#### LEGISLATIVE COUNSEL'S DIGEST

SB 771, Galgiani. Inmates: temporary removal.

Existing law authorizes the Secretary of the Department of Corrections and Rehabilitation to temporarily remove any inmate from prison or any other institution for the detention of adults under the jurisdiction of the Department of Corrections and Rehabilitation, including, but not limited to, removal for the purpose of attending college classes. Existing law provides that, unless the inmate is removed for medical treatment, the removal shall not be for a period longer than 3 days. Existing law also authorizes the secretary to require the inmate to reimburse the state, in whole or in part, for expenses incurred by the state in connection with the temporary removal, other than for medical treatment.

This bill, until January 1, 2015, would additionally authorize the Secretary of the Department of Corrections and Rehabilitation to temporarily remove any inmate from prison or any other institution for the detention of adults under the jurisdiction of the department for the purpose of permitting the inmate to participate in or assist with the gathering of evidence relating to crimes, and would authorize the secretary to require, except when the removal is for medical treatment or to assist with the gathering of evidence relating to crimes, the inmate to reimburse the state for its reasonable expenses incurred in connection with the temporary removal.

This bill would declare that it is to take effect immediately as an urgency statute.
