## CHAPTER \_\_\_\_\_

An act to amend Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

## LEGISLATIVE COUNSEL'S DIGEST

AB 35, Chiu. Income taxes: credits: low-income housing: allocation increase.

Existing law establishes a low-income housing tax credit program pursuant to which the California Tax Credit Allocation Committee provides procedures and requirements for the allocation of state insurance, personal income, and corporation income tax credit amounts among low-income housing projects based on federal law. Existing law, in modified conformity to federal income tax law, allows the credit based upon the applicable percentage, as defined, of the qualified basis of each qualified low-income building. Existing law limits the total annual amount of the credit that the committee may allocate to \$70 million per year, as specified.

This bill, for calendar years 2016 through 2021, inclusive, would increase the aggregate housing credit dollar amount that may be allocated among low-income housing projects by \$100,000,000, as specified. The bill, under the insurance taxation law, the Personal Income Tax Law, and the Corporation Tax Law, would modify the definition of applicable percentage relating to qualified low-income buildings that meet specified criteria.

This bill would incorporate additional changes to Sections 12206, 17058, and 23610.5 of the Revenue and Taxation Code proposed by SB 377 that would become operative if this bill and SB 377 are chaptered and this bill is chaptered last.

This bill would take effect immediately as a tax levy.

*The people of the State of California do enact as follows:*

SECTION 1. Section 12206 of the Revenue and Taxation Code is amended to read:

12206. (a) (1) There shall be allowed as a credit against the “tax,” as described by Section 12201, a state low-income housing tax credit in an amount equal to the amount determined in subdivision (c), computed in accordance with Section 42 of the Internal Revenue Code except as otherwise provided in this section.

(2) “Taxpayer,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partners in the case of a partnership, members in the case of a limited liability company, and the shareholders in the case of an “S” corporation.

(3) “Housing sponsor,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partnership in the case of a partnership, the limited liability company in the case of a limited liability company, and the “S” corporation in the case of an “S” corporation.

(4) “Extremely low-income” has the same meaning as in Section 50053 of the Health and Safety Code.

(5) “Very low-income” has the same meaning as in Section 50053 of the Health and Safety Code.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project’s need for the credit for economic feasibility in accordance with the requirements of this section.

(A) Except for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code, that are allocated credits solely under the set-aside described in subdivision (c) of Section 50199.20 of the Health and Safety Code, the low-income housing project shall be located in California and shall meet either of the following requirements:

(i) The project’s housing sponsor has been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

(ii) It qualifies for a credit under Section 42(h)(4)(B) of the Internal Revenue Code.

(B) The California Tax Credit Allocation Committee shall not require fees for the credit under this section in addition to those fees required for applications for the tax credit pursuant to Section 42 of the Internal Revenue Code. The committee may require a fee if the application for the credit under this section is submitted

in a calendar year after the year the application is submitted for the federal tax credit.

(C) (i) For a project that receives a preliminary reservation of the state low-income housing tax credit, allowed pursuant to subdivision (a), on or after January 1, 2009, and before January 1, 2016, the credit shall be allocated to the partners of a partnership owning the project in accordance with the partnership agreement, regardless of how the federal low-income housing tax credit with respect to the project is allocated to the partners, or whether the allocation of the credit under the terms of the agreement has substantial economic effect, within the meaning of Section 704(b) of the Internal Revenue Code.

(ii) This subparagraph shall not apply to a project that receives a preliminary reservation of state low-income housing tax credits under the set-aside described in subdivision (c) of Section 50199.20 of the Health and Safety Code unless the project also receives a preliminary reservation of federal low-income housing tax credits.

(iii) This subparagraph shall cease to be operative with respect to any project that receives a preliminary reservation of a credit on or after January 1, 2016.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) In the case of a partnership or an “S” corporation, the housing sponsor shall provide a copy of the California Tax Credit Allocation Committee certification to the taxpayer.

(C) The taxpayer shall attach a copy of the certification to any return upon which a tax credit is claimed under this section.

(D) In the case of a failure to attach a copy of the certification for the year to the return in which a tax credit is claimed under this section, no credit under this section shall be allowed for that year until a copy of that certification is provided.

(E) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code shall apply to this section.

(F) (i) The California Tax Credit Allocation Committee may allocate a credit under this section in exchange for a credit allocated pursuant to Section 42(d)(5)(B) of the Internal Revenue Code in amounts up to 30 percent of the eligible basis of a building if the credits allowed under Section 42 of the Internal Revenue Code are reduced by an equivalent amount.

(ii) An equivalent amount shall be determined by the California Tax Credit Allocation Committee based upon the relative amount required to produce an equivalent state tax credit to the taxpayer.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building that is a new building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, and not federally subsidized, the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(1) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that (i) is a new building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term “applicable percentage” means for the first three years, 15 percent of the qualified basis of the building, and for the fourth year, 5 percent of the qualified basis of the building.

(3) In the case of any qualified low-income building that is (i) an existing building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term applicable percentage means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(4) In the case of any qualified low-income building that is (i) a new or an existing building, (ii) located in designated difficult development areas (DDAs) or qualified census tracts (QCTs) as

defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) federally subsidized, the California Tax Credit Allocation Committee shall reduce the amount of California credit to be allocated under paragraph (2) and (3) by taking into account the increased federal credit received due to the basis boost provided under Section 42(d)(5)(B) of the Internal Revenue Code.

(5) In the case of any qualified low-income building that meets all of the requirements of subparagraphs (A) through (D), inclusive, the term “applicable percentage” means 30 percent for each of the first three years and 5 percent for the fourth year. A qualified low-income building receiving an allocation under this paragraph is ineligible to also receive an allocation under paragraph (3).

(A) The qualified low-income building is at least 15 years old.

(B) The qualified low-income building is serving households of very low-income or extremely low-income such that the average maximum household income as restricted, pursuant to an existing regulatory agreement with a federal, state, county, local, or other governmental agency, is not more than 45 percent of the area median gross income, as determined under Section 42 of the Internal Revenue Code, adjusted by household size, and a tax credit regulatory agreement is entered into for a period of not less than 55 years restricting the average targeted household income to no more than 45 percent of the area median income.

(C) The qualified low-income building would have insufficient credits under paragraphs (2) and (3) to complete substantial rehabilitation due to a low appraised value.

(D) The qualified low-income building will complete the substantial rehabilitation in connection with the credit allocation herein.

(d) The term “qualified low-income housing project” as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, that, at the election of the taxpayer, is equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity that shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cashflow from those units in the building that are not low-income units. For purposes of computing cashflow under this subparagraph, operating costs shall be allocated to the low-income units using the “floor space fraction,” as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may be accumulated and distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term “credit period” as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting “four taxable years” for “10 taxable years.”

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the taxable year in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 17058, and Section 23610.5 shall be an amount equal to the sum of all the following:

(1) (A) Seventy million dollars (\$70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars (\$70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the federal Department of Labor.

(B) For calendar years 2016 through 2021, inclusive, an additional one hundred million dollars (\$100,000,000) for the 2016 calendar year, and, for the 2017 through 2021 calendar years, one hundred million dollars (\$100,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2016 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the federal Department of Labor. A housing sponsor receiving an allocation under paragraph (1) of subdivision (c) shall not be eligible for receipt of the housing credit allocated from the increased amount under this subparagraph. A housing sponsor receiving an allocation under paragraph (1) of subdivision (c) shall remain eligible for receipt of the housing

credit allocated from the credit ceiling amount under subparagraph (A).

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(4) Five hundred thousand dollars (\$500,000) per calendar year for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(5) The amount of any unallocated or returned credits under former Sections 17053.14, 23608.2, and 23608.3, as those sections read prior to January 1, 2009, until fully exhausted for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) (1) Section 42(j) of the Internal Revenue Code shall not be applicable and the provisions in paragraph (2) shall be substituted in its place.

(2) The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and the regulatory agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code, shall apply, provided that the agreement includes all of the following provisions:

(A) A term not less than the compliance period.

(B) A requirement that the agreement be recorded in the official records of the county in which the qualified low-income housing project is located.

(C) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.

(D) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto and that allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building, the right to enforce the regulatory agreement in any state court.

(E) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.

(F) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee and the local agency that can enforce the regulatory agreement if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.

(G) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(H) The remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period, include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the

enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code, respectively.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate there is a need and demand for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and that the proposed operating income shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating

expenses, a supportable debt service, reserves, funds set aside for rental subsidies, and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(ii) Projects providing single-room occupancy units serving very low income tenants.

(iii) (I) Existing projects that are “at risk of conversion.”

(II) For purposes of this section, the term “at risk of conversion,” with respect to an existing property means a property that satisfies all of the following criteria:

(ia) The property is a multifamily rental housing development in which at least 50 percent of the units receive governmental assistance pursuant to any of the following:

(If) The low-income housing credit program set forth in Section 42 of the Internal Revenue Code.

(ib) The restrictions on rent and income levels will terminate or the federal insured mortgage on the property is eligible for prepayment any time within five years before or after the date of application to the California Tax Credit Allocation Committee.

(ic) The entity acquiring the property enters into a regulatory agreement that requires the property to be operated in accordance with the requirements of this section for a period equal to the greater of 55 years or the life of the property.

(id) The property satisfies the requirements of Section 42(e) of the Internal Revenue Code, regarding rehabilitation expenditures except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not apply.

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the total project development costs or projects for which the owner's equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(k) Section 42(l) of the Internal Revenue Code shall be modified as follows:

The term "secretary" shall be replaced by the term "California Franchise Tax Board."

(l) In the case where the credit allowed under this section exceeds the "tax," the excess may be carried over to reduce the "tax" in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1993.

(n) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project’s need for the credit for economic feasibility in accordance with the requirements of this section.

(A) Except for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code, that are allocated credits solely under the set-aside described in subdivision (c) of Section 50199.20 of the Health and Safety Code, the low-income housing project shall be located in California and shall meet either of the following requirements:

(D) In the case of a failure to attach a copy of the certification for the year to the return in which a tax credit is claimed under this section, no credit under this section shall be allowed for that year until a copy of that certification is provided.

(E) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code, relating to low-income housing credit, shall apply to this section.

(F) (i) The California Tax Credit Allocation Committee may allocate a credit under this section in exchange for a credit allocated pursuant to Section 42(d)(5)(B) of the Internal Revenue Code, relating to increase in credit for buildings in high-cost areas, in amounts up to 30 percent of the eligible basis of a building if the credits allowed under Section 42 of the Internal Revenue Code, relating to low-income housing credit, are reduced by an equivalent amount.

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(1) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that (i) is a new building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term “applicable percentage” means for the first three years, 15 percent of the qualified basis of the building, and for the fourth year, 5 percent of the qualified basis of the building.

(5) In the case of any qualified low-income building that meets all of the requirements of subparagraphs (A) through (D), inclusive, the term “applicable percentage” means 30 percent for each of the first three years and 5 percent for the fourth year. (C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may be accumulated and distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code, relating to in general.

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the taxable year in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code, relating to limitation on aggregate credit allowable with respect to projects located in a state, shall be modified as follows:

(i) (1) Section 42(j) of the Internal Revenue Code, relating to recapture of credit, shall not be applicable and the provisions in paragraph (2) shall be substituted in its place.

(2) The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and the regulatory agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. (G) A requirement that the housing sponsor, as security for the performance of the housing sponsor's obligations under the regulatory agreement, assign the housing sponsor's interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(H) A provision that the remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code, relating to plans for allocation of credit among projects. (ii) An equivalent amount shall be determined by the California Tax Credit Allocation Committee based upon the relative amount required to produce an equivalent state tax credit to the taxpayer.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(5) In the case of any qualified low-income building that meets all of the requirements of subparagraphs (A) through (D), inclusive, the term “applicable percentage” means 30 percent for each of the

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code, relating to in general.

Parties who purchase credits pursuant to paragraph (1) shall be entitled to utilize the purchased credits in the same manner in which the taxpayer that originally received the credit could utilize them.

(2) “Taxpayer,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partners in the case of a partnership, members in the case of a limited liability company, and the shareholders in the case of an “S” corporation.

(3) “Housing sponsor,” for purposes of this section, means the sole owner in the case of a “C” corporation, the partnership in the case of a partnership, the limited liability company in the case of a limited liability company, and the “S” corporation in the case of an “S” corporation.

(5) “Very low-income” has the same meaning as in Section 50053 of the Health and Safety Code.

(b) (1) The amount of the credit allocated to any housing sponsor shall be authorized by the California Tax Credit Allocation Committee, or any successor thereof, based on a project’s need for the credit for economic feasibility in accordance with the requirements of this section.

(A) The low-income housing project shall be located in California and shall meet either of the following requirements:

(i) Except for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code, that are allocated credits solely under the set-aside described in subdivision (c) of Section 50199.20 of the Health and Safety Code, the project's housing sponsor has been allocated by the California Tax Credit Allocation Committee a credit for federal income tax purposes under Section 42 of the Internal Revenue Code.

The committee may require a fee if the application for the credit under this section is submitted in a calendar year after the year the application is submitted for the federal tax credit.

(C) (i) For a project that receives a preliminary reservation of the state low-income housing tax credit, allowed pursuant to subdivision (a), on or after January 1, 2009, and before January 1, 2016, the credit shall be allocated to the partners of a partnership owning the project in accordance with the partnership agreement, regardless of how the federal low-income housing tax credit with respect to the project is allocated to the partners, or whether the allocation of the credit under the terms of the agreement has substantial economic effect, within the meaning of Section 704(b) of the Internal Revenue Code.

(ii) To the extent the allocation of the credit to a partner under this section lacks substantial economic effect, any loss or deduction otherwise allowable under this part that is attributable to the sale or other disposition of that partner's partnership interest made prior to the expiration of the federal credit shall not be allowed in the taxable year in which the sale or other disposition occurs, but shall instead be deferred until and treated as if it occurred in the first taxable year immediately following the taxable year in which the federal credit period expires for the project described in clause (i).

(iii) This subparagraph shall not apply to a project that receives a preliminary reservation of state low-income housing tax credits under the set-aside described in subdivision (c) of Section 50199.20

(iv) This subparagraph shall cease to be operative with respect to any project that receives a preliminary reservation of a credit on or after January 1, 2016.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(E) (i) The California Tax Credit Allocation Committee may allocate a credit under this section in exchange for a credit allocated pursuant to Section 42(d)(5)(B) of the Internal Revenue Code in amounts up to 30 percent of the eligible basis of a building if the credits allowed under Section 42 of the Internal Revenue Code are reduced by an equivalent amount.

(ii) An equivalent amount shall be determined by the California Tax Credit Allocation Committee based upon the relative amount required to produce an equivalent state tax credit to the taxpayer.

(c) Section 42(b) of the Internal Revenue Code shall be modified as follows:

(1) In the case of any qualified low-income building that is a new building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, and not federally subsidized, the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(1) of the Internal Revenue Code.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that (i) is a new building, as defined in Section 42 of the Internal Revenue

Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term “applicable percentage” means for the first three years, 15 percent of the qualified basis of the building, and for the fourth year, 5 percent of the qualified basis of the building.

(3) In the case of any qualified low-income building that is (i) an existing building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term applicable percentage means the following:

(4) In the case of any qualified low-income building that is (i) a new or an existing building, (ii) located in designated difficult development areas (DDAs) or qualified census tracts (QCTs) as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) federally subsidized, the California Tax Credit Allocation Committee shall determine the amount of credit to be allocated under subparagraph (E) of paragraph (2) of subdivision (b) required to produce an equivalent state tax credit to the taxpayer, as produced in paragraph (2), taking into account the basis boost provided under Section 42(d)(5)(B) of the Internal Revenue Code.

(5) In the case of any qualified low-income building that meets all of the requirements of subparagraphs (A) through (D), inclusive, the term “applicable percentage” means 30 percent for each of the first three years and 5 percent for the fourth year. A qualified low-income building receiving an allocation under this paragraph is ineligible to also receive an allocation under paragraph (3).

(A) The qualified low-income building is at least 15 years old.

(B) The qualified low-income building is serving households of very low-income or extremely low-income such that the average maximum household income as restricted, pursuant to an existing regulatory agreement with a federal, state, county, local, or other

governmental agency, is not more than 45 percent of the area median gross income, as determined under Section 42 of the Internal Revenue Code, adjusted by household size, and a tax credit regulatory agreement is entered into for a period of not less than 55 years restricting the average targeted household income to no more than 45 percent of the area median income.

(C) The qualified low-income building would have insufficient credits under paragraphs (2) and (3) to complete substantial rehabilitation due to a low appraised value.

(D) The qualified low-income building will complete the substantial rehabilitation in connection with the credit allocation herein.

(d) The term “qualified low-income housing project” as defined in Section 42(c)(2) of the Internal Revenue Code is modified by adding the following requirements:

(1) The taxpayer shall be entitled to receive a cash distribution from the operations of the project, after funding required reserves, that at the election of the taxpayer, is equal to:

(A) An amount not to exceed 8 percent of the lesser of:

(i) The owner equity, that shall include the amount of the capital contributions actually paid to the housing sponsor and shall not include any amounts until they are paid on an investor note.

(ii) Twenty percent of the adjusted basis of the building as of the close of the first taxable year of the credit period.

(B) The amount of the cashflow from those units in the building that are not low-income units. For purposes of computing cashflow under this subparagraph, operating costs shall be allocated to the low-income units using the “floor space fraction,” as defined in Section 42 of the Internal Revenue Code.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may be accumulated and distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to

increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term “credit period” as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting “four taxable years” for “10 taxable years.”

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 12206, and Section 17058 shall be an amount equal to the sum of all the following:

(1) (A) Seventy million dollars (\$70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars (\$70,000,000) increased

by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the federal Department of Labor.

(B) For calendar years 2016 through 2021, inclusive, an additional one hundred million dollars (\$100,000,000) for the 2016 calendar year, and, for the 2017 through 2021 calendar years, one hundred million dollars (\$100,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2016 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the federal Department of Labor. A housing sponsor receiving an allocation under paragraph (1) of subdivision (c) shall not be eligible for receipt of the housing credit allocated from the increased amount under this subparagraph. A housing sponsor receiving an allocation under paragraph (1) of subdivision (c) shall remain eligible for receipt of the housing credit allocated from the credit ceiling amount under subparagraph (A).

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(4) Five hundred thousand dollars (\$500,000) per calendar year for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(5) The amount of any unallocated or returned credits under former Sections 17053.14, 23608.2, and 23608.3, as those sections read prior to January 1, 2009, until fully exhausted for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code shall not be applicable and the following shall be substituted in its place:

The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and the regulatory agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code shall apply, provided that the agreement includes all of the following provisions:

- (1) A term not less than the compliance period.
- (2) A requirement that the agreement be recorded in the official records of the county in which the qualified low-income housing project is located.
- (3) A provision stating which state and local agencies can enforce the regulatory agreement in the event the housing sponsor fails to satisfy any of the requirements of this section.
- (4) A provision that the regulatory agreement shall be deemed a contract enforceable by tenants as third-party beneficiaries thereto, and that allows individuals, whether prospective, present, or former occupants of the building, who meet the income limitation applicable to the building, the right to enforce the regulatory agreement in any state court.
- (5) A provision incorporating the requirements of Section 42 of the Internal Revenue Code as modified by this section.
- (6) A requirement that the housing sponsor notify the California Tax Credit Allocation Committee or its designee if there is a determination by the Internal Revenue Service that the project is not in compliance with Section 42(g) of the Internal Revenue Code.
- (7) A requirement that the housing sponsor, as security for the performance of the housing sponsor’s obligations under the regulatory agreement, assign the housing sponsor’s interest in rents that it receives from the project, provided that until there is a default under the regulatory agreement, the housing sponsor is entitled to collect and retain the rents.

(8) The remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code, respectively.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity to ensure project completion and operation for the extended use period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(ii) Projects providing single-room occupancy units serving very low income tenants.

(iii) (I) Existing projects that are "at risk of conversion."

(II) For purposes of this section, the term “at risk of conversion,” with respect to an existing property means a property that satisfies all of the following criteria:

(ia) The property is a multifamily rental housing development in which at least 50 percent of the units receive governmental assistance pursuant to any of the following:

(Ia) New construction, substantial rehabilitation, moderate rehabilitation, property disposition, and loan management set-aside programs, or any other program providing project-based assistance pursuant to Section 8 of the United States Housing Act of 1937, Section 1437f of Title 42 of the United States Code, as amended.

(Ic) Section 236 of the National Housing Act, Section 1715z-1 of Title 12 of the United States Code.

(If) The low-income housing credit program set forth in Section 42 of the Internal Revenue Code.

(ib) The restrictions on rent and income levels will terminate or the federal insured mortgage on the property is eligible for prepayment any time within five years before or after the date of application to the California Tax Credit Allocation Committee.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(5) Not less than 20 percent of the low-income housing tax credits available annually under this section, Section 12206, and Section 17058 shall be set aside for allocation to rural areas as defined in Section 50199.21 of the Health and Safety Code. Any amount of credit set aside for rural areas remaining on or after October 31 of any calendar year shall be available for allocation to any eligible project. (ii) To the extent the allocation of the credit to a partner under this section lacks substantial economic effect, any loss or deduction otherwise allowable under this part that is attributable to the sale or other disposition of that partner's partnership interest made prior to the expiration of the federal credit shall not be allowed in the taxable year in which the sale or other disposition occurs, but shall instead be deferred until and treated as if it occurred in the first taxable year immediately following the taxable year in which the federal credit period expires for the project described in clause (i).

(iii) This subparagraph shall not apply to a project that receives a preliminary reservation of state low-income housing tax credits under the set-aside described in subdivision (c) of Section 50199.20 of the Health and Safety Code unless the project also receives a preliminary reservation of federal low-income housing tax credits.

(2) (A) The California Tax Credit Allocation Committee shall certify to the housing sponsor the amount of tax credit under this section allocated to the housing sponsor for each credit period.

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(2) In the case of any qualified low-income building that (i) is a new building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, and (iii) is federally subsidized, the term “applicable percentage” means for the first three years, 15 percent of the qualified basis of the building, and for the fourth year, 5 percent of the qualified basis of the building.

(3) In the case of any qualified low-income building that is (i) an existing building, as defined in Section 42 of the Internal Revenue Code and the regulations promulgated thereunder, (ii) not located in designated difficult development areas (DDAs) or

(5) In the case of any qualified low-income building that meets all of the requirements of subparagraphs (A) through (D), inclusive, the term “applicable percentage” means 30 percent for each of the first three years and 5 percent for the fourth year. A qualified low-income building receiving an allocation under this paragraph is ineligible to also receive an allocation under paragraph (3).

(A) The qualified low-income building is at least 15 years old.

(B) The qualified low-income building is serving households of very low-income or extremely low-income such that the average maximum household income as restricted, pursuant to an existing regulatory agreement with a federal, state, county, local, or other governmental agency, is not more than 45 percent of the area median gross income, as determined under Section 42 of the Internal Revenue Code, adjusted by household size, and a tax credit regulatory agreement is entered into for a period of not less than 55 years restricting the average targeted household income to no more than 45 percent of the area median income.

(C) The qualified low-income building would have insufficient credits under paragraphs (2) and (3) to complete substantial rehabilitation due to a low appraised value.

(B) The amount of the cashflow from those units in the building that are not low-income units. For purposes of computing cashflow under this subparagraph, operating costs shall be allocated to the low-income units using the “floor space fraction,” as defined in Section 42 of the Internal Revenue Code, relating to low-income housing credit.

(C) Any amount allowed to be distributed under subparagraph (A) that is not available for distribution during the first five years of the compliance period may be accumulated and distributed any time during the first 15 years of the compliance period but not thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code, relating to in general.

(e) The provisions of Section 42(f) of the Internal Revenue Code, relating to definition and special rules relating to credit period, shall be modified as follows:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code, relating to limitation on aggregate credit allowable with respect to projects located in a state, shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code, relating to allocated credit amount to apply to all taxable years ending during or after credit allocation year, shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code, relating to limitation on aggregate credit allowable with respect to projects located in a state, shall not be applicable.

(B) For calendar years 2016 through 2021, inclusive, an additional one hundred million dollars (\$100,000,000) for the 2016 calendar year, and, for the 2017 through 2021 calendar years, one hundred million dollars (\$100,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2016 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for All Urban Consumers published by the federal Department of Labor. A housing sponsor receiving an allocation under paragraph (1) of subdivision (c) shall not be eligible for receipt of the housing credit allocated from the increased amount under this subparagraph. (2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code, relating to compliance period, is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code, relating to recapture of credit, shall not be applicable and the following shall be substituted in its place:

The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and the regulatory agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other institutional lenders to the project. The regulatory agreement entered into pursuant to subdivision (f) of Section 50199.14 of the Health and Safety Code shall apply, provided that the agreement includes all of the following provisions:

(8) A provision that the remedies available in the event of a default under the regulatory agreement that is not cured within a reasonable cure period include, but are not limited to, allowing any of the parties designated to enforce the regulatory agreement to collect all rents with respect to the project; taking possession of the project and operating the project in accordance with the regulatory agreement until the enforcer determines the housing sponsor is in a position to operate the project in accordance with the regulatory agreement; applying to any court for specific performance; securing the appointment of a receiver to operate the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code, relating to plans for allocation of credit among projects. (iv) The housing sponsor shall have and maintain control of the site for the project.

(q) (1) A corporation may elect to assign any portion of any credit allowed under this section to one or more affiliated corporations for each taxable year in which the credit is allowed. For purposes of this subdivision, "affiliated corporation" has the meaning provided in subdivision (b) of Section 25110, as that section was amended by Chapter 881 of the Statutes of 1993, as of the last day of the taxable year in which the credit is allowed, except that "100 percent" is substituted for "more than 50 percent" wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993, and "voting common stock" is substituted for "voting stock" wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993.
