

Introduced by Senator Berryhill

February 19, 2014

An act to amend Section 9454 of the Civil Code, relating to public works contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 1106, as introduced, Berryhill. Public works contracts.

Existing law authorizes specified persons that have not been paid in full to give a stop payment notice to the public entity or assert a claim against a payment bond. Existing law provides that a person that willfully gives a false stop payment notice to the public entity or that willfully includes in the notice work not provided for the public works contract for which the stop payment notice is given forfeits all right to participate in the distribution of funds withheld under the stop payment notice.

This bill would make technical, nonsubstantive changes to the latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
