An act to add Section 541.7 to the Public Resources Code, relating to the State Parks and Recreation Commission.

LEGISLATIVE COUNSEL'S DIGEST

SB 1305, as introduced, Evans. State Park and Recreation Commission: budget organization code.

Existing law establishes the State Park and Recreation Commission within the Department of Parks and Recreation, and sets forth the commission's duties, including, among others, to evaluate and assess the department's deferred maintenance obligations, and to report annually to the Governor on recreational facilities, programs, and activities of the state park system. Existing law requires each state agency for which an appropriation has been made to submit a detailed budget to the Department of Finance, as prescribed.

This bill would require the Department of Finance to establish a separate organization code in the annual Budget Act for appropriations to the commission.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 541.7 is added to the Public Resources
- 2 Code, to read:

1     541.7. The Department of Finance shall establish a separate  
2 organization code in the annual Budget Act for appropriations to  
3 the commission.
