[Approved by Governor October 1, 2015. Filed with

#### LEGISLATIVE COUNSEL'S DIGEST

AB 189, Bloom. Arts Council: cultural districts.

The Dixon-Zenovich-Maddy California Arts Act of 1975 establishes the Arts Council, consisting of 11 appointed members, sets forth the duties of the council, and authorizes the council to accept federal grants and unrestricted gifts, donations, bequests, or grants of funds from private sources and public agencies for the purposes of encouraging artistic awareness, promoting the employment of artists, and providing for the exhibition of art works in public buildings, among others.

This bill would additionally require the Arts Council to establish criteria and guidelines for state-designated cultural districts, as defined. The bill would require the council to establish a competitive application system for certification, provide technical and promotional support for certified state-designated cultural districts, and collaborate with public agencies and private entities to maximize the benefits of state-designated cultural districts. The bill would provide that a geographical area within the state may be certified as a state-designated cultural district by applying to the council for certification, as provided. The bill would also provide that certification as a state-designated cultural district is effective for 5 years, after which the district may renew certification every 3 years.

This bill would authorize the council to solicit and receive gifts, donations, bequests, grants of funds, or any other revenues, from public or private sources and to expend those moneys, upon appropriation by the Legislature, for a state-designated cultural district program and for any other purpose it deems necessary to implement these provisions.

*The people of the State of California do enact as follows:*
