

Assembly Joint Resolution No. 29

RESOLUTION CHAPTER 112

Assembly Joint Resolution No. 29—Relative to the Interim Consolidated Storage Act of 2015.

[Filed with Secretary of State August 16, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AJR 29, Chávez. Interim Consolidated Storage Act of 2015: San Onofre Nuclear Generating Station.

This measure would urge the passage of the Interim Consolidated Storage Act of 2015 and urge the United States Department of Energy to implement the prompt and safe relocation of spent nuclear fuel from the San Onofre Nuclear Generating Station to a licensed and regulated interim consolidated storage facility.

WHEREAS, Millions of ratepayer and taxpayer dollars are spent monitoring and overseeing spent nuclear fuel each year and millions of dollars more are programmed to be spent on settlement payments related to nuclear waste disposition; and

WHEREAS, Much of the spent nuclear fuel and high-level radioactive waste currently stored is at sites that are vulnerable to natural disasters and located near large metropolitan centers; and

WHEREAS, The United States Department of Energy concluded in 2013 that a geologic repository for the permanent disposal of spent nuclear fuel and high-level radioactive waste will not be available until 2048, at the earliest; and

WHEREAS, The President's Blue Ribbon Commission on America's Nuclear Future recommended that efforts be made to develop a permanent disposal site for spent nuclear fuel and high-level radioactive waste; and

WHEREAS, The spent nuclear fuel at the San Onofre Nuclear Generating Station, a decommissioning site, should be promptly and safely moved to a consolidated storage site, as recommended by the President's Blue Ribbon Commission on America's Nuclear Future, and as would be advanced by H.R. 3643, the Interim Consolidated Storage Act of 2015, which would give priority for storage to high-level nuclear waste and spent nuclear fuel located on a site without an operating nuclear reactor; now, therefore, be it

Resolved by the Assembly and the Senate of the State of California, jointly, That the Legislature of the State of California respectfully urges the passage of H.R. 3643; and be it further

Resolved, That the Legislature of the State of California respectfully urges the United States Department of Energy to implement the prompt and safe relocation of spent nuclear fuel from the San Onofre Nuclear Generating

Station to a licensed and regulated interim consolidated storage facility; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to the President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, to each Senator and Representative from California in the Congress of the United States, and to the Secretary of Energy.
