CHAPTER _____

An act to add Section 1317.5a to the Health and Safety Code, and to amend Sections 241 and 243 of the Penal Code, relating to hospital emergency departments.

LEGISLATIVE COUNSEL'S DIGEST

AB 172, Rodriguez. Emergency departments: assaults and batteries.

(1) Existing law defines an assault as an unlawful attempt, coupled with present ability, to commit a violent injury on the person of another. Under existing law, an assault committed against a physician or nurse engaged in rendering emergency medical care outside a hospital, clinic, or other health care facility is punishable by imprisonment in a county jail not exceeding one year, by a fine not exceeding \$2,000, or by both that fine and imprisonment.

This bill would also make an assault committed against a physician, nurse, or other health care worker of a hospital engaged in providing services within the emergency department punishable by imprisonment in a county jail not exceeding one year, by a fine not exceeding \$2,000, or by both that fine and imprisonment. By expanding the scope of a crime, this bill would impose a state-mandated local program.

(2) Existing law defines a battery as any willful and unlawful use of force or violence upon the person of another. Under existing law a battery committed against a physician or nurse engaged in rendering emergency medical care outside a hospital, clinic, or other health care facility is punishable by imprisonment in a county jail not exceeding one year, by a fine not exceeding \$2,000, or by both that fine and imprisonment.

This bill would also make a battery committed against a physician, nurse, or other health care worker of a hospital engaged in providing services within the emergency department punishable by imprisonment in a county jail not exceeding one year, by a fine not exceeding \$2,000, or by both that fine and imprisonment. By expanding the scope of a crime, this bill would impose a state-mandated local program.

(3) This bill would authorize a health facility that maintains and operates an emergency department to post a notice in the emergency department stating that an assault or battery against staff is a crime, and may result in a criminal conviction, as provided.

(4) This bill would incorporate additional changes to Section 243 of the Penal Code proposed by AB 545 that would become operative if this bill and AB 545 are both enacted and this bill is enacted last.

(5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 1317.5a is added to the Health and Safety Code, to read:

1317.5a. A health facility licensed under this chapter that maintains and operates an emergency department may post a notice in a conspicuous place in the emergency department stating substantially the following:

WE WILL NOT TOLERATE any form of threatening or aggressive behavior toward our staff. Assaults and batteries against our staff are crimes and may result in a criminal conviction. All staff have the right to carry out their work without fearing for their safety.

If probation is granted, or the execution or imposition of the sentence is suspended, it shall be a condition thereof that the defendant participate in, for no less than one year, and successfully complete, a batterer's treatment program, as described in Section 1203.097, or if none is available, another appropriate counseling program designated by the court. However, this provision shall not be construed as requiring a city, a county, or a city and county to provide a new program or higher level of service as contemplated by Section 6 of Article XIII B of the California Constitution.

(2) Upon conviction of a violation of this subdivision, if probation is granted, the conditions of probation may include, in lieu of a fine, one or both of the following requirements:

However, the court, upon a showing of good cause, may elect not to impose the mandatory minimum imprisonment as required by this subdivision and may, under these circumstances, grant probation or order the suspension of the execution or imposition of the sentence.

(4) The Legislature finds and declares that these specified crimes merit special consideration when imposing a sentence so as to display society's condemnation for these crimes of violence upon victims with whom a close relationship has been formed.

(5) If a peace officer makes an arrest for a violation of paragraph (1), the peace officer is not required to inform the victim of his or her right to make a citizen's arrest pursuant to subdivision (b) of Section 836.
