CHAPTER 315

An act to amend Section 73.01 of the Streets and Highways Code, relating to highways.

[Approved by Governor September 9, 2014. Filed with Secretary of State September 9, 2014.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1368, Wolk. State highways: relinquishment.

Existing law gives the Department of Transportation full possession and control of all state highways. Existing law provides for the relinquishment of state highways or portions of state highways to any county or city by the California Transportation Commission in accordance with specified criteria and procedures. Existing law, in addition, authorizes the commission to relinquish to a county transportation commission or regional transportation planning agency a park-and-ride lot within their respective jurisdictions, if the department enters into an agreement with the county transportation commission or regional transportation planning agency providing for that relinquishment and other conditions are satisfied.

This bill would also authorize the commission to relinquish a park-and-ride lot to a transit district or a joint powers authority formed for purposes of providing transportation services, in the manner described above.

*The people of the State of California do enact as follows:*

SECTION 1. Section 73.01 of the Streets and Highways Code is amended to read:

73.01. (a) The commission may relinquish to a county transportation commission created pursuant to Chapter 1 (commencing with Section 130000) of Division 12 of the Public Utilities Code, a joint powers authority formed for purposes of providing transportation services, a transit district, or a regional transportation planning agency, a park-and-ride lot within their respective jurisdictions, on terms and conditions that the commission finds to be within the best interests of the state, if the department enters into an agreement with the county transportation commission, joint powers authority, the transit district, or regional transportation planning agency providing for that relinquishment.

(b) The county transportation commission, joint powers authority, the transit district, or regional transportation planning agency requesting the relinquishment shall agree to maintain, at a minimum, the number of parking spaces provided by the department in the lot at the time of relinquishment.

The relinquishment shall become effective on the date following the county recorder's recordation of the relinquishment resolution containing the commission's approval of the terms and conditions of the relinquishment.
