## LEGISLATIVE COUNSEL'S DIGEST

AB 154, Ting. Taxation: federal conformity.

Under the Personal Income Tax Law and the Corporation Tax Law, various provisions of the federal Internal Revenue Code, as enacted as of a specified date, are referenced in various sections of the Revenue and Taxation Code. Those laws provide that for taxable years beginning on or after January 1, 2010, the specified date of those referenced Internal Revenue Code sections is January 1, 2009, unless otherwise specifically provided. Existing law requires, for any introduced bill that proposes changes in any of those dates, that the Franchise Tax Board prepare a complete analysis of the bill that describes all changes to state law that will automatically occur by reference to federal law as of the changed date. It further requires the Franchise Tax Board to immediately update and supplement that analysis upon any amendment to the bill, and requires that analysis be made available to the public and be submitted to the Legislature for publication in the daily journal of each house of the Legislature.

This bill would change the specified date of those referenced Internal Revenue Code sections to January 1, 2015, for taxable years beginning on or after January 1, 2015, and thereby would make numerous substantive changes to both the Personal Income Tax Law and the Corporation Tax Law with respect to those areas of preexisting conformity that are subject to changes under federal laws enacted after January 1, 2009, and that have not been, or are not being, excepted or modified. This bill would make certain

other changes in federal income tax laws applicable, with specified exceptions and modifications, and make specified supplemental, technical, or clarifying changes for purposes of the Personal Income Tax Law or the Corporation Tax Law, or both, or the administration of those laws, with respect to, among other things, tax credits, tax on specified distributions from Archer MSAs, income exclusions, reporting requirements, qualified tuition program investment direction, disclosure of information with respect to foreign financial assets, redemptions by foreign subsidiaries, listed property, extension of time for the payment of taxes, deductions for annual fees on branded prescription pharmaceutical manufacturers and importers, and penalty amounts related to understatements of tax or the failure to file specified returns or include specified information on returns.

This bill would also specify various dates on which specified provisions apply and repeal obsolete provisions.

This bill would declare that it is to take effect immediately as an urgency statute.

*The people of the State of California do enact as follows:*

two taxable years, has a net increase in jobs (defined as 2,000 paid hours per employee per year) of one or more employees in the LAMBRA.

(A) The net increase in the number of jobs shall be determined by subtracting the total number of full-time employees (defined as 2,000 paid hours per employee per year) the taxpayer employed in this state in the taxable year prior to commencing business operations in the LAMBRA from the total number of full-time employees the taxpayer employed in this state during the second taxable year after commencing business operations in the LAMBRA. For taxpayers who commence doing business in this state with their LAMBRA business operation, the number of employees for the taxable year prior to commencing business operations in the LAMBRA shall be zero. If the taxpayer has a net increase in jobs in the state, the credit shall be allowed only if one or more full-time employees is employed within the LAMBRA.

(B) The total number of employees employed in the LAMBRA shall equal the sum of both of the following:

(i) The total number of hours worked in the LAMBRA for the taxpayer by employees (not to exceed 2,000 hours per employee) who are paid an hourly wage divided by 2,000.

(ii) The total number of months worked in the LAMBRA for the taxpayer by employees who are salaried employees divided by 12.

(C) In the case of a taxpayer who first commences doing business in the LAMBRA during the taxable year, for purposes of clauses (i) and (ii), respectively, of subparagraph (B), the divisors “2,000” and “12” shall be multiplied by a fraction, the numerator of which is the number of months of the taxable year that the taxpayer was doing business in the LAMBRA and the denominator of which is 12.

(6) “Qualified displaced employee” means an individual who satisfies all of the following requirements:

(A) Any civilian or military employee of a base or former base who has been displaced as a result of a federal base closure act.

(B) (i) At least 90 percent of whose services for the taxpayer during the taxable year are directly related to the conduct of the taxpayer’s trade or business located in a LAMBRA.

The Employment Development Department may provide preliminary screening and referral to a certifying agency. The Department of Housing and Community Development shall develop regulations governing the issuance of certificates pursuant to Section 7114.2 of the Government Code and shall develop forms for this purpose.

(2) Retain a copy of the certification and provide it upon request to the Franchise Tax Board.

(d) (1) For purposes of this section, both of the following apply:

(A) All employees of trades or businesses that are under common control shall be treated as employed by a single employer.

(B) The credit (if any) allowable by this section with respect to each trade or business shall be determined by reference to its proportionate share of the qualified wages giving rise to the credit.

The regulations prescribed under this paragraph shall be based on principles similar to the principles that apply in the case of controlled groups of corporations as specified in subdivision (e) of Section 23622.

(2) If an employer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the “predecessor”) or the major portion of a separate unit of

a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (d)) for any calendar year ending after that acquisition, the employment relationship between an employee and an employer shall not be treated as terminated if the employee continues to be employed in that trade or business.

(e) (1) (A) If the employment, other than seasonal employment, of any employee, with respect to whom qualified wages are taken into account under subdivision (a), is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount (determined under those regulations) equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that employee.

(B) If the seasonal employment of any qualified disadvantaged individual, with respect to whom qualified wages are taken into account under subdivision (a), is not continued by the qualified taxpayer for a period of 270 days of employment during the 60-month period beginning with the day the qualified disadvantaged individual commences seasonal employment with the qualified taxpayer, the tax imposed by this part, for the taxable year that includes the 60th month following the month in which the qualified disadvantaged individual commences seasonal employment with the qualified taxpayer, shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that qualified disadvantaged individual.

(2) (A) Subparagraph (A) of paragraph (1) shall not apply to any of the following:

(i) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(ii) A termination of employment of an individual who, before the close of the period referred to in subparagraph (A) of paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of an individual, if it is determined that the termination was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that individual.

(iv) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(v) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a net increase in both the number of employees and the hours of employment.

(B) Subparagraph (B) of paragraph (1) shall not apply to any of the following:

(i) A failure to continue the seasonal employment of a qualified disadvantaged individual who voluntarily fails to return to the seasonal employment of the qualified taxpayer.

(ii) A failure to continue the seasonal employment of a qualified disadvantaged individual who, before the close of the period referred to in subparagraph (B) of paragraph (1), becomes disabled and unable to perform the services of that seasonal employment, unless that disability is removed before the close of that period and the qualified taxpayer fails to offer seasonal employment to that individual.

(iii) A failure to continue the seasonal employment of a qualified disadvantaged individual, if it is determined that the failure to continue the seasonal employment was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that qualified disadvantaged individual.

(iv) A failure to continue seasonal employment of a qualified disadvantaged individual due to a substantial reduction in the regular seasonal trade or business operations of the qualified taxpayer.

(v) A failure to continue the seasonal employment of a qualified disadvantaged individual, if that individual is replaced by other qualified displaced employees so as to create a net increase in both the number of seasonal employees and the hours of seasonal employment.

(C) For purposes of paragraph (1), the employment relationship between the taxpayer and an employee shall not be treated as

terminated by reason of a mere change in the form of conducting the trade or business of the taxpayer, if the employee continues to be employed in that trade or business and the taxpayer retains a substantial interest in that trade or business.

(3) Any increase in tax under paragraph (1) shall not be treated as tax imposed by this part for purposes of determining the amount of any credit allowable under this part.

(4) At the close of the second taxable year, if the taxpayer has not increased the number of its employees as determined by paragraph (5) of subdivision (b), then the amount of the credit previously claimed shall be added to the taxpayer's net tax for the taxpayer's second taxable year.

(f) In the case of an estate or trust, both of the following apply:

(1) The qualified wages for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each.

(2) Any beneficiary to whom any qualified wages have been apportioned under paragraph (1) shall be treated (for purposes of this part) as the employer with respect to those wages.

(g) The credit shall be reduced by the credit allowed under Section 17053.7. The credit shall also be reduced by the federal credit allowed under Section 51 of the Internal Revenue Code, as amended by the Emergency Economic Stabilization Act of 2008 (Public Law 110-343).

In addition, any deduction otherwise allowed under this part for the wages or salaries paid or incurred by the taxpayer upon which the credit is based shall be reduced by the amount of the credit, prior to any reduction required by subdivision (h) or (i).

(h) In the case where the credit otherwise allowed under this section exceeds the "net tax" for the taxable year, that portion of the credit that exceeds the "net tax" may be carried over and added to the credit, if any, in the succeeding 10 taxable years, if necessary, until the credit is exhausted. The credit shall be applied first to the earliest taxable years possible.

(i) (1) The amount of credit otherwise allowed under this section and Section 17053.45, including prior year credit carryovers, that may reduce the "net tax" for the taxable year shall not exceed the amount of tax that would be imposed on the taxpayer's business income attributed to a LAMBRA determined as if that attributed

income represented all of the net income of the taxpayer subject to tax under this part.

(2) Attributable income shall be that portion of the taxpayer's California source business income that is apportioned to the LAMBRA. For that purpose, the taxpayer's business income that is attributable to sources in this state first shall be determined in accordance with Chapter 17 (commencing with Section 25101) of Part 11. That business income shall be further apportioned to the LAMBRA in accordance with Article 2 (commencing with Section 25120) of Chapter 17 of Part 11, modified for purposes of this section in accordance with paragraph (3).

(3) Income shall be apportioned to a LAMBRA by multiplying the total California business income of the taxpayer by a fraction, the numerator of which is the property factor plus the payroll factor, and the denominator of which is two. For purposes of this paragraph:

(A) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in the LAMBRA during the taxable year, and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year.

(B) The payroll factor is a fraction, the numerator of which is the total amount paid by the taxpayer in the LAMBRA during the taxable year for compensation, and the denominator of which is the total compensation paid by the taxpayer in this state during the taxable year.

(4) The portion of any credit remaining, if any, after application of this subdivision, shall be carried over to succeeding taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the "net tax" for the taxable year, as provided in subdivision (h). However, the portion of any credit remaining for carryover to taxable years beginning on or after January 1, 2014, if any, after application of this subdivision, shall be carried over only to the succeeding 10 taxable years if necessary, until the credit is exhausted, as if it were an amount exceeding the "net tax" for the taxable year, as provided in subdivision (h).

(j) If the taxpayer is allowed a credit pursuant to this section for qualified wages paid or incurred, only one credit shall be allowed

to the taxpayer under this part with respect to any wage consisting in whole or in part of those qualified wages.

(k) (1) Except as provided in paragraph (2), this section shall cease to be operative on January 1, 2014, and shall be repealed on December 1, 2019. A credit shall not be allowed under this section with respect to an employee who first commences employment with a qualified taxpayer on or after January 1, 2014.

(2) This section shall continue to apply with respect to qualified disadvantaged individuals or qualified displaced employees who are employed by the qualified taxpayer within the LAMBRA within the 60-month period immediately preceding January 1, 2014, and qualified wages paid or incurred with respect to those qualified disadvantaged individuals or qualified displaced employees shall continue to qualify for the credit under this section for taxable years beginning on or after January 1, 2014, in accordance with this section, as amended by the act adding this subdivision.

SEC. 3. Section 17053.47 of the Revenue and Taxation Code is amended to read:

17053.47. (a) For each taxable year beginning on or after January 1, 1998, there shall be allowed a credit against the “net tax” (as defined in Section 17039) to a qualified taxpayer for hiring a qualified disadvantaged individual during the taxable year for employment in the manufacturing enhancement area. The credit shall be equal to the sum of each of the following:

(C) Wages received during the 60-month period beginning with the first day the qualified disadvantaged individual commences employment with the qualified taxpayer. Reemployment in connection with any increase, including a regularly occurring seasonal increase, in the trade or business operations of the taxpayer does not constitute commencement of employment for purposes of this section.

(D) Qualified wages do not include any wages paid or incurred by the qualified taxpayer on or after the manufacturing enhancement area expiration date. However, wages paid or incurred with respect to qualified employees who are employed by the qualified taxpayer within the manufacturing enhancement area within the 60-month period prior to the manufacturing enhancement area expiration date shall continue to qualify for the credit under this section after the manufacturing enhancement area expiration date, in accordance with all provisions of this section applied as if the manufacturing enhancement area designation were still in existence and binding.

(5) “Qualified disadvantaged individual” means an individual who satisfies all of the following requirements:

(ii) Who performs at least 50 percent of his or her services for the qualified taxpayer during the taxable year in the manufacturing enhancement area.

(ii) Any voluntary or mandatory registrant under the Greater Avenues for Independence Act of 1985, or its successor, as provided pursuant to Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(iii) Any individual who has been certified eligible by the Employment Development Department under the federal Targeted Jobs Tax Credit Program, or its successor, whether or not this program is in effect.

(6) "Qualified taxpayer" means any taxpayer engaged in a trade or business within a manufacturing enhancement area designated pursuant to Section 7073.8 of the Government Code and who meets all of the following requirements:

(A) All employees of trades or businesses that are under common control shall be treated as employed by a single qualified taxpayer.

(B) The credit (if any) allowable by this section with respect to each trade or business shall be determined by reference to its proportionate share of the expense of the qualified wages giving rise to the credit and shall be allocated in that manner.

(C) Principles that apply in the case of controlled groups of corporations, as specified in subdivision (d) of Section 23622.7, shall apply with respect to determining employment.

(2) If a qualified taxpayer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the “predecessor”) or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (d)) for any calendar year ending after that acquisition, the employment relationship between a qualified disadvantaged individual and a qualified taxpayer shall not be treated as terminated if the qualified disadvantaged individual continues to be employed in that trade or business.

(d) (1) (A) If the employment, other than seasonal employment, of any qualified disadvantaged individual, with respect to whom qualified wages are taken into account under subdivision (b) is terminated by the qualified taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that qualified disadvantaged individual completes 90 days of employment with the qualified taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that qualified disadvantaged individual.

(B) If the seasonal employment of any qualified disadvantaged individual, with respect to whom qualified wages are taken into account under subdivision (a) is not continued by the qualified taxpayer for a period of 270 days of employment during the 60-month period beginning with the day the qualified disadvantaged individual commences seasonal employment with

the qualified taxpayer, the tax imposed by this part, for the taxable year that includes the 60th month following the month in which the qualified disadvantaged individual commences seasonal employment with the qualified taxpayer, shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that qualified disadvantaged individual.

(2) (A) Subparagraph (A) of paragraph (1) does not apply to any of the following:

(i) A termination of employment of a qualified disadvantaged individual who voluntarily leaves the employment of the qualified taxpayer.

(ii) A termination of employment of a qualified disadvantaged individual who, before the close of the period referred to in subparagraph (A) of paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of a qualified disadvantaged individual, if it is determined that the termination was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that individual.

(iv) A termination of employment of a qualified disadvantaged individual due to a substantial reduction in the trade or business operations of the qualified taxpayer.

(v) A termination of employment of a qualified disadvantaged individual, if that individual is replaced by other qualified disadvantaged individuals so as to create a net increase in both the number of employees and the hours of employment.

(B) Subparagraph (B) of paragraph (1) shall not apply to any of the following:

(i) A failure to continue the seasonal employment of a qualified disadvantaged individual who voluntarily fails to return to the seasonal employment of the qualified taxpayer.

(ii) A failure to continue the seasonal employment of a qualified disadvantaged individual who, before the close of the period referred to in subparagraph (B) of paragraph (1), becomes disabled and unable to perform the services of that seasonal employment, unless that disability is removed before the close of that period

and the qualified taxpayer fails to offer seasonal employment to that qualified disadvantaged individual.

(iii) A failure to continue the seasonal employment of a qualified disadvantaged individual, if it is determined that the failure to continue the seasonal employment was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that qualified disadvantaged individual.

(iv) A failure to continue seasonal employment of a qualified disadvantaged individual due to a substantial reduction in the regular seasonal trade or business operations of the qualified taxpayer.

(v) A failure to continue the seasonal employment of a qualified disadvantaged individual, if that qualified disadvantaged individual is replaced by other qualified disadvantaged individuals so as to create a net increase in both the number of seasonal employees and the hours of seasonal employment.

(C) For purposes of paragraph (1), the employment relationship between the qualified taxpayer and a qualified disadvantaged individual shall not be treated as terminated by reason of a mere change in the form of conducting the trade or business of the qualified taxpayer, if the qualified disadvantaged individual continues to be employed in that trade or business and the qualified taxpayer retains a substantial interest in that trade or business.

(3) Any increase in tax under paragraph (1) shall not be treated as tax imposed by this part for purposes of determining the amount of any credit allowable under this part.

(e) In the case of an estate or trust, both of the following apply:

(1) The qualified wages for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each.

(2) Any beneficiary to whom any qualified wages have been apportioned under paragraph (1) shall be treated (for purposes of this part) as the employer with respect to those wages.

(f) The credit shall be reduced by the credit allowed under Section 17053.7. The credit shall also be reduced by the federal credit allowed under Section 51 of the Internal Revenue Code, as amended by the Emergency Economic Stabilization Act of 2008 (Public Law 110-343).

In addition, any deduction otherwise allowed under this part for the wages or salaries paid or incurred by the qualified taxpayer upon which the credit is based shall be reduced by the amount of the credit, prior to any reduction required by subdivision (g) or (h).

The credit shall be applied first to the earliest taxable years possible.

(h) (1) The amount of credit otherwise allowed under this section, including prior year credit carryovers, that may reduce the “net tax” for the taxable year shall not exceed the amount of tax that would be imposed on the qualified taxpayer’s business income attributed to a manufacturing enhancement area determined as if that attributed income represented all of the net income of the qualified taxpayer subject to tax under this part.

(2) Attributable income shall be that portion of the taxpayer’s California source business income that is apportioned to the manufacturing enhancement area. For that purpose, the taxpayer’s business income that is attributable to sources in this state first shall be determined in accordance with Chapter 17 (commencing with Section 25101) of Part 11. (B) The payroll factor is a fraction, the numerator of which is the total amount paid by the taxpayer in the manufacturing enhancement area during the taxable year for compensation, and the denominator of which is the total compensation paid by the taxpayer in this state during the taxable year.

(4) The portion of any credit remaining, if any, after application of this subdivision, shall be carried over to succeeding taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the “net tax” for the taxable year, as provided in subdivision (g). However, the portion of any credit remaining for carryover to taxable years beginning on or after January 1, 2014, if any, after application of this subdivision, shall be carried over only to the succeeding 10 taxable years if necessary, until the credit is exhausted, as if it were an amount exceeding the “net tax” for the taxable year, as provided in subdivision (g).

(i) If the taxpayer is allowed a credit pursuant to this section for qualified wages paid or incurred, only one credit shall be allowed to the taxpayer under this part with respect to any wage consisting in whole or in part of those qualified wages.

(j) The qualified taxpayer shall do both of the following:

(1) Obtain from the Employment Development Department, as permitted by federal law, the local county or city Job Training Partnership Act administrative entity, the local county GAIN office or social services agency, or the local government administering the manufacturing enhancement area, a certification that provides that a qualified disadvantaged individual meets the eligibility requirements specified in paragraph (5) of subdivision (b). (e) (1) (A) If the employment, other than seasonal employment, of any qualified employee with respect to whom qualified wages are taken into account under subdivision (a) is terminated by the taxpayer at any time during the first 270 days of that employment, whether or not consecutive, or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that employee.

(B) If the seasonal employment of any qualified employee, with respect to whom qualified wages are taken into account under subdivision (a) is not continued by the taxpayer for a period of 270 days of employment during the 60-month period beginning with the day the qualified employee commences seasonal employment with the taxpayer, the tax imposed by this part, for the taxable year that includes the 60th month following the month in which the qualified employee commences seasonal employment with the taxpayer, shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that qualified employee.

(iv) A termination of employment of a qualified employee due to a substantial reduction in the trade or business operations of the taxpayer.

(B) Subparagraph (B) of paragraph (1) shall not apply to any of the following:

(j) (1) The amount of the credit otherwise allowed under this section and Section 23612.2, including any credit carryover from prior years, that may reduce the “tax” for the taxable year shall not exceed the amount of tax which would be imposed on the taxpayer’s business income attributable to the enterprise zone determined as if that attributable income represented all of the income of the taxpayer subject to tax under this part.

(2) Attributable income shall be that portion of the taxpayer’s California source business income that is apportioned to the enterprise zone. For that purpose, the taxpayer’s business income attributable to sources in this state first shall be determined in accordance with Chapter 17 (commencing with Section 25101). That business income shall be further apportioned to the enterprise zone in accordance with Article 2 (commencing with Section 25120) of Chapter 17, modified for purposes of this section in accordance with paragraph (3).

(3) Business income shall be apportioned to the enterprise zone by multiplying the total California business income of the taxpayer by a fraction, the numerator of which is the property factor plus the payroll factor, and the denominator of which is two. For purposes of this paragraph:

(A) The property factor is a fraction, the numerator of which is the average value of the taxpayer’s real and tangible personal property owned or rented and used in the enterprise zone during the income year, and the denominator of which is the average value of all the taxpayer’s real and tangible personal property owned or rented and used in this state during the income year.

(B) The payroll factor is a fraction, the numerator of which is the total amount paid by the taxpayer in the enterprise zone during the income year for compensation, and the denominator of which is the total compensation paid by the taxpayer in this state during the income year.

(4) The portion of any credit remaining, if any, after application of this subdivision, shall be carried over to succeeding taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (i). However, the portion of any credit remaining for carryover to taxable years beginning on or after January 1, 2014,

if any, after application of this subdivision, shall be carried over only to the succeeding 10 taxable years if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (i).

(k) The changes made to this section by the act adding this subdivision shall apply to taxable years on or after January 1, 1997.

(l) (1) Except as provided in paragraph (2), this section shall cease to be operative on January 1, 2014, and shall be repealed on December 1, 2019. A credit shall not be allowed under this section with respect to an employee who first commences employment with a taxpayer on or after January 1, 2014.

(2) This section shall continue to apply with respect to qualified employees who are employed by the taxpayer within the enterprise zone within the 60-month period immediately preceding January 1, 2014, and qualified wages paid or incurred with respect to those qualified employees shall continue to qualify for the credit under this section for taxable years beginning on or after January 1, 2014, in accordance with this section, as amended by the act adding this subdivision.

(C) Principles that apply in the case of controlled groups of corporations, as specified in subdivision (d) of Section 23622.7, shall apply with respect to determining employment.

(2) If a qualified taxpayer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the “predecessor”) or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (d)) for any calendar year ending after that acquisition, the employment relationship between a qualified disadvantaged individual and a qualified taxpayer shall not be treated as terminated if the qualified disadvantaged individual continues to be employed in that trade or business.

(ii) A termination of employment of a qualified disadvantaged individual who, before the close of the period referred to in subparagraph (A) of paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the qualified taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of a qualified disadvantaged individual, if it is determined that the termination was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that individual.

(iii) A failure to continue the seasonal employment of a qualified disadvantaged individual, if it is determined that the failure to continue the seasonal employment was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that qualified disadvantaged individual.

(iv) A failure to continue seasonal employment of a qualified disadvantaged individual due to a substantial reduction in the regular seasonal trade or business operations of the qualified taxpayer.

(v) A failure to continue the seasonal employment of a qualified disadvantaged individual, if that qualified disadvantaged individual is replaced by other qualified disadvantaged individuals so as to create a net increase in both the number of seasonal employees and the hours of seasonal employment.

(e) The credit shall be reduced by the credit allowed under Section 23621. The credit shall also be reduced by the federal credit allowed under Section 51 of the Internal Revenue Code, as amended by the Emergency Economic Stabilization Act of 2008 (Public Law 110-343).

In addition, any deduction otherwise allowed under this part for the wages or salaries paid or incurred by the qualified taxpayer upon which the credit is based shall be reduced by the amount of the credit, prior to any reduction required by subdivision (f) or (g).

(f) In the case where the credit otherwise allowed under this section exceeds the “tax” for the taxable year, that portion of the credit that exceeds the “tax” may be carried over and added to the credit, if any, in the succeeding 10 taxable years, if necessary, until the credit is exhausted. The credit shall be applied first to the earliest taxable years possible.

(g) (1) The amount of credit otherwise allowed under this section, including prior year credit carryovers, that may reduce the “tax” for the taxable year shall not exceed the amount of tax that would be imposed on the qualified taxpayer’s business income attributed to a manufacturing enhancement area determined as if that attributed income represented all of the net income of the qualified taxpayer subject to tax under this part.

(2) Attributable income is that portion of the taxpayer’s California source business income that is apportioned to the manufacturing enhancement area. For that purpose, the taxpayer’s business income attributable to sources in this state first shall be determined in accordance with Chapter 17 (commencing with Section 25101). That business income shall be further apportioned to the manufacturing enhancement area in accordance with Article 2 (commencing with Section 25120) of Chapter 17, modified for purposes of this section in accordance with paragraph (3).

(3) Income shall be apportioned to a manufacturing enhancement area by multiplying the total California business income of the taxpayer by a fraction, the numerator of which is the property factor plus the payroll factor, and the denominator of which is two. For the purposes of this paragraph:

(A) The property factor is a fraction, the numerator of which is the average value of the taxpayer’s real and tangible personal property owned or rented and used in the manufacturing enhancement area during the taxable year, and the denominator of which is the average value of all the taxpayer’s real and tangible personal property owned or rented and used in this state during the taxable year.

(B) The payroll factor is a fraction, the numerator of which is the total amount paid by the taxpayer in the manufacturing

enhancement area during the taxable year for compensation, and the denominator of which is the total compensation paid by the taxpayer in this state during the taxable year.

(4) The portion of any credit remaining, if any, after application of this subdivision, shall be carried over to succeeding taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (g). However, the portion of any credit remaining for carryover to taxable years beginning on or after January 1, 2014, if any, after application of this subdivision, shall be carried over only to the succeeding 10 taxable years if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (g).

(h) If the taxpayer is allowed a credit pursuant to this section for qualified wages paid or incurred, only one credit shall be allowed to the taxpayer under this part with respect to any wage consisting in whole or in part of those qualified wages.

(i) The qualified taxpayer shall do both of the following:

(1) Obtain from the Employment Development Department, as permitted by federal law, the local county or city Job Training Partnership Act administrative entity, the local county GAIN office or social services agency, or the local government administering the manufacturing enhancement area, a certification that provides that a qualified disadvantaged individual meets the eligibility requirements specified in paragraph (5) of subdivision (b). The Employment Development Department may provide preliminary screening and referral to a certifying agency. The Department of Housing and Community Development shall develop regulations governing the issuance of certificates pursuant to subdivision (d) of Section 7086 of the Government Code and shall develop forms for this purpose.

(2) Retain a copy of the certification and provide it upon request to the Franchise Tax Board.

(j) (1) Except as provided in paragraph (2), this section shall cease to be operative for taxable years beginning on or after January 1, 2014, and shall be repealed on December 1, 2019.

(2) The section shall continue to apply with respect to qualified employees who are employed by the qualified taxpayer within the manufacturing enhancement area within the 60-month period immediately preceding January 1, 2014, and qualified wages paid

or incurred with respect to those qualified employees shall continue to qualify for the credit under this section for taxable years beginning on or after January 1, 2014, in accordance with this section, as amended by the act adding this subdivision.

SEC. 28. Section 23646 of the Revenue and Taxation Code is amended to read:

23646. (a) For each taxable year beginning on or after January 1, 1995, there shall be allowed as a credit against the “tax” (as defined in Section 23036) to a qualified taxpayer for hiring a qualified disadvantaged individual or a qualified displaced employee during the taxable year for employment in the LAMBRA. The credit shall be equal to the sum of each of the following:

However, wages paid or incurred with respect to qualified disadvantaged individuals or qualified displaced employees who are employed by the qualified taxpayer within the LAMBRA within the 60-month period prior to the LAMBRA expiration date shall continue to qualify for the credit under this section after the LAMBRA expiration date, in accordance with all provisions of this section applied as if the LAMBRA designation were still in existence and binding.

(A) The net increase in the number of jobs shall be determined by subtracting the total number of full-time employees (defined as 2,000 paid hours per employee per year) the taxpayer employed in this state in the taxable year prior to commencing business operations in the LAMBRA from the total number of full-time employees the taxpayer employed in this state during the second taxable year after commencing business operations in the LAMBRA. For taxpayers who commence doing business in this state with their LAMBRA business operation, the number of employees for the taxable year prior to commencing business operations in the LAMBRA shall be zero. If the taxpayer has a net increase in jobs in the state, the credit shall be allowed only if one or more full-time employees is employed within the LAMBRA.

(B) The total number of employees employed in the LAMBRA shall equal the sum of both of the following:

(i) The total number of hours worked in the LAMBRA for the taxpayer by employees (not to exceed 2,000 hours per employee) who are paid an hourly wage divided by 2,000.

(ii) The total number of months worked in the LAMBRA for the taxpayer by employees who are salaried employees divided by 12.

(C) In the case of a qualified taxpayer that first commences doing business in the LAMBRA during the taxable year, for purposes of clauses (i) and (ii), respectively, of subparagraph (B) the divisors “2,000” and “12” shall be multiplied by a fraction, the numerator of which is the number of months of the taxable year that the taxpayer was doing business in the LAMBRA and the denominator of which is 12.

(6) “Qualified displaced employee” means an individual who satisfies all of the following requirements:

(A) Any civilian or military employee of a base or former base that has been displaced as a result of a federal base closure act.

(B) (i) At least 90 percent of whose services for the taxpayer during the taxable year are directly related to the conduct of the taxpayer's trade or business located in a LAMBRA.

(C) Who is hired by the employer after the designation of the area in which services were performed as a LAMBRA.

(7) "Seasonal employment" means employment by a qualified taxpayer that has regular and predictable substantial reductions in trade or business operations.

(c) For qualified disadvantaged individuals or qualified displaced employees hired on or after January 1, 2001, the taxpayer shall do both of the following:

(1) Obtain from the Employment Development Department, as permitted by federal law, the administrative entity of the local county or city for the federal Job Training Partnership Act, or its successor, the local county GAIN office or social services agency, or the local government administering the LAMBRA, a certification that provides that a qualified disadvantaged individual or qualified displaced employee meets the eligibility requirements specified in subparagraph (C) of paragraph (4) of subdivision (b) or subparagraph (A) of paragraph (6) of subdivision (b). The Employment Development Department may provide preliminary screening and referral to a certifying agency. The Department of Housing and Community Development shall develop regulations governing the issuance of certificates pursuant to Section 7114.2 of the Government Code and shall develop forms for this purpose.

(2) Retain a copy of the certification and provide it upon request to the Franchise Tax Board.

(d) (1) For purposes of this section, both of the following apply:

(A) All employees of all corporations that are members of the same controlled group of corporations shall be treated as employed by a single employer.

(B) The credit (if any) allowable by this section to each member shall be determined by reference to its proportionate share of the qualified wages giving rise to the credit.

(2) For purposes of this subdivision, “controlled group of corporations” has the meaning given to that term by Section 1563(a) of the Internal Revenue Code, except that both of the following apply:

(A) “More than 50 percent” shall be substituted for “at least 80 percent” each place it appears in Section 1563(a)(1) of the Internal Revenue Code.

(B) The determination shall be made without regard to Section 1563(a)(4) and Section 1563(e)(3)(C) of the Internal Revenue Code.

(3) If an employer acquires the major portion of a trade or business of another employer (hereinafter in this paragraph referred to as the “predecessor”) or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section (other than subdivision (e)) for any calendar year ending after that acquisition, the employment relationship between an employee and an employer shall not be treated as terminated if the employee continues to be employed in that trade or business.

(e) (1) (A) If the employment of any employee, other than seasonal employment, with respect to whom qualified wages are taken into account under subdivision (a) is terminated by the taxpayer at any time during the first 270 days of that employment (whether or not consecutive) or before the close of the 270th calendar day after the day in which that employee completes 90 days of employment with the taxpayer, the tax imposed by this part for the taxable year in which that employment is terminated shall be increased by an amount equal to the credit allowed under subdivision (a) for that taxable year and all prior income years attributable to qualified wages paid or incurred with respect to that employee.

(B) If the seasonal employment of any qualified disadvantaged individual, with respect to whom qualified wages are taken into account under subdivision (a) is not continued by the qualified taxpayer for a period of 270 days of employment during the 60-month period beginning with the day the qualified disadvantaged individual commences seasonal employment with the qualified taxpayer, the tax imposed by this part, for the taxable year that includes the 60th month following the month in which the qualified disadvantaged individual commences seasonal employment with the qualified taxpayer, shall be increased by an

amount equal to the credit allowed under subdivision (a) for that taxable year and all prior taxable years attributable to qualified wages paid or incurred with respect to that qualified disadvantaged individual.

(2) (A) Subparagraph (A) of paragraph (1) shall not apply to any of the following:

(i) A termination of employment of an employee who voluntarily leaves the employment of the taxpayer.

(ii) A termination of employment of an individual who, before the close of the period referred to in paragraph (1), becomes disabled to perform the services of that employment, unless that disability is removed before the close of that period and the taxpayer fails to offer reemployment to that individual.

(iii) A termination of employment of an individual, if it is determined that the termination was due to the misconduct (as defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that individual.

(iv) A termination of employment of an individual due to a substantial reduction in the trade or business operations of the taxpayer.

(v) A termination of employment of an individual, if that individual is replaced by other qualified employees so as to create a net increase in both the number of employees and the hours of employment.

(B) Subparagraph (B) of paragraph (1) shall not apply to any of the following:

(i) A failure to continue the seasonal employment of a qualified disadvantaged individual who voluntarily fails to return to the seasonal employment of the qualified taxpayer.

(ii) A failure to continue the seasonal employment of a qualified disadvantaged individual who, before the close of the period referred to in subparagraph (B) of paragraph (1), becomes disabled and unable to perform the services of that seasonal employment, unless that disability is removed before the close of that period and the qualified taxpayer fails to offer seasonal employment to that qualified disadvantaged individual.

(iii) A failure to continue the seasonal employment of a qualified disadvantaged individual, if it is determined that the failure to continue the seasonal employment was due to the misconduct (as

defined in Sections 1256-30 to 1256-43, inclusive, of Title 22 of the California Code of Regulations) of that individual.

(iv) A failure to continue seasonal employment of a qualified disadvantaged individual due to a substantial reduction in the regular seasonal trade or business operations of the qualified taxpayer.

(v) A failure to continue the seasonal employment of a qualified disadvantaged individual, if that individual is replaced by other qualified disadvantaged individuals so as to create a net increase in both the number of seasonal employees and the hours of seasonal employment.

(C) For purposes of paragraph (1), the employment relationship between the taxpayer and an employee shall not be treated as terminated by either of the following:

(i) A transaction to which Section 381(a) of the Internal Revenue Code applies, if the employee continues to be employed by the acquiring corporation.

(ii) A mere change in the form of conducting the trade or business of the taxpayer, if the employee continues to be employed in that trade or business and the taxpayer retains a substantial interest in that trade or business.

(3) Any increase in tax under paragraph (1) shall not be treated as tax imposed by this part for purposes of determining the amount of any credit allowable under this part.

(4) At the close of the second taxable year, if the taxpayer has not increased the number of its employees as determined by paragraph (5) of subdivision (b), then the amount of the credit previously claimed shall be added to the taxpayer's tax for the taxpayer's second taxable year.

(f) In the case of an organization to which Section 593 of the Internal Revenue Code applies, and a regulated investment company or a real estate investment trust subject to taxation under this part, rules similar to the rules provided in Section 46(e) and Section 46(h) of the Internal Revenue Code shall apply.

(g) The credit shall be reduced by the credit allowed under Section 23621. The credit shall also be reduced by the federal credit allowed under Section 51 of the Internal Revenue Code, as amended by the Emergency Stabilization Act of 2008 (Public Law 110-343).

In addition, any deduction otherwise allowed under this part for the wages or salaries paid or incurred by the taxpayer upon which the credit is based shall be reduced by the amount of the credit, prior to any reduction required by subdivision (h) or (i).

(h) In the case where the credit otherwise allowed under this section exceeds the “tax” for the taxable year, that portion of the credit that exceeds the “tax” may be carried over and added to the credit, if any, in the succeeding 10 taxable years, if necessary, until the credit is exhausted. The credit shall be applied first to the earliest taxable years possible.

(i) (1) The amount of credit otherwise allowed under this section and Section 23645, including any prior year carryovers, that may reduce the “tax” for the taxable year shall not exceed the amount of tax that would be imposed on the taxpayer’s business income attributed to a LAMBRA determined as if that attributed income represented all of the income of the taxpayer subject to tax under this part.

(2) Attributable income shall be that portion of the taxpayer’s California source business income that is apportioned to the LAMBRA. For that purpose, the taxpayer’s business income that is attributable to sources in this state first shall be determined in accordance with Chapter 17 (commencing with Section 25101). That business income shall be further apportioned to the LAMBRA in accordance with Article 2 (commencing with Section 25120) of Chapter 17, modified for purposes of this section in accordance with paragraph (3).

(3) Income shall be apportioned to a LAMBRA by multiplying the total California business income of the taxpayer by a fraction, the numerator of which is the property factor plus the payroll factor, and the denominator of which is two. For purposes of this paragraph:

(A) The property factor is a fraction, the numerator of which is the average value of the taxpayer’s real and tangible personal property owned or rented and used in the LAMBRA during the taxable year, and the denominator of which is the average value of all the taxpayer’s real and tangible personal property owned or rented and used in this state during the taxable year.

(B) The payroll factor is a fraction, the numerator of which is the total amount paid by the taxpayer in the LAMBRA during the taxable year for compensation, and the denominator of which is

the total compensation paid by the taxpayer in this state during the taxable year.

(4) The portion of any credit remaining, if any, after application of this subdivision, shall be carried over to succeeding taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (h). However, the portion of any credit remaining for carryover to taxable years beginning on or after January 1, 2014, if any, after application of this subdivision, shall be carried over only to the succeeding 10 taxable years, if necessary, until the credit is exhausted, as if it were an amount exceeding the “tax” for the taxable year, as provided in subdivision (h).

(j) If the taxpayer is allowed a credit pursuant to this section for qualified wages paid or incurred, only one credit shall be allowed to the taxpayer under this part with respect to any wage consisting in whole or in part of those qualified wages.

(k) (1) Except as provided in paragraph (2), this section shall cease to be operative on January 1, 2014, and shall be repealed on December 1, 2019. A credit shall not be allowed under this section with respect to an employee who first commences employment with a qualified taxpayer on or after January 1, 2014.

(2) This section shall continue to apply with respect to qualified disadvantaged individuals or qualified displaced employees who are employed by the qualified taxpayer within the LAMBRA within the 60-month period immediately preceding January 1, 2014, and qualified wages paid or incurred with respect to those qualified disadvantaged individuals or qualified displaced employees shall continue to qualify for the credit under this section for taxable years beginning on or after January 1, 2014, in accordance with this section, as amended by the act adding this subdivision.
