February 6, 2014

An act to amend ~~Sections 629.52 and 629.98~~ *Section 629.52* of the Penal Code, relating to interception of electronic communications.

LEGISLATIVE COUNSEL'S DIGEST

SB 955, as amended, Mitchell. Interception of electronic communications.

Existing law, until January 1, 2015, requires an application for an order authorizing the interception of a wire, oral, or other specified electronic communication to be made in writing upon the personal oath or affirmation of the Attorney General, Chief Deputy Attorney General, or Chief Assistant Attorney General, Criminal Law Division, or of a district attorney. Existing law, until January 1, 2015, authorizes the court to issue an order authorizing interception of those communications if the judge finds, among other things, that there is probable cause to believe that an individual is committing, has committed, or is about to commit, one *of* several offenses, including, among others, possession for sale of certain controlled substances, murder, and certain felonies involving destructive devices.

This bill would add human trafficking to the list of offenses for which interception of electronic communications may be ordered pursuant to those provisions. ~~The bill would extend the operation of the provisions described above until January 1, 2020.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
