February 13, 2014

An act to amend Sections 11351.5 and 11470 of the Health and Safety Code, and to amend Section 1203.073 of the Penal Code, relating to controlled substances.

LEGISLATIVE COUNSEL'S DIGEST

SB 1010, as amended, Mitchell. Cocaine base: penalties.

Existing law provides that every person who possesses for sale or purchases for purposes of sale cocaine base is subject to imprisonment ~~in the state prison~~ *a county jail* for a period of 3, 4, or 5 years.

This bill instead would provide that every person who possesses for sale or purchases for purposes of sale cocaine base is subject to imprisonment ~~in the state prison~~ *a county jail* for 2, 3, or 4 years.

Existing law generally provides that the interest of any registered owner of a boat, airplane, or any vehicle, except as specified, that has been used to facilitate the manufacture of, or possession for sale or sale

of, 14.25 grams or more of cocaine base or 28.5 grams or more of cocaine is subject to forfeiture, as specified.

This bill would revise that provision to instead make property that has been used to facilitate the manufacture of, or possession for sale or sale of, 28.5 grams or more of cocaine base or cocaine subject to forfeiture.

Existing law, except in unusual cases, prohibits granting probation or suspending a sentence for persons convicted of specified crimes relating to controlled substances, including possessing for sale a substance containing 57 grams or more of a substance containing cocaine, 14.25 grams or more of cocaine base, or 57 grams or more of a substance containing at least 5 grams of cocaine base, and transporting or importing for sale, selling, or offering to sell cocaine base.

This bill would delete those provisions and would instead prohibit, except in unusual cases, granting probation or suspending a sentence for persons convicted of possessing for sale or selling a substance containing 28.5 grams or more of cocaine base or 57 grams or more of a substance containing at least 5 grams of cocaine or cocaine base.

By making additional persons eligible for probation, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. This act shall be known, and may be cited, as the
- 2 California Fair Sentencing Act.
- 3 SEC. 2. (a) The Legislature finds and declares that cocaine
- 4 hydrochloride (powder cocaine) and cocaine base (crack cocaine)
- 5 are two forms of the same drug, the effects of which on the human
- 6 body are so similar that to mete out unequal punishment for the
- 7 same crime (e.g., possession for sale of a particular form of
- 8 cocaine), is wholly and cruelly unjust.
- 9 (b) It is the intent of the Legislature in enacting this act to
- 10 provide that for the purposes of determining appropriate penalties

1 for crimes relating to cocaine hydrochloride and cocaine base,
2 including, but not limited to, the crime of possession, possession
3 for sale, or transportation for sale, cocaine hydrochloride and
4 cocaine base shall be treated in an identical manner.

24 sale, possession for sale, offer for sale, or offer to manufacture, or
25 conspiracy to commit at least one of those offenses, if the
26 exchange, violation, or other conduct which is the basis for the
27 forfeiture occurred within five years of the seizure of the property,
28 or the filing of a petition under this chapter, or the issuance of an
29 order of forfeiture of the property, whichever comes first.
