January 5, 2015

An act to add Chapter 3.4 (commencing with Section 8265) to Division 1 of Title 2 of the Government Code, relating to state government.

LEGISLATIVE COUNSEL'S DIGEST

AB 80, as amended, Campos. Interagency Task Force on the Status of Boys and Men of Color.

The California Constitution prohibits a person from being deprived of life, liberty, or property without due process of law, or from being denied equal protection of the laws. The United States Constitution prohibits a state from denying to any person within its jurisdiction the equal protection of the laws. Existing law establishes various advisory boards and commissions in state government with specified duties and responsibilities.

The federal My Brother's Keeper Initiative, launched by the President in February 2014, required the establishment of the My Brother's Keeper Task Force, an interagency effort to improve the expected educational and life outcomes for and address the persistent opportunity gaps faced by boys and young men of color in the United States.

This bill would create the Interagency Task Force on the Status of Boys and Men of Color, a multiagency advisory body that would serve as a support mechanism for department agency and systems leaders by taking coordinated action in meeting the myriad of challenges facing boys and men of color in California, and assisting the respective departments and agencies in more successfully improving life outcomes for this population. The membership of the task force would include members of the Legislature, as well as representatives of specified agencies, departments, and private entities. The bill would set forth the initial and ongoing responsibilities of the task force, including, among others, an assessment of state program alignment with the objectives of the My Brother's Keeper program and the Assembly Select Committee on the Status of Boys and Men of Color in California, and the development of strategies to enhance positive outcomes and eliminate or mitigate negative outcomes for boys and men of color in the state. This bill would establish the Boys and Men of Color Task Force Fund, to carry out the bill's requirements in support of the task force, upon appropriation by the Legislature. The bill would authorize the task force to accept federal funds, gifts, donations, grants, or bequests for all or any of its purposes.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares as follows:
- 2 (a) On February 27, 2014, the President of the United States
- 3 launched the My Brother's Keeper initiative to address persistent
- 4 opportunity gaps faced by boys and young men of color and to
- 5 ensure that all young people can reach their full potential.
- 6 (b) The My Brother's Keeper Task Force recognizes that
- 7 challenges facing boys and young men of color affect others as
- 8 well and that it is important to break down barriers wherever they
- 9 exist and *to* identify means of creating ladders of opportunity for
- 10 all.
- 11 (c) The My Brother's Keeper Task Force was established to
- 12 develop a coordinated federal effort to significantly improve the
- 13 expected life outcomes for boys and young men of color, including
- 14 Black Americans, Hispanic Americans, and Native Americans,

1 and to improve their contributions to the nation’s prosperity, so
2 that all youth have an equal opportunity at the American dream.

3 (d) The My Brother’s Keeper Task Force noted that significant
4 diversity exists within and among boys and men of color as a
5 segment of the population. Differences of language status, income,
6 disability, sexual orientation, and many other factors influence the
7 identity and experience of these young people, just as with any
8 other population.

9 (e) My Brother’s Keeper is focused on the following milestones:
10 (1) getting a healthy start and entering school ready to learn; (2)
11 reading at grade level by third grade; (3) graduating from high
12 school ready for college and career; (4) successfully entering the
13 workforce; and (5) keeping kids on track and giving them second
14 chances.

15 (f) The My Brother’s Keeper Task Force Report to the President
16 (May 2014) cites numerous areas in which boys and men of color
17 consistently experience disproportionately negative outcomes.
18 These areas include living in poverty, living without a male parent
19 in the household, high school dropout rates, unemployment, death
20 by homicide, and imprisonment.

21 (g) The My Brother’s Keeper Task Force has identified initial
22 recommendations and areas of opportunity at each of these key
23 milestones or “focus areas.” The task force has also identified
24 several cross-cutting areas of opportunity that span all focus areas.

25 (h) The recommendations in the My Brother’s Keeper Task
26 Force Report to the President inform and influence California
27 policy and California’s compliance with those recommendations
28 makes the state more competitive for federal funding and
29 strengthens its economic competitiveness.

30 (i) Our state’s future prosperity and health depend on all
31 Californians having a fair chance to thrive and succeed. One of
32 the best investments we can make is to be certain we do everything
33 possible to help young people become healthy, productive adults.
34 As California becomes more diverse, we must nurture and harness
35 the talents, skills, and hopes of young people of color — boys and
36 young men in particular.

37 (j) The Department of Finance projects California’s population
38 of boys and men of color will increasingly represent a growing
39 percentage of the state’s male population, reaching close to 80

1 percent for boys and men of color compared to 20 percent for
2 non-Hispanic white males by 2050.

3 (k) The Assembly Select Committee on the Status of Boys and
4 Men of Color in California has recognized that boys and young
5 men of color are in jeopardy, and this poses a serious threat to
6 California’s economic strength and competitiveness.

7 (l) The Assembly Select Committee on the Status of Boys and
8 Men of Color’s policy framework emphasizes the following issues:
9 (1) health and safety; (2) education; (3) juvenile justice; (4)
10 employment and wealth; and (5) youth development. Related issues
11 that have been recommended for expansion of the committee’s
12 work include higher education, immigration, and housing.

13 (m) Community and youth leaders from across the state have
14 taken a significant interest in partnering with government and
15 systems leaders through the Alliance for Boys and Men of Color
16 in order to improve the health and success of our state’s young
17 people of color.

18 SEC. 2. Chapter 3.4 (commencing with Section 8265) is added
19 to Division 1 of Title 2 of the Government Code, to read:

20

21 CHAPTER 3.4. INTERAGENCY TASK FORCE ON THE STATUS OF
