debtholders.

7 (2) The charges with penalties to be waived shall be removed  
 8 from the tax roll pursuant to Section 53356.2 and local  
 9 administrative procedures, and any distributions made to the district  
 10 prior to collection pursuant to Chapter 3 (commencing with Section  
 11 4701) of Part 8 of Division 1 of the Revenue and Taxation Code  
 12 shall be repaid by the district prior to granting the waiver.

13 (g) The tax collector may collect the special tax at intervals as  
 14 specified in the resolution of formation, including intervals  
 15 different from the intervals determining when the ordinary ad  
 16 valorem property taxes are collected. The tax collector may deduct  
 17 the reasonable administrative costs incurred in collecting the special  
 18 tax.

19 (h) All special taxes levied by a community facilities district  
 20 shall be secured by the lien imposed pursuant to Section 3115.5  
 21 of the Streets and Highways Code. This lien shall be a continuing  
 22 lien and shall secure each levy of special taxes. The lien of the  
 23 special tax shall continue in force and effect until the special tax  
 24 obligation is prepaid, permanently satisfied, and canceled in  
 25 accordance with Section 53344 or until the special tax ceases to  
 26 be levied by the legislative body in the manner provided in Section  
 27 53330.5. If any portion of a parcel is encumbered by a lien pursuant  
 28 to this chapter, the entirety of the parcel shall be encumbered by  
 29 that lien.

30 ~~SEC. 4.~~

31 *SEC. 7.* Section 53350 of the Government Code is amended  
 32 to read:

33 53350. (a) For purposes of financing of, or contributing to the  
 34 financing of, specified public facilities, the legislative body may  
 35 by resolution designate a portion or portions of the district as one  
 36 or more improvement areas. An area shall be known as  
 37 “Improvement Area No. \_\_\_\_” of “Community Facilities District  
 38 \_\_\_\_.” After the designation of an improvement area, all  
 39 proceedings for purposes of a bond election and for the purpose  
 40 of levying special taxes for payment of the bonds, or for any other

1 change pursuant to Article 3 (commencing with Section 53330),  
2 shall apply only to the improvement area for those specified  
3 facilities.

4 (b) In connection with the annexation by unanimous approval  
5 to a community facilities district of a parcel that was included in  
6 territory proposed for annexation in the future to the community  
7 facilities district, as described in Section 53329.6, the local agency  
8 may, without additional hearings or procedures, designate a parcel  
9 or parcels as an improvement area within the community facilities  
10 district. After the designation of a parcel or parcels as an  
11 improvement area, all proceedings for approval of the  
12 appropriations limit, the rate and method of apportionment and  
13 manner of collection of special taxes, and the authorization to incur  
14 bonded indebtedness for the parcel or parcels shall apply only to  
15 the improvement area.

16 *SEC. 8. Section 53357.1 is added to the Government Code, to*  
17 *read:*

18 *53357.1. (a) In connection with the issuance of bonds in which*  
19 *a property owner agrees, by written consent, to disclose certain*  
20 *information on a continuous basis through the Municipal Securities*  
21 *Rulemaking Board's Electronic Municipal Market Access, or*  
22 *successor information depository, the local agency may execute*  
23 *and record in the office of the county recorder, in which the*  
24 *community facilities district is located, a notice of the owner's*  
25 *disclosure agreement for the purpose of providing notice to a*  
26 *subsequent transferee. The owner's written consent shall be*  
27 *attached to the notice. The county recorder's office shall accept*  
28 *the notice.*

29 *(b) A subsequent transferee of the property shall be subject to*  
30 *the disclosure obligation. Upon the termination of the disclosure*  
31 *obligation, the local agency may cause a notice of termination to*  
32 *be recorded with the office of the county recorder in which the*  
33 *original notice was recorded. The county recorder's office shall*  
34 *accept the notice of termination.*

35 ~~SEC. 5.~~

36 *SEC. 9. Section 53363.9 of the Government Code is amended*  
37 *to read:*

38 *53363.9. (a) The proceeds and investments in the "refunding*  
39 *fund" shall be in an amount sufficient to meet either the*  
40 *requirements of paragraph (1) or paragraph (2) at the time of*

1 issuance of the refunding bonds, as certified by a certified public  
2 accountant licensed to practice in this state.

3 (1) The proceeds and investments, together with any interest or  
4 other gain to be derived from any such investment, shall be in an  
5 amount sufficient to pay the principal, interest, and redemption  
6 premiums, if any, on the refunded bonds as they become due or  
7 at designated dates prior to maturity and the designated costs of  
8 issuance of the refunding bonds.

9 (2) The proceeds and investments, together with any interest or  
10 other gain to be derived from any such investment, shall be in an  
11 amount sufficient to pay the principal, interest, and redemption  
12 premiums, if any, on the refunding bonds prior to the maturity of  
13 the bonds to be refunded or prior to a designated date or dates  
14 before the maturity of the bonds to be refunded, the principal and  
15 any redemption premiums due on the refunded bonds at maturity  
16 or upon that designated date or dates, and the designated costs of  
17 issuance of the refunding bonds.

18 (b) The proceeds and any other cash in the “refunding fund”  
19 shall be held uninvested or shall be invested in noncallable  
20 obligations of, or obligations guaranteed as to principal and interest  
21 by, the United States of America or any agency or instrumentality  
22 thereof, when those obligations are backed by the full faith and  
23 credit of the United States of America, and shall be in an amount  
24 sufficient to pay the principal, interest, and redemption premiums,  
25 if any, on the refunded bonds as they become due or at designated  
26 dates prior to maturity, in which case certification of a certified

28 required.
