LEGISLATIVE COUNSEL'S DIGEST

AB 1, as amended, ~~Bonta Thurmond. Medi-Cal: developmental services: funding.~~ *Developmental services: Medi-Cal: funding.*

The Lanterman Developmental Disabilities Services Act requires the State Department of Developmental Services to contract with regional centers to provide services and supports to individuals with developmental disabilities. Under existing law, regional centers purchase needed services for individuals with developmental disabilities through approved service providers or arrange for those services through other publicly funded agencies. Existing law establishes specified rates and wages to be paid to certain service providers and the rates to be paid for certain developmental services. Existing law requires that rates to be paid to other developmental service providers either be set by the department or negotiated between the regional center and the service provider.

Existing law establishes the Medi-Cal program, administered by the State Department of Health Care Services, under which basic health care services are provided to qualified low-income persons. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions. Existing law requires, except as otherwise provided, Medi-Cal provider payments to be reduced, as specified.

This bill would appropriate a specified sum to the State Department of Developmental Services to, commencing July 1, 2016, among other things, increase rates and wages for certain developmental services providers and fund incentive payments for competitive integrated employment opportunities and internships for individuals with developmental disabilities. The bill would require the department to submit a rate study to specified committees of the Legislature on or before March 1, 2019, regarding community-based services for individuals with developmental disabilities. The bill would require each regional center to report specified information to the department regarding increased funding for regional center operations. The bill would, for dates of service on or after August 1, 2016, increase the payment rates for intermediate care facilities and skilled nursing facilities that provide services to developmentally disabled individuals under the Medi-Cal program, as specified.

The bill would also prohibit the State Department of Health Care Services from seeking to retroactively implement certain Medi-Cal provider payment reductions and limitations with regards to

reimbursements for services provided by skilled nursing facilities that are distinct parts of general acute care hospitals for dates of service on or after June 1, 2011, and on or before September 30, 2013, and from seeking to recoup overpayments, as specified.

Existing law requires the department and regional centers to annually collaborate to compile specified data relating to purchase of service authorization, utilization, and expenditure by each regional center. Existing law requires each regional center to annually report to the department regarding the regional center's implementation of these requirements, including whether the data indicates a need to reduce disparities in the purchase of services among consumers in the regional center's catchment area and the regional center's recommendations and plan to promote equity, and reduce disparities, in the purchase of services. Existing law requires the department to consult with specified stakeholders to review the data, develop recommendations to help reduce disparities in purchase of service expenditures, and encourage development and expansion of culturally appropriate services, among other things, and to report the status of its efforts during the 2016–17 legislative budget subcommittee hearing process.

The bill would also require the department, subject to available funding, to allocate funding to regional centers to assist in implementing specified recommendations and plans, including the recommendations and plans of the regional centers to promote equity, and reduce disparities, in the purchase of services.

Existing law requires an entity that receives payments between \$250,000 and \$500,000 per year from one or more regional centers to obtain either an independent audit or an independent review report of its financial statements, and requires an entity that receives payments that are equal to or more than \$500,000 per year to obtain an independent audit.

This bill would instead require an entity that receives payments between \$500,000 and \$2,000,000 from one or more regional centers to obtain an independent review report of its financial statements, and would authorize these entities to apply for, and require the regional center to grant, a 2-year exemption from this requirement if the regional center does not find issues in the independent review report that have an impact on regional center services. The bill would require an entity that receives payments from one or more regional centers that are equal to or more than \$2,000,000 to obtain an independent audit and would authorize these entities to apply for, and require the regional center to

grant, a 2-year exemption from the audit requirement if the audit resulted in an unmodified opinion, an unmodified opinion with additional communication, or a qualified opinion with issues that are not material. The bill would require a regional center to annually report to the State Department of Developmental Services any exemptions granted pursuant to these provisions.

~~Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions.~~

~~The Lanterman Developmental Disabilities Services Act requires the State Department of Developmental Services to contract with regional centers to provide services and supports to individuals with developmental disabilities. Under existing law, the regional centers purchase needed services for individuals with developmental disabilities through approved service providers or arrange for those services through other publicly funded agencies.~~

~~This bill would state the intent of the Legislature to enact legislation that establishes funding sources and mechanisms in order to provide additional support for, and access to, Medi-Cal and developmental services and that uses those funding sources and mechanisms to increase access, ensure network adequacy, improve quality, and minimize geographic and service shortages in the Medi-Cal program and to increase access to services provided through regional centers.~~

~~Vote: majority ²/₃. Appropriation: no yes. Fiscal committee: no yes. State-mandated local program: no.~~

14 design modification or revendorization for a community-based
15 day program or in-home respite service agency provider that would
16 result in an increase in the rate to be paid to the vendor from the
17 rate that is in effect on or after June 30, 2008, unless the regional
18 center demonstrates that the program design modification or
19 revendorization is necessary to protect the consumers' health or
20 safety and the department has granted prior written authorization.

21 (d) Notwithstanding any other law or regulation, the department
22 shall not approve an anticipated rate adjustment for a
23 community-based day program or in-home respite service agency
24 provider that would result in an increase in the rate to be paid to
25 the vendor from the rate that is in effect on or after June 30, 2008,
26 unless the regional center demonstrates that the anticipated rate
27 adjustment is necessary to protect the consumers' health or safety.

28 (e) Notwithstanding any other law or regulation, except as set
29 forth in subdivisions (f) and (i), the department shall not approve
30 any rate adjustment for a work activity program that would result
31 in an increase in the rate to be paid to the vendor from the rate that
32 is in effect on or after June 30, 2008, unless the regional center
33 demonstrates that the rate adjustment is necessary to protect the
34 consumers' health and safety and the department has granted prior
35 written authorization.

36 (f) Notwithstanding any other law or regulation, commencing
37 July 1, 2014, the department may approve rate adjustments for a
38 work activity program that demonstrates to the department that
39 the rate adjustment is necessary in order to pay employees who,
40 prior to July 1, 2014, were being compensated at a wage that is

less than the minimum wage established on and after July 1, 2014, by Section 1182.12 of the Labor Code, as amended by Chapter 351 of the Statutes of 2013. The rate adjustment pursuant to this subdivision shall be specific to payroll costs associated with any increase necessary to adjust employee pay only to the extent necessary to bring pay into compliance with the increased state minimum wage, and shall not constitute a general wage enhancement for employees paid above the increased minimum wage.

(g) Notwithstanding any other law or regulation, commencing July 1, 2014, community-based day program and in-home respite services agency providers with temporary payment rates set by the department may seek unanticipated rate adjustments from the department due to the impacts of the increased minimum wage as established by Section 1182.12 of the Labor Code, as amended by Chapter 351 of the Statutes of 2013. The rate adjustment shall be specific to payroll costs associated with any increase necessary to adjust employee pay only to the extent necessary to bring pay into compliance with the increased state minimum wage, and shall not constitute a general wage enhancement for employees paid above the increased minimum wage.

(h) Notwithstanding any other law or regulation, commencing January 1, 2015, the in-home respite service agency rate schedule authorized by the department and in operation December 31, 2014, shall be increased by 5.82 percent, subject to funds specifically appropriated for this increase for costs due to changes in federal regulations implementing the federal Fair Labor Standards Act of 1938 (29 U.S.C. Sec. 201 et seq.). The increase shall be applied as a percentage, and the percentage shall be the same for all applicable providers.

(i) Notwithstanding any other law or regulation, commencing July 1, 2015, the department may approve rate adjustments for a work activity program that demonstrates to the department that the rate adjustment is necessary to implement Article 1.5 (commencing with Section 245) of Chapter 1 of Part 1 of Division 2 of the Labor Code, as added by Chapter 317 of the Statutes of 2014. The rate adjustment may be applied only if a minimum of 24 hours or three days of paid sick leave per year was not a benefit provided to employees as of June 30, 2015, and shall be specific to payroll costs associated with any increase necessary to

1 compensate an employee up to a maximum of 24 hours or three
2 days of paid sick leave in each year of employment.

3 (j) Notwithstanding any other law or regulation, commencing
4 July 1, 2015, community-based day program and in-home respite
5 services agency providers with temporary payment rates set by
6 the department may seek unanticipated rate adjustments from the
7 department if the adjustment is necessary to implement Article 1.5
8 (commencing with Section 245) of Chapter 1 of Part 1 of Division
9 2 of the Labor Code, as added by Chapter 317 of the Statutes of
10 2014. The rate adjustment may be applied only if a minimum of
11 24 hours or three days of paid sick leave per year was not a benefit
12 provided to employees as of June 30, 2015, and shall be specific
13 to payroll costs associated with any increase necessary to
14 compensate an employee up to a maximum of 24 hours or three
15 days of paid sick leave in each year of employment.

16 (k) *Notwithstanding any other law or regulation, commencing*
17 *July 1, 2016, and to the extent funds are appropriated in the annual*
18 *Budget Act for this purpose, the in-home respite service agency*
19 *rate schedule authorized by the department and in operation June*
20 *30, 2016, shall be increased by 5 percent. The increase shall be*
21 *applied as a percentage, and the percentage shall be the same for*
22 *all providers.*

23 (l) *Notwithstanding any other law or regulation, commencing*
24 *July 1, 2016, and to the extent funds are appropriated in the annual*
25 *Budget Act for this purpose, the independent living service rate*
26 *schedule authorized by the department and in operation June 30,*
27 *2016, shall be increased by 5 percent. The increase shall be applied*
28 *as a percentage, and the percentage shall be the same for all*
29 *providers.*

30 SEC. 8. *Section 4691.9 of the Welfare and Institutions Code*
31 *is amended to read:*

32 4691.9. (a) Notwithstanding any other law or regulation,
33 commencing July 1, 2008:

34 (1) A regional center shall not pay an existing service provider,
35 for services where rates are determined through a negotiation
36 between the regional center and the provider, a rate higher than
37 the rate in effect on June 30, 2008, unless the increase is required
38 by a contract between the regional center and the vendor that is in
39 effect on June 30, 2008, or the regional center demonstrates that

1 the approval is necessary to protect the consumer's health or safety
2 and the department has granted prior written authorization.

3 (2) A regional center shall not negotiate a rate with a new service
4 provider, for services where rates are determined through a
5 negotiation between the regional center and the provider, that is
6 higher than the regional center's median rate for the same service
7 code and unit of service, or the statewide median rate for the same
8 service code and unit of service, whichever is lower. The unit of
9 service designation shall conform with an existing regional center
10 designation or, if none exists, a designation used to calculate the
11 statewide median rate for the same service. The regional center
12 shall annually certify to the State Department of Developmental
13 Services its median rate for each negotiated rate service code, by
14 designated unit of service. This certification shall be subject to
15 verification through the department's biennial fiscal audit of the
16 regional center.

17 (b) Notwithstanding subdivision (a), commencing July 1, 2014,
18 regional centers may negotiate a rate adjustment with providers
19 regarding rates if the adjustment is necessary in order to pay
20 employees no less than the minimum wage as established by
21 Section 1182.12 of the Labor Code, as amended by Chapter 351
22 of the Statutes of 2013, and only for the purpose of adjusting
23 payroll costs associated with the minimum wage increase. The
24 rate adjustment shall be specific to the unit of service designation
25 that is affected by the increased minimum wage, shall be specific
26 to payroll costs associated with any increase necessary to adjust
27 employee pay only to the extent necessary to bring pay into
28 compliance with the increased state minimum wage, and shall not
29 be used as a general wage enhancement for employees paid above
30 the increased minimum wage. Regional centers shall maintain
31 documentation on the process to determine, and the rationale for
32 granting, any rate adjustment associated with the minimum wage
33 increase.

34 (c) Notwithstanding any other law or regulation, commencing
35 January 1, 2015, rates for personal assistance and supported living
36 services in effect on December 31, 2014, shall be increased by
37 5.82 percent, subject to funds specifically appropriated for this
38 increase for costs due to changes in federal regulations
39 implementing the federal Fair Labor Standards Act of 1938 (29
40 U.S.C. Sec. 201 et seq.). The increase shall be applied as a

percentage, and the percentage shall be the same for all applicable providers. As used in this subdivision, both of the following definitions shall apply:

(1) “Personal assistance” is limited only to those services provided by vendors classified by the regional center as personal assistance providers, pursuant to the miscellaneous services provisions contained in Title 17 of the California Code of Regulations.

(2) “Supported living services” are limited only to those services defined as supported living services in Title 17 of the California Code of Regulations.

(d) Notwithstanding subdivision (a), commencing July 1, 2015, regional centers may negotiate a rate adjustment with existing service providers for services for which rates are determined through negotiation between the regional center and the provider, if the adjustment is necessary to implement Article 1.5 (commencing with Section 245) of Chapter 1 of Part 1 of Division 2 of the Labor Code, as added by Chapter 317 of the Statutes of 2014. The rate adjustment may be applied only if a minimum of 24 hours or three days of paid sick leave per year was not a benefit provided to employees as of June 30, 2015, and shall be specific to payroll costs associated with any increase necessary to compensate an employee up to a maximum of 24 hours or three days of paid sick leave in each year of employment.

(e) Notwithstanding any other law or regulation, commencing July 1, 2016, and to the extent funds are appropriated in the annual Budget Act for this purpose, rates for transportation services in effect on June 30, 2016, shall be increased by 5 percent. The increase shall be applied as a percentage to existing rates, and the percentage shall be the same for all applicable providers.

~~(e)~~

(f) This section shall not apply to those services for which rates are determined by the State Department of Health Care Services, or the State Department of Developmental Services, or are usual and customary.

SEC. 9. Section 4691.10 is added to the Welfare and Institutions Code, to read:

4691.10. (a) (1) Notwithstanding any other law or regulation, and to the extent funds are appropriated in the annual Budget Act for this purpose, the department shall provide a rate increase for

1 *the purpose of enhancing wages and benefits for staff who spend*
2 *a minimum of 75 percent of their time providing direct services to*
3 *consumers. The department shall not allocate more than one*
4 *hundred sixty-nine million five hundred thousand dollars*
5 *(\$169,500,000) of the amount appropriated in the act that added*
6 *this section for this purpose, plus any associated matching funds.*
7 *The rate increase shall only apply to services for which rates are*
8 *set by the department or through negotiations between the regional*
9 *centers and service providers, and to the rates paid for supported*
10 *employment services, as specified in subdivisions (a) and (b) of*
11 *Section 4860, and vouchered community-based services, as*
12 *specified in paragraph (7) of subdivision (c) of Section 4688.21.*
13 *This section shall not apply to those services for which rates are*
14 *determined by other entities, including, but not limited to, the State*
15 *Department of Health Care Services or the State Department of*
16 *Social Services, or are usual and customary.*

17 *(2) For the purposes of this subdivision, “direct services” are*
18 *services, supports, care, supervision, or assistance provided by*
19 *staff directly to a consumer to address the consumer’s needs, as*
20 *identified in the individual program plan, and include staff’s*
21 *participation in training and other activities directly related to*
22 *providing services to consumers, as well as program preparation*
23 *functions as defined in Section 54302 of Title 17 of the California*
24 *Code of Regulations. State employees participating in the*
25 *Community State Staff Program are ineligible for the wage*
26 *increase described in this section.*

27 *(b) The rate increase specified in subdivision (a) shall be*
28 *implemented in the following manner:*

29 *(1) With regional center participation, the department shall*
30 *conduct a survey of a random sample of service providers in each*
31 *service category eligible for the rate increase. The survey shall*
32 *request information regarding all of the following and shall be*
33 *returned to the regional center and department by April 15, 2016:*

35 *of their time providing direct services to consumers and their total*

1 (C) Any other staff and their total salary, wage, and benefit
2 costs that are not included in either subparagraph (A) or (B).

3 (D) Any other costs to the provider, other than the costs
4 described in subparagraphs (A) to (C), inclusive.

5 (E) Any additional information, as requested by the department,
6 to assist in the determination of rate increases.

7 (2) The vendoring regional center shall certify that, to the best
8 of its knowledge, the survey results accurately reflect the services
9 provided by each surveyed service provider. The results from the
10 survey shall be used by the department to determine the rate
11 increase to be applied, by service category. The rate increase shall
12 be the same for all eligible providers in each service category and
13 is intended to provide comparable increases across service
14 categories for staff providing direct services as described in
15 subdivision (a).

16 (3) By July 1, 2016, utilizing the data derived from paragraph
17 (1), the department shall do both of the following:

18 (A) For those service providers whose rates are set by the
19 department, notify those providers and the associated regional
20 centers of the amount by which the rates are to be increased.

22 negotiation with the regional center, notify the regional center of
23 the amount by which the rates are to be increased.

24 (4) With regional center participation, the department shall
25 conduct a survey, in a format determined by the department, of all
26 providers who received the rate increase described in subdivision
27 (a). Providers shall submit the completed survey to the department
28 by October 1, 2017. The survey shall request information on how
29 the rate increase was used by providers and shall include, but is
30 not limited to, the following:

32 costs, and increases provided as a result of this subdivision.

34 services.

35 (C) Administrative expenses, consistent with subdivision (b) of
36 Section 4629.7.

37 (D) Any additional information as determined by the department.

38 (c) Providers granted a rate increase pursuant to this section
39 shall maintain documentation, subject to audit by the department
40 or regional center, that the rate increase was used solely to

1 *increase wages, salaries, and benefits of eligible staff members*
 2 *spending a minimum of 75 percent of their time providing direct*
 3 *services to consumers.*

4 *(d) The rate increases calculated by the department pursuant*
 5 *to this section shall be effective July 1, 2016, and implemented as*
 6 *described in subdivision (b).*

7 *(e) Any provider that fails to report the information required*
 8 *by paragraph (4) of subdivision (b) to the department by October*
 9 *1, 2017, shall forfeit the increases described in subdivision (a).*

10 *(f) In its 2017–18 May Revision fiscal estimate, the department*
 11 *shall describe the implementation of the increases provided*
 12 *pursuant to this section.*

13 *SEC. 10. Section 4691.11 is added to the Welfare and*
 14 *Institutions Code, to read:*

15 *4691.11. Notwithstanding any other law or regulation, and to*

 17 *purpose, the department shall allocate no more than nine million*
 18 *nine hundred thousand dollars (\$9,900,000) plus any associated*
 19 *matching funds for the purpose of administrative expenses for*
 20 *service providers. The department shall provide a rate increase*
 21 *for the purpose of administrative expenses that shall apply only*
 22 *to providers for which rates are set by the department or through*
 23 *negotiations between the regional centers and service providers,*
 24 *and to the rates paid for supported employment services, as*
 25 *specified in subdivisions (a) and (b) of Section 4860, and vouchered*
 26 *community-based services, as specified in paragraph (7) of*
 27 *subdivision (c) of Section 4688.21. This increase shall be*
 28 *determined using the information collected pursuant to subdivision*
 29 *(b) of Section 4691.10. This increase shall be consistent for*
 30 *providers within each service category and is intended to provide*
 31 *comparable increases for administrative expenses across service*
 32 *categories. This section shall not apply to those services for which*

36 *SEC. 11. Section 4860 of the Welfare and Institutions Code is*
 37 *amended to read:*

8 when the travel is one way.

9 (b) The hourly rate for group services ~~shall be thirty dollars and~~
10 ~~eighty-two cents (\$30.82), is thirty-four dollars and twenty-four~~
11 *cents (\$34.24)*, regardless of the number of consumers served in
12 the group. Consumers in a group shall be scheduled to start and
13 end work at the same time, unless an exception that takes into
14 consideration the consumer's compensated work schedule is
15 approved in advance by the regional center. The department, in
16 consultation with stakeholders, shall adopt regulations to define
17 the appropriate grounds for granting these exceptions. When the
18 number of consumers in a supported employment placement group
19 drops to fewer than the minimum required in subdivision (r) of

36 supported employment program within the previous 12 months.

37 (2) A seven-hundred-twenty-dollar (\$720) fee shall be paid
38 upon placement of a consumer in an integrated job, except that no
39 fee shall be paid if that consumer is placed with another consumer

or consumers assigned to the same job coach during the same hours of employment.

(3) A seven-hundred-twenty-dollar (\$720) fee shall be paid after a 90-day retention of a consumer in a job, except that no fee shall be paid if that consumer has been placed with another consumer or consumers, assigned to the same job coach during the same hours of employment.
