

Introduced by Senator EvansFebruary 13, 2014

An act to amend Section 19596.2 of the Business and Professions Code, relating to horse racing.

LEGISLATIVE COUNSEL'S DIGEST

SB 1003, as introduced, Evans. Horse racing: out-of-state thoroughbred races.

Existing law authorizes a thoroughbred racing association or fair to distribute the audiovisual signal and accept wagers on the results of out-of-state thoroughbred races conducted in the United States during the calendar period the association or fair is conducting a race meeting, including days on which there is no live racing being conducted by the association or fair, without the consent of the organization that represents horsemen and horsewomen participating in the race meeting and without regard to the amount of purses. Under existing law, the total number of thoroughbred races imported by associations or fairs on a statewide basis under these provisions shall not exceed 50 per day on days when live thoroughbred or fair racing is being conducted in the state, with the exception of specified races.

This bill would instead provide that the total number of thoroughbred races imported by associations or fairs on a statewide basis under these provisions shall not exceed 55 per day on days when live thoroughbred or fair racing is being conducted in the state, with the exception of specified races.
