

AMENDED IN ASSEMBLY JUNE 11, 2014

AMENDED IN SENATE APRIL 21, 2014

SENATE BILL

No. 1235

Introduced by Senator Knight

February 20, 2014

An act to amend Section 113789 of the Health and Safety Code, relating to food.

LEGISLATIVE COUNSEL'S DIGEST

SB 1235, as amended, Knight. Prepackaged food.

Existing law, the California Retail Food Code, establishes uniform health and sanitation standards for retail food facilities, as defined. Existing law exempts from the definition of food facility a premises set aside by a beer manufacturer for the purposes of beer tasting, if no other beverage except for beer and prepackaged nonpotentially hazardous beverages is offered for sale for onsite consumption and no food, except crackers or pretzels, is served. *Existing law defines "potentially hazardous food" and "prepackaged food" for these purposes.* Existing law provides that local health agencies are primarily responsible for enforcing these provisions. A person who violates any provision of the code is guilty of a misdemeanor, except as otherwise provided.

This bill would *additionally* exclude from the definition of food facility a premises set aside by a beer manufacturer for the purposes of beer tasting that offers for onsite consumption prepackaged ~~chips, pretzels, crackers, nuts, jerky, dried fruit, and energy bars.~~ *food that is not potentially hazardous food. The bill would make these facilities, if prepackaged food that is not potentially hazardous food is offered for sale, subject to specified provisions of the retail food code. By expanding*

the definition of a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~no~~-yes.
